Conference having adjourned, most of  
the preachers left the city yesterday.  
To-night at Masonic hall the Knights  
of Labor hold their sixth annual ball.  
Have you read "EVERARD AND  
EULALIA," by Ed Wright? It can be  
found at Bushnell's.

Colonel John Fox was appointed a  
registrar of election to fill the vacancy  
caused by the resignation of Ed Matt.  
"By request" the Nonpareil at last,  
nine days subsequent to the event, an-  
nounces that St. Paul's church has been  
completed, and that it was opened by the  
bishop.

Judge Aylesworth had two ordinary  
drunks before him in the police court  
yesterday morning. One was fined \$5.00  
while the other was requested to put up  
\$5.00.

A good many naturalization papers  
have been mislaid or lost, and as they are  
necessary to entitle a foreign born citi-  
zen to a vote under the new law, a good  
many are taking out new papers.

Wanted—1,000 families to take the  
American Road Wagon on two weeks' trial.  
After a fair trial if you don't think  
them worth more than they cost, return  
them to Cooper & McGee, No. 41 Main  
street.

A young fellow passed down Main  
street yesterday afternoon carrying a  
pair of shoes which he was trying to dis-  
pose of. The police were notified and  
made a vigorous search for him, but were  
unsuccessful.

A lady who owns property on Wash-  
ington avenue, between Seventh and  
Eighth streets, was yesterday figuring  
around the city building how she could  
get some crooked females out of one of  
her houses. It takes much less than a  
week if she proves her charges.

Mr. George F. Chase, desiring to return  
to his many friends his thanks for their  
kindness shown during his late illness  
from the accident on the Chicago &  
Northwestern railway and to assure them  
that their kindness and help so rendered  
will be most gratefully remembered.

H. Ball, of Missouri Valley, was en-  
joyed by Judge Lewis from selling  
liquor, but Ball thought he knew more  
about it than the judge did, so he refused  
to obey the injunction. The result is that  
the judge has fined him \$200 for contempt  
of court and sentenced him to jail for  
three months.

An information was filed before Judge  
Schurz charging J. M. Brown with ob-  
taining from Al Royer, of the Western  
house, \$13.40 on false pretenses. It  
seems Brown had obtained one of Royer's  
board bills, and as Atchison refused to  
put up so did Brown. The case will be  
tried next Monday.

Rumor has it that this morning at 10  
o'clock Charlie Runyan, the watchman  
in the tower at the railroad crossing,  
and Miss Nora Rogers, are to be made  
one. The Bee extends congratulations.  
It is also generally believed that Miss  
Runyan, Charlie's sister, will become  
Mrs. Baker this evening. Again con-  
gratulations.

Just previous to adjournment confer-  
ence passed a resolution thanking the  
good people of Council Bluffs for their  
open-handed hospitality. Also a resolu-  
tion thanking Bishop Bowman for the  
very able manner in which he presided,  
and expressing the hope that his health  
might be preserved to meet with them  
yet many times.

Information was received in this city  
yesterday, coming from a reliable source,  
that a gang of forgers had started from  
Chicago and were coming this way with  
Des Moines as one of their points se-  
lected. It will pay bankers, merchants,  
and others to be on the lookout for them.  
—Register, Sept. 14th. They might pos-  
sibly show up in Council Bluffs.

John Evans, of Logan, at one time a  
prominent attorney of that place, was  
sentenced to three years in prison. He  
was appointed administrator of an  
estate, and was caring for some \$700 for  
the minor heirs. When the time came  
to divide the money, he demanded, but  
was not forthcoming. The courts have  
punished Evans, but can not refund the  
\$700.

Yesterday John Templeton, the very  
efficient chief of the Council Bluffs  
fire department, and by the way he is  
as popular as he is efficient, received  
from Fremont, Neb., the very handsome  
gold badge and pin he won in the chief's  
race at the state tournament recently  
held there. It is in the form of a fire-  
man's trumpet, from which is suspended  
by gold chains a bar, on which his name  
is engraved.

