

THE DAILY BEE. Thursday Morning, August 13.

LOCAL BREVITIES.

Fines have been paid for the past month by 139 women of the town, the revenue received from this source amounting to nearly \$1,000.

The peace and quietude which has prevailed in the city for some time past is something remarkable. The police are comparatively without business.

Judge McCulloch, of the county court issued a marriage license yesterday to a young man named Peter Tim to marry a girl with the awful name of Frederica Maria Sophia Christina Pinnow.

A committee consisting of Adolph Meyer, George Heimrod, Henry Meyer, H. E. Lehman, T. Simbol and George E. Stratman has been appointed to make arrangements for the celebration of the 18th anniversary of the Concordia society on September 20.

The following from Hastings, Neb., to the "Sporting Life," of Philadelphia, is very refreshing: "On July 25th and 26th the Hastings Reds and Union Pacific, of Omaha, Neb., crossed bats for the first time this season, when Hastings was victorious in a hotly contested game of twelve innings, by a score of 2 to 1.

The Omaha boys are anxiously awaiting the appearance of that \$1,000 challenge in the Clipper, and are ready to take it up without delay. Manager Kay has failed to secure a team to meet the U. P. here next Sunday.

The following is the programme of sport at the Knights of Labor picnic at Hascall's Park, on Sunday, August 16: An elegant prize will be voted to the most popular M. W. of the local assemblies Nos. 2122, 2845, 3914, 3697 and 3796, of 10 cents a vote.

One hundred yard foot race, free for all. Cash prize, \$10. Standing broad jump. Cash prize, \$5. Old man's race, 100 yards, for men over 45 years of age. Prize, a new hat.

An elegant gold chain and locket will be presented to the best lady walker. A fine gold-headed cane will be presented to the best gentleman walker. Speeches will be delivered by Mr. Anton Spier, of Chicago, both in German and English.

For Trade--Nance county lands for stock of general merchandise or hardware. Address John Linderholm, Central City, Neb.

An Omaha girl, giving her name as Star Fontaine, committed suicide at Columbus a day or so since, at the Clothier house, where she had been working. She landed herself in the dark beyond via the morphine route.

Twice this girl tried to commit suicide in this city, within the past three months, once at the Childs' hospital where she was employed as a domestic and once at the house of Dr. Sprague. The cause of her troubles is explained as infatuation for a faithless lover. She passed under the name of Daisy Love and Lydia Briarly while here. She has a mother living at the corner of Seventeenth and Davenport streets.

Receiver's Sale. Sealed proposals will be received up to Friday, August 14th, at 10 a. m., by the undersigned at 1307 Farnam street, for the purchase in bulk or in parcels of the stock of goods formerly owned by L. L. Smith, and now in the store rooms, 1307 and 1309 Farnam street, Omaha. Terms, cash or part cash, and the balance on time on approved security.

The Charge at Donelson. In an article in last evening's BEE it is stated that Gen. Grant ordered the charge on his extreme left at Donelson, in consequence of the discovery that the enemy had endeavored to break the union lines by an assault on the right and thus escape, rebel prisoners being taken with six days' rations in their haversacks. Gen. Grant argued that a massing of the enemy on his right for this purpose would leave the left (the enemy's right) weakened, and in this belief the assault was made by the Second Iowa Infantry, (Tilden's regiment) but so much time was lost that when the charge was made the rebel rifle pits and trenches were found filled with men who had been ordered back to their position after the failure of the morning assault on our right.

Stealing Barrels. Joseph Millard, a young man of unenviable name, was arrested yesterday by Officer Jasper for attempting to sell barrel staves from Woodman's Lined Oil Works. He was taken before Judge Stenberg and tried. He will be held at the county expense for the next ten days.

W. C. T. U. Notice. The regular weekly meeting of the Woman's Christian Temperance union will be held this afternoon at 2:30 o'clock in the Fifteenth Street Woman's Christian Temperance union parlors. As special business is to be transacted every member is requested to be present.

RAILWAY RUMBLINGS.

