### BREVITIES.

—The many friends of Miss Fanny Croft will regret to learn that she is seriously ill.  
—Col. Henry A. Morrow, of the Twenty-first infantry, has been granted leave of absence for fifteen days.  
—There will be a special meeting of St. John's Lodge A. F. and A. M., this (Thursday) evening. Work. By order of the master.  
—An excursion of the members of the First M. E. church of Marysville, Kan., arrived here yesterday afternoon and will leave the city to-day.  
—Charles Yoman reported to Marshal Cummings yesterday that he had been robbed of two watches while asleep on the river bottom last night.  
—Johnson & Dufrene are erecting a two story brick store building on South Thirteenth street, next to the building on the southwest corner of Thirteenth and Howard.  
—The party of directors of the Bay State Cattle Company left on the special train at 11 o'clock this morning for the west, and will go to North Bend, and thence to-morrow to Antelopeville. They express themselves as much pleased with their visit in Omaha.  
—The police court proceedings yesterday were of an uninteresting character. Thomas Wade, an aged Ethiopian, was fined \$5 and costs for throwing soap into the street. John Landy and William Desmond, two juvenile tramps, were released on a promise to leave town.  
—Marshal Cummings desires to have it distinctly understood that any person caught throwing paper or refuse matter into the streets will be prosecuted to the bitter end. The rule will apply without regard to sex, race, or previous condition of servitude. "Let the heedless beware."  
—A petition for the pardon of Wm. Dodds, convicted at the November, 1884, term of the district court for Douglas county for the embezzlement from McCord & Brady of \$1,800, is being circulated. It is said to have been signed by the judges, the trial jury, the officers of the court and many bankers of Omaha.  
—Speed has turned up again, this time in Baltimore, where he has been appointed umpire for the American Association in place of John Valentine, who resigned on account of the efforts of managers to bribe and bulldoze him. Speed umpired the Baltimore-Louisville game Tuesday, the dispatch speaking of him as "slow and decidedly amateurish."  
—Mr. William Riley and Miss Nancy E. Logan were married at the Holy Family church last Saturday evening. After the ceremony a very pleasant reception was held at the residence of the bride's father. Mr. and Mrs. Riley left Sunday for Lincoln, where they will make their future home. A large and handsome variety of presents were received, and it is to be regretted that lack of space forbids publication of a complete list.  
—Cora Bowman who married Ezra Ebricht some weeks ago, has been found. She learned shortly after her marriage that her husband had another wife, and refused to live with him, and accepted employment in the house of an officer at the barracks. Her mother who came here to search for the girl found her in that position and has taken her back to Iowa.  
—Some weeks ago, it may be remembered, a young man by the name of Frank Wilson, was arrested in the Hilleke building, having in his possession a large amount of stolen silk and jewelry. It has since been discovered that he is the same thief who broke into the Dinsmore residence last fall and stole a lot of jewelry. He has been positively identified by Officer Duff Green.  
—In its review of the Frau Materna concert at that place the Cheyenne Sun says the following of a member of the company well known here: "Of Miss Neely Stevens, the kindest words can only be said, she fully sustained her already established reputation in Cheyenne as a brilliant and conscientious pianist. Her solos were heartily enjoyed and appreciation liberally shown."  
—Justice Wright's court was filled with twenty-two witnesses, two attorneys and some clients Wednesday when the case of Dr. Solomon was tried. The doctor collected material recently for building a house, but was unable to go ahead, for the lumber was stolen about as fast as it could be hauled to his lot. He obtained a search warrant, and finding a piece of scantling which he believed his on the premises of Mrs. Bankhardt, at Fort Omaha, took it, whereupon Mrs. Bankhardt had him arrested on complaint of larceny. The jury disagreed.  
—Mr. J. B. Ferguson, one of the salesmen in Smith's dry goods store, rejoices in the advent of a girl baby, which put in its appearance at his home Wednesday morning. The little chunk of humanity tipped the beam at thirteen pounds, down weight, and its tame measure is long enough to measure the smile which betokens the countenance of the proud and happy father. Mr. Ferguson remembered his fellow salesmen with a box of the choicest Havanas, and as the boys watched the fragrant weed float away in smoke, each one hoped that the troubles of both father and daughter might be as light. The mother is getting along exceedingly well, but if a change does not take place soon, it is extremely doubtful if the over-elated father will weather the blast and pull through without a slight attack of softening of the brain.

After the ceremony was over, a reception was held, largely attended by the friends of the contracting parties. Dancing and refreshments were features of a pleasant evening's entertainment.  
Mr. Nedd is a well known young man here, a clerk in the clothing store of M. Hellman & Co., and quite popular among his associates. His bride is a favorite young lady in Omaha society. The congratulations of their many friends are extended to them in fullest measure, with the hope that their married life may be a happy and prosperous one.  
Seal of North Carolina Tobacco is the best.  
Freed from Suffering.  
Wednesday night a few moments before 12 o'clock Carsten Delfs expired at St. Joseph's hospital.  
He is the unfortunate individual, it will be recollected, who was injured by having two stray freight cars run upon the one which he was repairing in the Union Pacific yards last Friday. His injuries were of a serious and complicated nature, and he has been slowly but surely sinking ever since.  
The deceased was a man 40 years of age. It is said that he leaves a wife and four children in very destitute circumstances. The funeral will take place to-day.
