WELT PERFECT GOOKING STOV

E.CZEMA.

**ELOCATIONAS**. Tor the benefit of suffering humanity, I deem it only my duty to give this unsolicited testimony in tavor if Switt's Speciac. My wife his been afflicted with Eczems from infancy. We tried every known remedy, but to no avail. She was alto sflicted with a portodical nervous hezdache, sometimes followed by an informitant fever, so that her life became a burden to her. Finally I determined to try Switt's specific She cromenced seven weeks ago. After taking the first large bottle the disease seemed to increase; the burning, itching and infamation be-me of the medicine. After taking the second bottle the infamation becam to subside. After the third bottle the inflamation disappeared, and sore spots bottle; every appearaces of the disease is gone, and her fish is soft and white as child's. Her head-the shale and white as child's. Her head-sches have disappeared and she enjoys the only good health she has known in at seers. No wonder the deter have disappeared and she enjoys the only good health she has known in at seers. No wonder the deter have disappeared and she enjoys the only good health she has known in at seers. No wonder the dense severy bottle cf. S. S. is worth a thou-and times its weighten gold. The therefully given by herself at her residence, 185 M. F. BRADLEY, 45 Grisweld St.

conferring temporal benefits, of curing illness or warding off evils. They are usually found by priests burled in some

neglected spot. Their existence is re-vealed in a vision, a pilgrimsge is formed to discover them, and when found they are carried in triumph to the places they are intended to adorn. Groups of pilgrims may be seen in all parts of Russia searching for loons or ful-

filling some vow made to them. When ever I ring for my waiter, his first act after opening the door of my room is to bow to the fron over the window. When I open a shop door a bell rings and a lit-

tle icon pops out, to whom the shop-keeper first does homege before he waits icle. The Romanov dynastny owes its origin to the Polish invasion of Russia in 1610, during which the line of Russik became with icons in them, the churches are full on me. In the streets there are chimes extinguished. In 1611 a general sssem-bly of Russian nobles was held at Nijuif of them, and one hangs over the archway that leads into the Kremlin, to whom Novgorod to organize a revolt against the invaders, and an army was called together When the French entered Moscow a com-

Nervous Debilitated Men,

noble of Prussian extraction, and Metro-politan of Rostof), was crowned czar on July 11 of that year. It is from this youth that the reigning emperors trace their descent in studying the institu-tions, policy and customs of Russia it is impossible to lay too much stress upon one composite character of her people, their diffusion over a vast territory, the influence of two centuries of Tartar rule and the continual growth of the empire by means of accessions chiefly from Asiatic

"Ed" Stokes,

powers. These circumstances alore serve Salt Lake Tribune. to explain the continuance of autocratic An eastern journal prints a long ar-ticle on "The Remarkable Career" of government and the preaent attitude of the people. It is probable that no other "Ed" Stokes. It recounts the facts up form of government would have been to the time he completed his term of imsuccessful with them. The best proof of prisonment for killing Fisk, then says he this lies in the devotion of the people to the czar, which I can testify is of the as lost by the few who had not quite

It is one of the gravest mistakes to suppose that Russia is filled with nihillists. Nothing of the sort. The Russian peasant is a good-natured, hard-working, hard drinking and hard-blitting on the sort. hard drinking and hard-hitting animal, who eats and steals all he can, displaes the to be a familiar figure on Wall street priest, venerates the czar, and is always The other day he was elected president of Eighth streets — a very desirable site — and would be a credit to any city. ism nor any other hm ever enters his a formlaable corporation, and now head, which is commonly too full of vodka every one in New York calls him, "Mr. Stoker." It is an interesting s'ory truly, to hold anything else. The discontent we hear so much of in the English news. and shows that there is a great deal in serting that if he were defeated for that papers is partly imaginary, partly due to the man. Not many could rise from a the ambition of that very small middle class in Russia which hitherto has endespair so low, and we would not if we mocracy of Otoe would certainly go tocould, dim in the lesst the lustre of the joyed so few opportunities of advanceachievement. But it takes nothing from ment. Bat Russia is changing rapidly, Stokes to have the truth told. He was and, under the workings of the emancipation act, the middle class in the course of He made the acquaintance of a very galanother generation or two will have lit. lant and rich man. The rich man, with tle cause to complain. The late emperor out any noise, backed Stokes and he of Russia, intending to grant constitu- bought a sliver mine, developed it and tional government to his country, had a sold it, clearing it is said \$300,000. With constitution drawn up, which still lies in that he bought the Hoffman house, and one of the ministerial offices in St. New York people, with an unfailing in-Petersburg ready to be promulgated stinct, recognized that it was time when the proper occasion occurs. By his to stop saying mean things about unfortunate death this great reform has been deferred, but not for long. "Mr. Stokes." They merely recog-

