### DR. TREDICKAR'S PILLS.

### Brown Bread Pellets Doled Ont Suffering Patients.

Successful in all Cases But His Own -The Prescription That Finally Cured Him,

By Harriet Prescott Spofford.

There never was a more popular young physician than Dr. Tredickar. His manners were the perfection of the sympathetic; his tact and his judgment were only equaled by his devotion and skill; his personal magnetism was immense, and the cures he wrought were marvel-

Fresh from the hospitals as he was, and physician who had carried them through likely to go along the road with themselves to the end.

The event certainly justified their Tredickar could tell you what ailed you thinking of it twenty years ago.

by just looking at you, and many a good He was within 200 miles of Waukesha, by just looking at you, and many a good woman averred that she was more benefitted by his touch upon the pulse than

by another dector's prescription.

Very possibly she was, for Dr. Tredic kar gave very little medicine; the case was extreme in which he sent much cuetom to the drugglat. He carried about with him in his glg certain medicaments that he was wont to administer, apparently potent, and made up under his own formula. From a peculiar l'quid in a vial he measured one drop; if, by any acsingle drop tried again; to this drop a springs. There's nothing left but old half glass of sweetened water being added, the patient was allowed a teaspoonful Now, let me tell you, Tredickar, there's

It was generally understood that this enormous in cost; and the gratitude his patients felt for the kindness of his thus procusing and keeping on hand what by the rapidity with which they picked for all I know, a healing gift."
up health and strength under its effect. "Natural bone-setter! Pa
