OMAHA LIVE STOCK.

Friday Evening, April 9.

The receipts of both cattle and hogs were more liberal to-day, and the market presented a very active appearance.

The cattle market was about steady, values remaining the same as yesterday. Choice to extra steers, averaging 1,400 to 1,500 pounds, $4.65@4.80; good, averaging 1,200 to 1,350 pounds, $4.25@4.55; medium, averaging 1,100 to 1,200 pounds, $3.85@4.20; good to choice cows and heifers, $3.30@3.75; medium, $2.75@3.25; choice to extra stags and bulls, $2.50@3.00.

There was considerable change in the condition of the hog market. Yesterday the light receipts had a stimulating effect upon the market, and values were forced above what they would naturally have been, had the receipts been more liberal. To-day the market dropped back to its proper level, on account of the heavier receipts. The demand was good, and the pens were cleared, with the exception of one very poor load, with a good many sick hogs, which was not wanted. Rough and long-teated sows, small pigs and skips are almost unsalable at any price. Choice light and medium weights, $3.80@3.90; choice heavy, $3.75@3.85; good to choice mixed, $3.70@3.80; common rough grades at $3.45@3.60.

There is some demand for sheep, and good butchers' stock is selling at $4.00@4.25.

OMAHA WHOLESALE MARKETS.

General Markets.

Friday Evening, April 9.

EGGS—Sales were made mostly to-day at 9½c, in single case lots, to the local trade. Shippers will only pay 9c, so that all surplus stock has to go at that figure.

BUTTER—There is great difficulty in supplying the demand for choice grades of butter. Poor grades continue to sell slow, but choice butter goes readily at good prices. Choice creamery, 25@30c; choice fresh table, 16@18c; good fresh table, 12@14c; fair, 8@10c; poor, 3@6c.

CHEESE—Fancy full cream cheddars, October make, 11½c; flats, 12½c; young America, 14c½; first quality Swiss cheese, 15c; second quality, 12½@14c; Limburger, 11@12c; skim flats 9@10c.

POULTRY—The market is nearly bare and the demand is good, especially for chickens. As the warm weather approaches there is more inquiry for live chickens than for dressed. Good live chickens sell readily at $3.50. Dressed chickens are in demand at 10@11c; ducks and geese, 10@11c, turkeys, dressed, choice, 10@12c.

GAME—There is very little coming in aside from ducks and a few geese. It is a difficult matter to give a quotation in ducks. The warm weather is compelling dealers to sell for what they can get, and there is a very noticeable falling off in the demand. Eleven dozen large ducks were sold to-day at 50c per doz. Geese are quoted nominally at $2.50@3.00.

PRESERVES, JELLIES, ETC.—Preserves, all kinds, 20-lb. pails per lb. 10c; do in pail ots, per lb. 9½c; assorted 5-lb. pails per crate, 1 pails, $3.75. LEMONS—The lemon market has taken an "early boom" this season. Dealers were inclined to consider this only temporary, but judging by recent advices from abroad and the small shipments in transit to eastern parts, the reports of only one-third crop seems to be correct for once, and prices are liable to stay up all season; fancy Messina, per box, $5.50; choice Messina, per box, $5.00.
