THE LAND ORDER REVERSED.

WASHINGTON, June 4.—A circular issued from the department of the general land office to-day, signed by the commissioner and approved by the secretary of the interior...

Going for Sparks.

WASHINGTON, June 4.—[Special Telegram to the Bee.]—The western and northwestern members and senators are very indignant over the issuance of the following order:

"To registers and receivers: The repeal of the pre-emption, timber culture and desert land laws, being now the subject of consideration by congress, all applications to enter lands under said law are hereby suspended...

Representative Dorsney had prepared a resolution of inquiry to introduce into the house to-day, asking by what authority a circular of the government could suspend and annul the laws of the United States...

It is simply infamous and outrageous, transcending all precedent, even that of the Nebraska delegation in congress is unanimous in this opinion.

ST. LOUIS, June 4.—A special telegraph from the closing speech for the state in the Maxwell case and a few minutes later the jury retired...
