CELEBRATING THE GREAT DAY.

How the Fourth Will be Observed in Omaha.

The preparations afoot for the local celebration of the Fourth this year promise the grandest kind of a blowout, excelling, without doubt, any celebration heretofore held. The committee which has in charge the matter met Tuesday afternoon, and arranged

the programme.

The parade will be an imposing one. The United States troops at this point have, through Gen. Howard, been invited to take part, and the A. O. H. and their military company, the Omaha Light Guards and the E. M. A., the G. A. R., the Mannerchor, the PILES!! PILES!!

Bluffs icam or against time, mule race, itching of private parts, and for nothing else etc. Other pleasant and entertaining features will make up the day's programme. About \$500 will be expended in large places of fire-works, while there |will be numerous smaller ones. The committee on subscriptions report good succeas, and with the \$200 to be given by the city, it is believed that there will be price, 50 ample funds to provide for the expenses of the celebration.

It is quite probable that all the stores in the city will be closed in order to allow their employes to celebrate in a be-coming manner. Most of the large establishments have already set a good example by declaring a holiday.
