Special Telegram to The Bee. PLATSMOUTH, Neb., Sept. 19.—At the county republican convention held in Louisville to-day, the following ticket was placed in nomination: Treasurer, D. A. Campbell;

While the president is personally anxious that the administration should be democratic this fall, the administration does not seem to take an active part in the canvass in these states, and the anxiety for this statement is a member of the K. K. party.

After remaining some time they found that the climate was against her, and she was at present on her return to Philadelphia, hoping that she would have better health there.

It is a declaration expressing the party approval of the administration course which will be made a part of the platform, and a similar central New York democrat has pronounced that it will not be omitted.
