Business Letters: All business letters and remittances should be addressed to THE BEE PUBLISHING COMPANY, 214 and 216 FAIRBANKS ST., OMAHA, NEB.

The Bee Publishing Company, Proprietors. E. Rosewater, Editor.

The democratic coal oil senator from Ohio is in hot water just now.

St. Paul has built an ice palace. Omaha is content with a snow-sled.

Montreal is still struggling with the small-pox. The cholera could not have paralyzed the place any more.

The New Orleans gas meters have been frozen, but the gas bills will have to wait until the end of the month.

President Cleveland's first state dinner is pronounced a brilliant success.

The Chicago Herald publishes illustrations of the Illinois infantry uniforms.

Paddy Ryan has backed out of his proposed fight with John L. Sullivan.

Hot-house strawberries are selling in New York at \$4 per box.

They are talking about another bridge in St. Louis.

When the white house capitulated to the gold bugs they thought it a very easy matter to capture the capitol.

General Pope is to be retired from the army February 15th.

Mr. McKee, of New Mexico, proposes to organize a company of rangers to shoot down all the Indians in the territory.

The enthusiasm in the woman suffrage movement in Vermont is evidently dying out.

It has been found that under the vast tracts of sage-brush in Nevada there is a rich, deep, loamy soil.

Congressmen will no doubt feel very grateful to Mr. Coleman, the commissioner of agriculture.

A new Mexican office to capture every Apache life is given 500 men and 50 bloodhounds.

The Omaha exposition directors are greatly troubled over Gen. Test's weather predictions.

Mr. Charles E. Perkins, president of the Chicago, Burlington & Quincy railroad company.

The Chicago Herald says that as soon as it was discovered that a single robber stopped the Des Moines stage in western Nebraska.

In 1877 there were only 780 telephones in use in this country.

Chicago has adopted the Omaha method in handling the saloons on Sundays.

Arbitration by Commission.

Among the grave problems of the day which occupy the attention of the ablest minds on both sides of the Atlantic is the amicable adjustment of the differences between wage-worker and employer.

Acting upon this idea the governors of several states, notably those of New York and Iowa, have recommended the enactment of laws creating boards of arbitration.

point the sturdy anti-monopoly commis-

point the sturdy anti-monopoly commissioner—the only one on the board not bound by the shackles of corporations.

While Mr. Hill's position on the transportation question and his action in regard to the coming vacancy in the New York board of railroad commissioners do not concern us directly, we deem it proper to caution Governor Hill against a very serious blunder.

Every year the storms are reported as "the worst for forty years," but the worst is yet to come.

That Libel Suit. Hastings Gazette-Journal: This will give the public another advertisement, and that's about all that will come of it.
