OMAHA LIVE STOCK.

Monday Evening, May 24.

CATTLE—The receipts of cattle were light to-day and there were not many on the market. The demand continues good, and good cattle of all grades are wanted. Hammond was compelled to ship in another train of cattle to-day to supply the packing house. The market here for cattle is very high in comparison with Chicago. Several trains of cattle that have been shipped through lately have brought their owners less money in Chicago than they were offered here. The market to-day was about steady at Saturday's quotations.

HOGS.—The receipts were liberal for a Monday. The market was about 5c lower than on Saturday on accennt of the reported decline in Chicago. J. E. Boyd, Sheeley & Co., the Anglo-American Packing Co. and G. H. Hammond & Co. each had buyers on the market to-day and everything was sold before the close. The demand is good and more than equal to the receipts.

SHEEP.—There is not much doing in the market, only one small bunch changed hands to-day.

Thos. Harris, Central City, sold two loads of hogs.
A. Mandlebaum, Blue Hill, marketed a load of 61 hogs.

Hawks & Knoble, Cedar Rapids, marketed three car loads of hogs.
D. D. Spaid, Hartwell, sold a load of 82 hogs on to-day's market.
S. S. Squires was at the yards to-day and marketed 61 head of sheep.
Keine & Maloney, Albion, frecent shippers to this market, sold three loads of hogs to-day.
Two loads of hogs which were weighed up to-day but sold yesterday, before the decline, brought $3.75.
C. Nichols, Albion, was present at the yards to-day and disposed of a load of cattle and two loads of hogs.
A train of cattle which passed here recently and for which a good strong price would have been paid had the owners been willing to sell here, was sold in Chicago at a loss of several hundred dollars to the owners. Such costly lessons as this are convincing shippers that Omaha is a good market.

OMAHA WHOLESALE MARKETS

General Markets.

Monday Evening, May 24.

EGGS—The warm weather has stopped shippers and commission men are forced to depend upon the local trade to dispose of their receipts. The arrival in the market of fresh vegetables and fruits has a tendency to lessen the consumption of eggs, and low prices are anticipated for a time. Dealers are already beginning to candle their eggs as the weather is becoming warmer, and country shippers would do well to do the same, to avoid paying express on spoiled eggs. Sales were made to-day at 8@8½c.

BUTTER—The receipts are heavy and the demand from the local trade correspondingly light. Only strictly choice, uniform packages will bring outside quotations. The sale for even the very best grades is limited and commission men are compelled to dispose of the greater part as best they can. While the receipts are so liberal the trade is very particular and will only take the best, so that care should be taken in handling it and packing for shipment. There is very little demand for creamery. Choice table butter, 10@12½; fair to good, 6@8c; inferior, 4@5c; creamery, 13@15c.

CHEESE—Fancy full cream cheddars, new make, 11c; flats, 12c; young America, 12½c; first quality Swiss cheese 15c; second quality, 12½@14c; Limburger, 11@12c; skim flats, 9@10c.

POULTRY—The receipts of old fowls are liberal and the demand fairly good. Hucksters and farmers are bringing in a good many which they are selling at low figures and which weaken the market for the commission houses. Extra fancy stock may go a little above the quotations but it will not do for shippers to anticipate more than the quotations. A few spring chickens have been received but not enough harldy to make a market. Old fowls, per dozen, $3.00@3.50; spring chickens, per dozen, $3.50@4.00.

PRESERVES, JELLIES, ETC.—Preserves, all kinds, 20-lb. pails per lb. 10c; do in pail lots, per lb. 9½c; assorted 5-lb. pails per crate, 6 pails, $5.75. ORANGES—The arrivals are more liberal but the market is firm. Los Angeles are quick sale at $4.00.

CHERRIES—A few cherries have been received, and are commanding fair prices when in good shape. Southern cherries, per stand, $10.00; do, per drawer of 18 qts, $2.50. California, per box, $2.50.

STRAWBERRIES—The market is well supplied with Missouri and southern Illinois berries and prices rule low. Two bushel stands where a little soft, being sold at as low as $6.50 and 24 qt. cases at $2.00. Best selections however sell at much larger prices. Fancy Wilsons in good shipping condition are quotable at $8.00 per stand or $3.00@3.50 per 24 qt case. Sharpless and other extra fine varieties bring as high as $9.00, per stand or $4.00 per 24 qt. case.

LEMONS—The market is very strong. With continued warm weather much higher prices may be anticipated. Reports from New York this morning show an advance of 50 to 75 cents per box. Our market is as yet proportionately low and stocks in hands of jobbers lighter than ever before at this season of the year. Fancy Messina, per box, $7.00@7.50; good per box, $6.75.

BANANAS—Yellow Aspinwal's, $3.00@$4.50; Red Baraccoa, $2.50@$3.50.

BANANAS—A car of fancy Aspinwall and Red Baraccoa is expected this week. Yellow Aspinwalls, $3.00@4.50; Red Baraccoa, $2.50@3.50.

PINE APPLES—Per doz, $3.00@4.00.

CRANBERRIES—There is very little demand and there is not much stock being sold. Dealers are clearing up their stocks as best they can. Quotations are $5.50@6.00 per bbl. Jersey are selling at $2.00 per bush box.

COCOANUTS—Per 100, $5.00; less than 100, $5.50.

POTATOES—The market is in a very unsatisfactory condition and the majority of dealers do not care to handle any potatoes at the present time. As a general thing about this season of the year they are not plenty, and command good prices, but this year there are apparently a good many more than usual, and the supply is in excess of the demand. There is no sale at all for car lots and it is no easy matter to give a quotation that will suit all cases. Choice stock has sold this week at 25 cents, while a few sales of a few sacks of extra good stock have been made at 40c. New potatoes which are being shipped in from the south and west and Salt Lake potatoes, help to lessen the demand for old stock. Salt Lake potatoes are quoted at 50@75c. One car load of poor Nebraska stock was sold to-day for $50.00 on track. Freight charges on the same amounted to $45.00.

NEW CALIFORNIA VEGETABLES—Carrots, per lb, 3c; parsnips, per lb, 3c; turnips, per lb, 2c; potatoes, 3c; onions, 4c; beets, 3c.

BEANS—The supply is liberal and the market is dull. A good many California beans were received while the freight rates were down, and are being offered at very low prices which keeps down the prices of home grown stock. Inferior stocks, 75c@$1.00; good clean country, $1.25@150; medium handpicked, $1.50@1.40; hand-picked navy, $1.40 1.60.