CONDITION OF THE PEASANTRY. nize that he is rich and that is enough I can see many signs of change and improvement since my previous visit to this country in 1872. For centuries the Russian account has that he is rich and that is enough. The things which he really deserves credit for they never think of. When all the east was closed against him he had this country in 1872. For centuries the Russian peasant had scarcely any idea of personal liberty. He was liable to be worked to death, to be unlawfully and excessively taxed, to be torn from his excessively taxed, to be torn from his family and sent into the army or to Si-beris, and to see his children similarly tracted one man's attention and interest, treated. In 1767 a Russian serf owner, a the one man of all the millions of the woman, was convicted of having done to union he would probably never have

woman, was convicted of having done to death by inhuman torture during a course of ten years not less than 100 of her serfs among them several young girls of not over 12 years of age. Another female fiend picked a boy to death with a pen-

In his annually. Carlyle used to say England practical farmers and others have gone account of the campaign of Vespasian in had a population of 35,000,000 people, Gaul occurs the following: Epponia, a mostly fools. My experience here leads into business or into the legal profession and helped swell the rising middle class. lady of rare beauty and accomplishments, me to think much the same of this land The peasant has of late years fallen heir to new privil'ges and new duties. The administration of justice has greatly imand of noble birth, being informed that of the free, the home of the brave and her husband Sabius, a Roman who had the saylum of the crank. I have seem reducated, but do not lack in shrewdness end common sense. Sharp dealing in trade, assaults and battery, and drunk. trade, assaults and battery, and drunkenness they look upon as venial faultr. but burglary, areon, highway robbery and the graver crimes are dealt with sternly and upon the whole very fairly. LOCAL GOVERNMENT BOARD.

Among the new institutions established by the late emperor is the zemstoo, a sort f local board of supervisors. It is not ancommon to find these compored partly of nobles and partly of peasants, the latter largely in the majority. No traces of antagonism Letween these classes evince themselves. The nobles do most of the talking, but the peasants pet for

themselves and do the voting. When they rise to speak they are clear, practi-

cal and to the point, and are invariably listened to with respectful attention by all present. None of that bitter feeling all present. None of that bitter feeling between capital and labor manifests itself that is so common in Germany, France and England. This is partly due to old thes, partly to the clever management of the Ruesian fibrancial system, which dis-tributes the burden of taxation very fairly among the people, and partly to the system of holding the people, and partly to the system of holding the people, and partly to the system wife, standing erect and looking into the Wa?'

tributes the burden of taxation very fairly among the people, and partly to the system of holding the lands in common. A great part of the soil of Russia, which, but a few years ago, was held by her great nobles, is now the property of the rural communes, and more of it is passing into their honding to the sould commend and the two words and the sould communes, and more of it is passing into their honding to the sould common demonstration of the based the two words and the sould communes, and more of it is passing into the sould common demonstration of the sould communes and more of it is passing into the sould common demonstration of the sould common demonstration of the based the the sould communes and more of it is passing into the sould common demonstration of the based the the would rather seek to renof holding the lands in common. A great part of the soil of Russia, which, but a few years ago, was held by her great nobles, is now the property of the into their hands every day. Of course there is room for improvement, and as an American I can see many ways in which the condition of the people might be im-proved, but Russia is doing very well. Another Subscript of Fays Up. the condition of the people might be im-proved, but Russia is doirg very well. She has had historical conditions and cir-cumstances to deal with which the

STOCK YARDS TRAINS. Leave Union Pacific depoi at 6 40 a m and

day,

atealing scross the vision like a passing strapped to satchel, puffing a cigarette; a splendid one, and the Union Pacifics course I have. I'm so used to catching angel, having with it the eder of strange he never has his ticket out, but fumbles would have to work hard to make any- the last train that—whoop! hold on!" flowers, placked by unseen hands, in for a half-hour at the gate, delaying the thing like an even showing with them. In sease. We do not understand it on the countries of the c whole growd behind him until you heat a Chester county country girl-more slangy than polite-1. the rear whisper to her companion, 'Sombody ought to slug the saying these words. And whats delight-ful thing it is to help to make him feel

girl in the ladies' waiting room that flirts As the result of this treatment she says, weather? W with the gents in the waiting room are "I feel batter than I have for a long Powder lasts here every day. An American pirl when time and I believe I am cured."

little man, dropping into a seat and mop-

The rosy freshness and a velvety soft ness of the skin is invariably by those who use Pozzoni's Complexion Powder.

The board of equalization convered

yesterday morning, and will be in session until this afternoon, to hear complaints relative to paving, curbing and guttering in cortain districts.

What powder will I use this warm weather? Why Pozzori's Complexion Powder lasts longer than any other, and

Board of Equalization,

ping his brow with his handkerchief.

"This train? Well, 1'm blamed; of the last train that-whoop! hold on!' and the little gentleman bolted through the door for the cars.
