THE DAILY BEE.

Tuesday Morning, June 16,

LOCAL BREVITIES.

—Deputy Marshal Allan went to Nebraska City yesterday morning.

—The Knights of Labor, under the auspices of L. H. 2,846, have their first annual picnic at Hascall's park Saturday, July 11th.

—Friendship Lodge No. 802 K. & L. of H. will have a special meeting Tuesday evening June 16th, at 8 p. m. 1616 Capitol avenue.

—Annual meeting of the I. O. O. F Protective Association Tuesday evening, June 16 at 8 o'clock, for election of officers and other important business. John Graves, Secretary.

—An old man by the name of Bullock had his pocket picked of $70 Sunday night in one of the Thirteenth street cars. Some of the nimble fingered gang who had been working at the picnic probably did the job.

—The services of Thomas Harrison, the noted evangelist, have been secured for the Bennet camp-meeting, which is to be held at Bennet, Lancaster county, Neb., July 31 to August 16 The programme of the meeting will be published soon.

—Mr. Beveridge, of Chicago, and father of the young stockman, C. C. Beveridge, recently arrested for obtaining money under false pretenses, is in the city, and has for a long time been closeted with his son. There are no new developments in the case.

—The B. & M. road is riffraffing the banks of the river at points between the city and Plattsmouth. The banks have been slowly washing away and some such measures as these are necessary to prevent a dangerous increasing undermining of the tracks.

—Saturday afternoon a very exciting and interesting game of base ball was played on the old U. P. grounds, between the clerks in the offices of the auditor of passenger accounts and the freight auditor, of the U. P. headquarters. The score resulted in favor of the former, 25 to 12.

—On Saturday evening a pleasant surprise party was tendered to the Heafey brothers, at Eleventh and Pacific streets. There were thirty couples in attendance. Dancing was kept up until midnight, when an enjoyable repast was served. Every one left, having had a good time, and wishing the Heafey brothers success in their new home.

—Sunday a number of small children were playing with a human skull, near the corner of Thirteenth and Davenport streets. When questioned by a passer-by as to how they had came into possession of the ghostly toy they said that they had "found it an alley." The top of the skull had been sawed off, and it was evidently once the possession of some medical institute.

—George Linde, who lives on the Biendorff farm fifteen miles northwest of the city, reports that his place was quite severely visited by the storm Sunday morning. His corn cribs were blown down, his fruit trees demolished, and things generally torn up. The house was not blown down, though the famil took to the cellar expecting such a catastrophe.

—The Baptist Council of Recognition will take place this morning at Council Bluffs, on the occasion of the re-organization of the new church in that place, the pastorate of which is to be assumed by the talented Dr. Cooley. The Rev. Mr. Harris of this city will give the charge to the church, while Dr. Hurlbert, of Chicago, will preach in the evening. A large attendance from Omaha is expected.

A TUSSLE WITH A TOUGH.

James Lee Arrested After a Hard Fight Sunday.

James Lee, one of the dangerous young criminals who infest the vicinity of Creighton college, was arrested by the police Sunday and lodged in jail, after a terrible tussle.

It seems that Lee came up behind Special Policeman James and without provocation hit him on the back of his hand with a "billy," disabling him. James immediately telephoned to police headquarters for assistance. A policeman was dispatched to the scene of the trouble, but before he arrived Lee was gone and could not be found.

Later, a warrant was sworn out for Lee's arrest, and placed in the hands of Officer Cormick for service. Officer Rowles accompanied him, and the two together went to the house of the Lee family where they found the young belligerent hiding in the cellar. A tough tussle ensued, before the two officers succeeded in arresting Lee. He bit Rowles severely on the hand, and injured him so otherwise that that officer was compelled to use his club vigorously. Finally he was taken and placed in a wagon and lodged in jail.

The gang which infests this portion of Omaha is certainly a tough one. Respectable people in the neighborhood are continually complaining of their lawless acts and depredations. It is to be hoped the police will make every effort to break it up.

Settling a Strike.

NEW CASTLE, Pa., June 15.—The difficulty existing between the freight handlers employed by the Buffalo, New York & Philadelphia railroad and that company, terminated yesterday by Superintendent Witter requesting the men to resume work at their former salary pending an investigation of their grievances by higher officials, and promising the men they would be given a decision by next Saturday. The men accepted the proposition and "double-header trains were immediately put to work and have succeeded in moving the larger portion of freight which was detained along the route."

MONEY! MONEY!! MONEY!!! Money to Loan—On chattel security by W. R. Croft, room 4, Withnell building, N. E. corner 15th and Harney After years of experience and a careful study of the business of loaning money on personal property, I have at last perfected a system where by the publicity usual in such cases is done away with, and I am now in a position to meet the demands of all who become temporarily embarrassed and desire to raise money without delay and in a quiet manner. Housekeepers, professional gentlemen, mechanics and others in this city can obtain advances from $10 to $1,000 on such security as household furniture, piano, machinery, horses, wagons, warehouse receipts, secured notes of hand, etc., without removing same from owners residence or place of business. One of the advantages I offer is that any part of any loan can be paid at any time which will reduce the interest pro rata and all loans secured at the original rates of interest. I have no brokers in connection with my office, but personally superintend all my loans. I have private offices connected with my general office so that customers do not come in contact with each other, consequently making all transactions strictly private. W. R.