Matters of Interest on the Various Lines of Road.

Arbitrator Bogue Coming to Omaha. The Oregon Lease--Personal and Other Mentions.

The Chicago Tribune of Tuesday very interestingly says: "Mr. George M. Bogue leaves to-day for Omaha, where he will be joined by Mr. William Duncan, to inspect and examine the facilities of the various roads in the Western Freight association at Omaha and Council Bluffs, in order to be able to come to a satisfactory conclusion regarding the percentage to be allotted to the roads in the Omaha and Council Bluffs pool. They will also inspect the facilities of the various roads for handling cattle business at those points, preparatory to their making their allotment of percentages for the Nebraska range cattle pool. Mr. John C. Ganit, the third arbitrator, will meet Messrs. Bogue and Duncan in this city by the end of this week, when they expect to be able to make the award for those pools."

All this is doubtless true and Mr. Bogue may be in the city--in fact, it was positively stated on several occasions that he had been seen this morning. He has, however, avoided railroad circles and absented himself from the meeting at the transfer.

The St. Paul Pioneer Press of Tuesday last contains the following of local rail interest: Thomas L. Kimball, general traffic manager of the Union Pacific, was in St. Paul yesterday on his way west. Mr. Kimball owns a large cattle ranch near Ouster, on the Northern Pacific, and is making one of his periodical trips out there. Interviewed regarding the Oregon Navigation lease, he said there was no doubt but that it would go through. The Northern Pacific directors have approved it, and the Union Pacific directors will do so this week. They are to meet in Boston to-day or to-morrow. Mr. Kimball did not know whether the stockholders of the several roads would be called upon to ratify the directors' action or not. He understood, however, that the Northern Pacific stockholders, at their next annual meeting, would take the matter up, but he did not apprehend any unfavorable action on their part. The Union Pacific stockholders will not have the matter before them because the directors control a majority of the stock and what they say goes. Mr. Kimball did not think there would be any question of legality raised, as the proposed lease had been carefully examined by the respective counsels of the several roads in interest. The report that the Oregon Short Line would lease the Oregon Navigation property, and then make traffic arrangements with the two Pacific roads, he said, was unfounded. By such a lease neither the Union Pacific nor Northern Pacific would gain anything, as they now have about as close traffic arrangements with the Oregon roads as could be made. All the details of the lease have been agreed upon, and nothing remains to be done but its execution after it has received the approval of the several directors. Mr. Kimball said the report sent out that the Union Pacific offered the Milwaukee & St. Paul \$25,000,000 for its line from Omaha to Chicago, was the vilest nonsense.

A CRANK AT HEADQUARTERS. A genuine crank visited the Union Pacific headquarters yesterday and took in the whole building. He was of a religious turn of mind, and carried with him a large brass crucifix and three volumes on the evidences of Christianity. In each of the departments he delivered a sermon on the evils of this world, and urged his hearers to desert their wicked ways. He is traveling through the country paying special attention to the spiritual welfare of railroad men, and endeavoring to reclaim them from their estate of sin and misery. He has a large contract on his hands if he labors faithfully.

J. H. Lichtebeiger, assistant chief clerk in the office of the general superintendent of the Union Pacific, is confined to the house with a severe attack of sickness. D. L. Macaulay has been appointed city passenger agent of the Union Pacific at Chicago, in place of George Young, resigned. J. H. Borland, general agent for the Union Pacific at Salt Lake city, is in the city.

Released. Mrs. Jellic, a Bohemian woman living in South Omaha, was examined by the board of insanity last evening. It was proven that she was not insane. She is in the habit of getting up at night, it is alleged, and going around peering into neighbors' houses, looking to see if she could detect her husband bestowing his attention upon any of the females of the household. Dr. Tilden decided that the woman was not crazy--only wildly jealous--and released her.

An Alleged Heist. George Johnson, a traveling man, representing a St. Louis house, was in jail yesterday having been arrested on charge of attempting to defraud the Millard hotel out of \$12. Johnson, who is an honest appearing man with a reputation heretofore good, denies the charge.
