CRANKS OF THE CLOTH. Eccentric and Impious Preachers Bringing the Profession into Disrepute.

A crazy preacher of the Sam Jones stripe, but with far less sense and decency, is at present holding forth in the back-woods of Ohio.

Dr. M. S. Rogers, of Marion, Mass., says: "I have prescribed Brown's Iron Bitters in cases of anemia and blood disease, when a tonic was needed, and it has proved thoroughly satisfactory."

MINES AND MINING. Recent Discoveries—Some Rich Finds—The Mineral Resources of the West.

The Mormon Find. EL PASO, Tex., August 19.—The important announcement comes from Colorado, Mexico, to-day that the Mormon colony which recently located there have discovered a silver bonanza.

First Discovery of Gold in the Rocky Mountains. Park County (Col.) Bulletin. A good deal of interest has always been attached to the question where the first gold was discovered in the Rocky mountains.

Deadwood Mines. Redding Independent. The five-stamp mill at the McDonald mine is kept running day and night, and the property is to be sold.

The Case of Marshall. Several eastern papers have referred to the fact that the state of California did not provide for the alleged discoverer of gold in its latter years as in a negative sense an act of ingratitude.

A Dreadful Disease. Read, ponder and profit there is Kemp's Balsam for the Throat and Lungs, is conceded by all who have used it to equal preparation in the market.

Exceedingly Rich Deposits Found in the Caves of Battle Mountain, Colorado. RED CLIFF, Col., August 15.—Last evening it was reported in Red Cliff that an extensive cave had been encountered in the working of the Percy Chester mine on Battle Mountain.

The Region of the Congo. The exploration of this part of Africa opens up a vast field for American commerce. The chief drawback is malaria, which attacks strangers and prostrates the natives.

The Way to Anchor that Button. He drifted into a simple saloon the other day, wiped his forehead, felt around in his pockets, and said, with a pleasant smile:

When baby was sick, we gave her Castoria. When she became a child, she clung to Castoria. When she became a woman, she gave the same.

several times already, and now the new owners believe themselves millionaires. Here is another apt illustration of the peculiar and strange anomalies of the so-called successful miner.

Discoveries in Oregon. Baker City (Ore.) Sagebrush. The last stage from Pine Creek brings in the news that prior to the departure of the stage from Cornucopia parties were arriving in camp, bringing with them the specimens of ore from new discoveries.

An Oregon Camp. We clip the following from the Boise Statesman of July 28: Mr. Kelley, an old-time miner, returned from the newly discovered Pine Creek mines, situated in Union county, Ore., about northeast of Baker City.

The Voice of the People. The people, as a whole, seldom make mistakes, and the unanimous voice of praise which comes from those who have used Hood's Sarsaparilla fully justifies the claims of the proprietors of this great medicine.

Advancing Civilization in India. St. Louis Globe-Democrat. A sign of advancing civilization in India, reported by the Bombay Times, is that the custom of wear shoes has been adopted by all, even the very poorest, inhabitants of the presidency.

Smoke G. H. Mack & Co's Cat Cigar. Cleveland, O., Celebrated. Finest 3 for 25c cigar in America, and Excelsior to Cigar For eminent not scratch.

Man and Beast. Mustang Liniment is older than most men, and used more and more every year.

Nervous Debility. Presumptive Decline from errors of excess. Lost Power. Diseases of the Kidneys, Bladder, and Prostate.

Man and Beast. Mustang Liniment is older than most men, and used more and more every year.
