BRUSSELS, August 9.—[New York Herald Cable—Special to the Bee.]—The trial of the eighteen men accused of burning and destroying the immense Baudoux glassworks near Charleroi, will probably end to-night or tomorrow, after seven days hearing, during which over one hundred and forty witnesses and ten barristers have been heard for and against the prisoners. Many witnesses asserted that the Charleroi strikes and outrages were instigated by

or other persons. Baudoux, himself, heard as a witness, insisted in the following terms that the incitation came from other glass manufacturers in Belgium: "The accused, Oscar Falleur, who was formerly in my employ, and who, in the capacity of secretary of the Union Verriere (or Glassworkers' association), came several times to ask me to raise the salaries of my workmen. He told me he could easily induce them to strike and said he could obtain plenty of money to support the strikers because all my rival glass manufacturers would benefit by a strike in my establishment. I said that other testimony the total sum of the evidence does not show whether, as insinuated in the indictment, Oscar Falleur and the Union Verriere were really in close communication with the

HELL'S FOUL HORDE.

Belfast, Ireland, Practically Wrecked by Riots.

BELFAST, August 9.—During the rioting which occurred here Saturday evening to an early hour this morning eleven persons were killed and 150 seriously wounded. A majority of the injured persons have shot wounds. The rioting was renewed to-day and a fierce encounter took place between soldiers and a mob, in which a number of the latter were wounded. A soldier at whose elbow a rifle was shattered, and his hand the soldier was arrested. Reinforcements of troops to the number of 1,300 arrived in Belfast to-day.

At noon attempts to stop the rioting had been unsuccessful. The violence of the mob increased. Thirty rioters were killed and wounded. The police kept up a merciless fire upon the mob. The city, owing to the wreck and ruin of early hour this morning, presents a deplorable aspect. Its appearance is similar to that of Paris after the Commune. It is feared numerous deaths, resulting from the rioting, will never be heard of. The hospital is taxed to the utmost to accommodate the great number of wounded persons. A painful feature of the riots is the number of children wounded. Yesterday a boy was shot while playing with a rifle in the streets and he is thought fatally wounded. Train loads of troops are constantly arriving.

The English Grain Market.

LONDON, August 6.—The Mark Lane Express, in its review of the British grain trade during the past week, says: "The market has been very quiet. Prices are steady and the sales of English wheat during the past week were 41,173 quarters at 31s 8d, against 38,700 quarters at 31s 6d during the corresponding period last year. Oats are rather dearer. Barleys are in favor of sellers. The foreign market is quiet. The feature of the week is the sale of mixed American on the spot is scarce and 6d dearer. Five cargoes of wheat have arrived. Four were sold, including one of Californian, at 23s, and one of Oregon at 33s 6d. One cargo remained, and the market today was quiet. There was only a very small supply of English wheats which sold at fully the late rates. English flour was in demand, but the market was not active. There was an excessive supply of foreign, and the market for it was depressed. American flour was in demand, but the market was not active. General Black's Promotion.

WASHINGTON, August 9.—[Special Telegram to the Bee.]—The secretary of the Interior has denied the rumor published in these despatches yesterday to the effect that owing to the resignation of General Black, the latter has been asked to accept the Austrian mission. The secretary and other officials of the government have a right to deny everything that they do not want published, and this denial is only following the usual custom adopted by cabinets and diplomatic officers. It is generally, notwithstanding the denial the rumor is very well authenticated this morning and among the friends of General Black it is said that he will accept the Austrian mission and the change will be made shortly, probably before the president goes away on his excursion.

Got There Just the Same.

Felt, is to be the surveyor general of New Mexico.

A JEALOUS OLD MAN'S CRIME.

A TERRIBLE DOUBLE TRAGEDY.

Elder Burton and His Familiarity with Females—York Decides Against Waterworks—Saunders County Prohibits State News.

Murder and Suicide.

STANTON, Neb., August 9.—[Special Telegram to the Bee.]—This community has been terribly stricken by the news of a frightful double tragedy which occurred six miles south of this place. The parties to the tragedy were John Beckwith, a farmer, and his step-daughter, Mrs. William Hohneke. The former, it seems, was jealous of the latter for some unknown cause and determined to end her life. He accordingly procured a shotgun, and, going to the house, emptied both barrels of the weapon into the unfortunate woman's body, killing her instantly. Beckwith then went up stairs, calmly reloaded the gun, and blew out his own brains.

Elder Burton's Troubles.

YORK, Neb., August 9.—[Special Telegram to the Bee.]—Our little city has been shaken with excitement over a sensation which developed last week, wherein Elder Burton, of the Christian church, was the topic of criticism. An article appeared in the Democrat of the same date, charging the good elder with immoral conduct with a number of ladies of his congregation; also stating that he had been expelled from the pastorate of the church. A church trial was had, presided over by Elder Borrow, of Tecumseh, which developed the fact that he had not been expelled as previously reported. The fact of his expulsion was stated to the Democrat by members of the church, who it seems were mistaken as to the final action. The trial was held on Saturday night and lasted until 1 o'clock the next morning, when Mr. Burton acknowledged the specific charges in the complaint against him, and upon manifesting sincere repentance was reinstated in the office after a stormy session. He employed Scott Gilbert as attorneys to bring suit against Woodruff and Corcoran, publishers of the Democrat, and to bring suit against the Democrat for libel. The latter action was threatened a suit for criminal libel if the Democrat did not retract the whole matter and threatened a suit for criminal libel if the Democrat did not retract the whole matter and threatened a suit for criminal libel if the Democrat did not retract the whole matter.

TILDEN'S REQUESTS.

LARGE AMOUNTS LEFT TO FOUND PUBLIC LIBRARIES—RELIGIOUS REMEMBRANCE. NEW YORK, August 9.—The will of the late Samuel J. Tilden was read at Creston this afternoon by Lawyer James C. Carter, of this city, in the presence of all the relatives. Colonel Tilden spoke for the family, saying that not a word about the will would be given to the press. The family had decided, he said, that no intimation of the terms of the will should be made public until it was offered for probate, and as the date had not been fixed for that, he could not say when it would be given to the press.
