

A SLICK SWINDLING SCHEME.

A Bogus "Commercial Agency" Man Catches an Omaha Lawyer.

A VICTORY FOR THE HOME TEAM.

Suburban Thieves—A Painful Accident—A Bootblack Knifed—The Conrail at Home—Nathan Franco—Other Local.

A New Confidence Trick.

A confidence game that beats the bogus check racket and unpaid express schemes all hallowed has just been successfully worked in Omaha and Sioux City. The swindle is an organized one doing business under the title of "The United States Commercial Agency."

A score of 10 to 5 in favor of the home team, shows the metal of the Union Pacifics and is only an indication of what they could do if they would only take time for more practice. The following is the score in detail:

Ever since the ripening season for fruit has commenced a systematic course of thieving has been going on in Saratoga, West Omaha, Walnut Hill and other suburbs of Omaha. Plums and grapes have been stripped by the wholesale from trees and vines, and naturally people who have been for years endeavoring to grow a little fruit for home pleasure do not look very complacently on these raids.

SUBURBAN STEALING.

Outrageous Raids on Fruit Gardens and Private Grounds.

About a hundred pieces of china and glassware which were used at the funeral of Mrs. John Shook, and which were temporarily deposited in the vineyard of Peter Boesen, on West Mercer avenue, was raided and some ten bushels of grapes stolen, and the vandals then stripped the vines of several more bushes and threw the fruit on the ground.

Endow them with a legacy that cannot be squandered and send them to the UNIVERSITY OF NOTRE DAME, an institution now in its forty-third year, and unsurpassed for its advantages to impart to your sons and wards a thorough and finished education, either in a thorough commercial (business) course, which is a distinguishing feature of Notre Dame university, or in a full course, which comprises classic, law, science, mathematics and music.

Educate Your Sons.

THE MINIM DEPARTMENT, a separate institution (St. Edward's hall) for boys under twelve years of age, who are taught by SISTERS OF THE HOLY CROSS, under whose maternal care they pass nearly the entire day in receiving instruction in all the elementary branches of an English education together with a fundamental knowledge of Latin, French, German, vocal music, violin, piano and drawing, preparatory to enter either the junior or senior classes of the university.

Frank Taylor's Clothes.

When Frank Taylor, the sneak thief, was before Judge Stenberg on Saturday, he pleaded guilty to having stolen two suits of clothing but maintained that a fine new suit which was in his possession belonged to him. He said he had purchased the suit last spring to get married in but his affianced had died just before the wedding day leaving him with a broken heart and a new suit of clothes. The court seemed inclined to take some stock in the yarn and allowed Taylor to take the suit to the county jail with him.

Struck With a Lantern.

Last night two Union Pacific switchmen, named Sinter and Castellor, became engaged in a war of words over their work when the latter struck Sinter with a lantern. The blow produced two deep cuts on the side and under the right eye and the blood flowed freely. Castellor made himself conspicuous by his absence and Sinter's wounds were dressed by Dr. Darrow.

Benton's Hair Grower.

All who are BALD, all who are becoming BALD, all who do not want to have a bald spot on their heads, all who are troubled with DANDRUFF, or ITCHING of the scalp, should use Benton's Hair Grower. It is a cream of those which grow hair. It never fails to stop the hair from falling. Through sickness and fevers the hair sometimes falls off in a short time, and although the person may remain bald for years, if you use Benton's Hair Grower according to directions you are sure of a growth of hair. In hundreds of cases we have produced a good growth of hair on those who have been bald for years. We have fully substantiated the following facts:

It is especially good for falling hair, dandruff, and itching of the scalp. The Hair Grower is a hair food and its composition is most exactly like the oil which supplies the hair with its vitality. DOUBLE AND TRIPLE STRENGTH. When the hair is very tough and hard, and the follicles are apparently closed, the single strength will sometimes fail to reach the papilla; in such cases the double strength should be used in connection with the single, using them alternately. Price, single strength, \$1.00; double strength, \$2.00. Article strength, \$3.00. If your druggists have not got it we will send it prepared on receipt of price.
