activity was at the expense of quotations. The conspicuous feature this morning was the activity and weakness in Western Union, which opened at 68 and sold down to 64⅝. From this there was a slight rally in final dealings, and the stock closed with a net loss of 3 per cent. The remainder of the list, on reports that further serious trouble had taken place on the Gould roads near St. Louis, weakened, and continued so during the afternoon.

OMAHA WHOLESALE MARKETS.

Friday Evening, March 12.

General Markets.

EGGS—The market continues about steady. The city trade fails far short of consuming the supply and the surplus stock is sold to shippers. Heavy shipments are being made to New York and San Francisco. Sales of round lots are made at 10c. Single case lots are sold for the most part at 10c, a few going as high as 11c. A country shipper may realize on his shipments to this market 10½c, or even 11c, but it is not safe to anticipate over 10c at the present time.

BUTTER—The market continues about steady at former quotations. Choice dairy butter is in good demand, but there is very little coming in. A greater portion of the receipts of medium and inferior grades is turned over to the butter packers where it is reworked and shipped to eastern markets. The city trade will take nothing except the best grade, only the very choicest grades of table butter will bring top prices. The scarcity of choice sweet butter is comelling consumers to use imitation butter to a much greater extent than they would otherwise. Country shippers by handling their butter with more care so that it will present a better appearance on its arrival to market, would realize better prices in many instances. The following are the prevailing prices: Choice rolls are quoted at 13@16c; fair to good, 8@10c; inferior, 4@6c; creamery, in 1 lb bricks, 30c.

CHEESE—Fancy full cream cheddars, October make, 11½c; flats, 12@12½c; young America, 13½c; first quality Swiss cheese, 16c; second quality, 13@14c; brick cheese, 16c; Limburger, 11@12c.

POULTRY—Both the receipts of poultry and the demand are light, while all the choice stock coming in sells fairly well in a small way, the season for the heavy demand has passed. Choice dressed chickens are quoted at 8@9c; choice geese and ducks, 9c. A few live fowls have been received, but have sold very slowly, as the trade does not appear ready to handle them as yet. They are quoted all the way from $2.75@3.25.

GAME—With the exception of a few ducks nothing has been received in the line of game worth mentioning. Prices for the most part are nominal. Prairie chickens, per doz, $2.50; quail, per doz, $1.25@1.50; jack rabbits, per doz, $3.00; mallard ducks, $2.25@2.50; teal ducks, $1.25@1.50; mixed ducks, $1.25@1.50; small rabbits, 75@90c; geese, $3.00@3.50.
