The Marysville Tragedy.

STAPLEHURST, Neb., Aug. 3.—(Special to the Bee.)—Sunday night, about 7 o'clock, on the farm of John Lutke, four miles west of town, occurred a tragedy which has shaken this community from center to circumference—a double murder and suicide. The facts are about as follows. About a year ago a young man by the name of Frederick Elde was employed by John Lutke, a farmer. Shortly after his employment he began paying his addresses to a sixteen year old daughter of his employer. The parents objected, principally on account of the youth of the young man, but he persisted, and finally secured the girl. He then went to the house of the girl, and there he held her in his arms, and she was found dead in the house or to trespass upon the premises. He then swore vengeance, declaring that if he could not have her he would kill her. On Sunday evening, when the girl and a younger brother went to the pasture for the usual purpose, he followed them, and in a field he shot them both dead. He then returned to the house, and there he shot himself dead. He then advanced to the father, and when he saw that the father had his revolver, he took it and fired it through the breast of the father. He then returned to where the girl and the younger brother were lying, and there he placed the pistol in his own hand, and he blew out his brains. Two dead bodies lie not far over three feet apart. Mr. Lutke, after being shot, seemingly aware that he was fatally injured, tried to get up, but he was unable to do so. He then called to his wife, and she only three shots were fired, each bullet took a human life. Mr. Lutke is one of the oldest settlers and was highly esteemed in the community. The tragedy has shocked the entire community. Sheriff Adams, acting coroner, empaneled a jury and at the same time rendered in accordance with the above facts.

Everybody Happy Over Rain.

CAMBRIDGE, Neb., August 3.—(Special to the Bee.)—The dry spell is broken. It began to rain last night about 8 o'clock and continued until about 1 o'clock. Every farmer says there will be lots of corn. Early corn is badly damaged, but late corn is all right. Small grain is good. Oats are a little light in weight but a good yield.

Good Crops in Butte County.

OAKLAND, Neb., August 3.—(Special to the Bee.)—The yield of wheat in this vicinity is about thirteen bushels per acre, and never so high in the county. Oats were never better both in quantity and quality. The late corn has been benefited by the recent rains, and if we have a late, dry fall, with no frost, Butte county can count on two-thirds of a crop. Farmers are feeling happy since the rains.

Clothing Dealers Fail.

BEATRICE, Neb., August 3.—(Special Telegram to the Bee.)—R. N. Townsend & company, clothing and gents' furnishing goods, were closed by the sheriff to-night on an attachment of Farwell & company of Omaha. The firm has been in business but a few months.

Too Free With His Knife.

COLUMBUS, Neb., August 3.—(Special Telegram to the Bee.)—Henry Bashette, a German living six miles northeast of Columbus, Neb., was arrested by Sheriff Adams, in-law interfered, whereupon Bashette assaulted him with a knife. He was brought before the court and bound over to the district court.

THEY BELIEVE IN OMAHA.

Nebraska Stockmen Who Transact Business in South Omaha. The rapid growth of the live stock interests of Nebraska and the wealth and prosperity resulting to the state is frequently commented upon, and is always an interesting topic. The men who are doing so much to develop the resources of the state are among the most live and enterprising citizens in the community.

A Fool's Errand.

CHADRON, Neb., August 3.—(Special to the Bee.)—The sheriff of Cheyenne county arrived in this city early last week in search of a school girl and hearse, who, he had been informed, had left her home and went forth to capture the hearts of the cowboys in the northwest. It appears the official was sent on his errand by a neighbor, who, what is known as a detective, carried a "pigeon," containing a description of the "hearse" above mentioned. Armed with this letter the officer reached Chadron, and there, after searching the many places in the town, succeeded in finding in one of the courtrooms the long lost school girl, who, by the way is somewhat handsome and quite young in years. For two days he visited her from day to day and in fact he pumped her incessantly as to her parentage, etc. In the mean time she "worked" him for \$75.

A Sad Drowning.

SOUTH BEND, Neb., August 3.—(Special to the Bee.)—The little three-year-old son of M. E. O'Brien, of the state fish hatchery here, was drowned in one of the fish ponds yesterday afternoon. The lad was playing about the house at about 4:30, and had hardly been out of his parents' sight when a neighbor's name running in the hedge struck the little boy had fallen into one of the fish ponds. Mr. O'Brien hastened out to the pond indicated and there discovered his son's hat floating upon the water. He plunged into the pond, and when he was only about five feet deep, and he soon found the body lying at the bottom. He tried to shore, but all efforts to resuscitate the boy were in vain. His life was already extinct. The bereaved parents have the hearty sympathy of the entire community in their affliction.

Held For His Crime.

YORK, Neb., August 3.—(Special Telegram to the Bee.)—Charles Mathews, the man who shot Andrew Doran near Bradshaw the 19th ult., was given a preliminary hearing before Judge B. B. Bradshaw, and was bound over to the district court in \$2,000 bail. He made no attempt whatever to secure bail and was brought back to this city by Sheriff Hamilton and lodged in jail, where he will remain until December. Mrs. Doran, the wife of the victim, was present at the hearing. Her evidence confirms the statements heretofore published in nearly all the details. Mrs. Doran is in a very delicate condition. The wounded man lies in a precarious condition and may yet die from the effects of his wound.

Farmers Moving For Self-Protection.

OAKLAND, Neb., August 3.—(Special to the Bee.)—A rising meeting was held in our city by the leading farmers of this community. The object of the meeting was to form a joint stock lumber and grain corporation, with a starting capital of \$20,000, divided into 400 shares of \$50 a share, 40 per cent to be paid down and the balance when called for. Great enthusiasm was expressed. Ten men are circulating the petition for shares, and the required capital will be raised promptly. The farmers think if our present grain buyers can pay \$1,000 for an elevator to stand idle, it is high time to organize a move for protection. Holmquist, one of our lumber dealers, has agreed to sell out to the company, so this will leave only one lumber yard.

BEATRICE, Neb., August 3.—(Special Telegram to the Bee.)—Colonel D. W. Wilcox, the Mendota carpenter, addressed a large audience at the opera house to-night on G. A. subjects. General Leese, of Lincoln, spoke also. It was an enthusiastic meeting.

INTER-STATE EXPOSITION.

Excellent Prospects of a Magnificent Show Early in September. A meeting of the joint committee of the Fair and Exposition association, for the purpose of making arrangements for the forthcoming exposition, was held last night at the exposition building.
