FINANCIAL.

NEW YORK, August 13.—MONEY—Easy at 1½ per cent.

PRIME PAPER—4@5 per cent.

EXCHANGE BILLS—Quiet at $4.85½; demand $4.87½.

GOVERNMENTS—Strong.

STOCKS—Were unusually irregular, at times feverish. As a rule the highest prices of the day were made in the first hour, and the lowest during the last hour. Market closed heavy, and within a small fraction of the lowest figures of the day. Grangers were prominent for weakness in the afternoon. St. Paul and Northwestern closed within ⅛c of the lowest quotations reached. Omaha preferred is also down 1½c. All old active Gould stocks, except Pacific mail, are also materially lower. The fact that the foreign bondholders agreed upon a reorganization scheme for the Wabash company, led to a material advance in both common and preferred of that company. Common closed with a net advance of 1⅞ and preferred ⅜ per cent.
