

This medicine comes from pure vegetable tonics and herbs. It is given to Women, and all who lead sedentary lives. It Enriches and Purifies the Blood, Stimulates the Heart, Strengthens the Nerves—in fact, thoroughly invigorates.

It does not blacken the teeth, cause headache, or produce constipation—all other tonics medicines do.

Dr. CLARKE, M. D., 100 So. CLARK ST., CHICAGO, ILL

Frightful Case of a Colored Man.

I contracted a fatal case of blood poison in 1853 at Atlanta. They used the old remedies of mercury and potash, which brought on rheumatism, and impaired my digestive organs. Every night in my bed was agonizing torture. What would you say to die my physician thought it would be a good time to test the virtues of Swift's Specific? When I came home in October, 1854, I had lost 150 lbs. and could not live two weeks under the ordinary treatment. He commenced to give me the medicine strictly according to directions, which I continued for several months. It did not bring on any new disease, but I am sure it did not improve from the very first. Soon the rheumatism left me, my appetite became all right, and the ulcers which had been so painful and most difficult to heal ever since began to heal, and by the 1st of October, 1854, I was a well man again. I am stronger now than I ever was before, and weigh 85 lbs. It has saved me from an early grave.

LEM MCCLINTON.

Leon McClinton has been in the employ of the Chess-Carley company for some years, and I know the above statements to be true. At the time he began taking Swift's Specific he was in a horrible condition. I regard his cure as a miracle.
