A Furious Foot Race to Sell Wheat, Led by the Bears.

VALUES TAKE A LONG TUMBLE.

A Reverse Condition in Provisions as to Price—An Immense Amount of Pork Changes Hands—The Live Stock Markets.

CHICAGO GRAIN MARKET.

CHICAGO, Jan. 15.—[Special Telegram.]—WHEAT—There was an enormous speculation in wheat again to-day. Values were just barely steady, but on a declining scale for the first two hours. The opening was ¾@⅞c above yesterday's closing, a prospective decrease of 750,000 to 1,000,000 bushels, and reported heavy purchases on account of a New York combination, being the principal elements of strength. The temper of the crowd was nervous, however, and a desultory trade on a large scale was the feature of the early hours. Later information reached here of an actual export shipment of 8?00,000 in gold by Brown Brothers, and rumors of additional quantities to go out soon. A few big houses just took advantage of the news. They began selling May when it was about 86c. The crowd quickly caught on, and the fury to sell broke the market to 84⅞@84¾c, the lowest point yet reached. From 86c to 84⅞@84¾ it was a foot race. Bears who had been waiting for a chance to get on top were crazy to sell, and bulls who were waiting for an excuse to unload struggled to the front. The only purchasers were shorts, who were willing to take in the profits. From 10:30 to 1 o'clock the amount of business transacted was very large, and the excitement great. The closing at 1 o'clock was on a basis of 84¾@84⅝c for May.

MIXED GRAINS.—Corn was dull and slightly lower. Oats were dull and steady.

PROVISIONS.—The pit was the scene of excitement and exceptionally heavy trading. Prices of the hog product were higher all around, pork advancing 20c, and lard and ribs following. Dealings were chiefly in pork and in May lard. May pork opened 7½c higher and advanced to $10.10, dropping back afterwards to $10.82½, where it rested at the close. Over 100,000 barrels of pork changed hands.

AFTERNOON BOARD.—Wheat was fairly steady on the afternoon board, but closed very nervous. Other cereals unchanged. Pork advanced 5c and received 2½c. Provisions may be quoted as excited and strong.

2:15 p. m.—Puts on May wheat, 84⅞c; calls, 85½c.

CHICAGO LIVE STOCK.

CHICAGO, Jan. 15.—[Special Telegram.]—CATTLE—For cattle the demand was active, and prices at least 15@25c higher than Tuesday and Wednesday, but the advance was mainly on fresh arrivals. About everything that was useful or carried a fair per cent of flesh and fat, sold 15@25c higher. Canning stock, cow stock and bulls sold a shade higher. Stockers and feeder trade continues steady, with little or no variation in prices. Shipping steers, 1350 to 1?00 lbs, $4.30@5.50; 1200 to 1350 lbs $3.90@4.50; 950 to 1200 lbs, $3.50@4.25.

HOGS—Trade active, with shippers booming the market to the extent of an advance of a strong 5@10c as compared with the close last night, and 10@15c as compared with the opening yesterday morning. Prime assorted heavy shipping grades sold at $4.10@4.20, and good to choice packing sorts at $3.80@4.05. Packing and shipping, 250 to 400 lbs, $3.90@4.15.

FINANCIAL.

NEW YORK, Jan. 15.—MONEY—On call easy at 1½@2 per cent.

PRIME MERCANTILE PAPER—4@5 per cent.

FOREIGN EXCHANGE BILLS—Dull at $4.86½ for sixty days, and $4.89 for demand.

GOVERNMENTS—Dull, but steady.

STOCKS—Stocks were firm until about noon, when it was announced that Brown Bros. & Co. had engaged $500,000 in gold for shipment to Europe to-morrow, and this appeared to be a signal for a heavy selling movement that drove prices down ¼ to 1½ per cent. Later there was a reaction for fractional amounts, and in the last hour a feverish, irregular and weak market until the close. There was a plentiful supply of reports of cuts in passenger rates east from Chicago and west from New York. The decline, compared with last evening, is 1 to only 2 per cent for the most active stock, the market closing at or near the lowest figures of the day. Lackawana shows a loss of 2¾, and Delaware & Hudson 2¾ per cent. Vanderbilts were freely sold, both for long