Joseph P. Wells, a young man who  
came here from Cleveland a little over a  
year ago, and who has proved himself to  
be a very worthy young man, has been  
elected as assistant secretary of the  
Young Men's Christian Association. The  
work has grown so that Harry Curtis, the  
secretary, to whom more than any other  
one person is due the success which has  
attended the association, finds that it is  
impossible for one person to properly at-  
tend to it. Mr. Wells will ably and ear-  
nestly second the efforts of the secretary.

Last evening W. C. Powfret, the popu-  
lar salesman for Harle, Hans & Co., en-  
tertained at his residence, 825 Myrtle  
street, quite a number of his friends,  
the occasion being the anniversary of  
the birthday of his wife. To say that  
they were pleasantly entertained does  
not begin to express it. Some insist that  
they never spent a more enjoyable even-  
ing. The inner man was not forgotten,  
but was regaled with a supper so perfect  
in all its details, as to make many of the  
gentlemen present envious of Mr. Pow-  
fret's good fortune in securing the prize  
he had when Mrs. Powfret said "yes."

Yesterday the police arrested for vag-  
rancy a colored man named Joe Gates,  
and a white boy of sixteen years of age  
named Willie Stevens. Willie was found  
in a freight car on the Chicago & North-  
western tracks down near Streetville.  
He said he had been told to stay there by  
Gates until he got back from the city.  
Willie's father died recently in Illinois,  
and he started to come out to Omaha to  
live with his uncle, Louis A. Constantine,  
formerly of the Omaha Post. Willie  
says that on the way out here he fell in  
with a gang of tramps, and that on the  
way out here they abused him shame-  
fully, even tearing his clothes off him in  
attempts to outrage his person. He  
says that Gates did not do anything  
wrong, nor try to induce him to do  
wrong, but the police decided to lock him  
up as a suspicious character. Gates had  
over \$50 in money on his person when  
arrested.

Clubbed a Policeman.  
As has been stated heretofore in the  
BEE, some time since Officer Hendricks,  
of the police force, was the recipient of a  
miniature "slicer" coat by some un-  
known friend. The coat is about large  
enough for a six-months-old child, and  
Hendricks has kept it in police head-  
quarters. Monday afternoon an  
American District Telegraph boy  
arrived at police headquarters with a  
daintily tied up box addressed to Hendricks.  
Chief Matthews was for some reason  
rather backward about receiving it from  
the boy, but finally did so and placed the  
box on the desk for Hendricks. Before  
Hendricks went on duty Monday night,  
he opened the package and discovered  
in one corner of the box, all wrapped up  
in miniature policeman's hat and club.  
The hat is about one inch in diameter,  
while the club is two inches long.

A Purse Presented.  
Rev. T. J. Mackey, rector of St. Paul's  
church, was very much surprised at  
being made the recipient of a bundle of  
checks, payable to his order, from his  
numerous friends outside the church,  
who took this decidedly pleasant manner  
of testifying their personal regard for  
him. The checks ranged from \$50 down,  
and aggregated \$513. The good rector  
was completely overwhelmed, but he re-  
ceived his self-possession sufficiently  
during the day to endorse the checks and  
deposit them in the bank. There is no  
pastor in the city who has the interests  
of Council Bluffs, as well as those of his  
church, more at heart than Mr. Mackey,  
and the citizens appreciate this fact.

Old Settlers' Reunion.  
The good old people of Macdonald are  
making arrangements for an Old Set-  
ters' Harvest Home reunion, to be held  
near that city next week Tuesday. All  
the old settlers of this and Mills coun-  
ties are invited to renew old acquaintances  
and talk over old times. Hon. W. H.  
Pasey, of this city, will deliver the prin-  
cipal address on the occasion. A special  
train will leave here over the C. & Q.  
road starting at eight in the morning, and  
stopping at all stations returning in the  
evening.

Polling Places.  
The following have been selected as  
polling places for the city election:  
First Ward—Swan's packing house,  
504 East Broadway.  
Second Ward—Doherty's livery stable,  
17 Bryant street.  
Third Ward—Hattenhauer's carriage  
factory, 29 Fourth street.  
Fourth Ward—Oberholtzer's office, 503  
First avenue.

Registering.  
Yesterday was the first day of work for  
the boards of registration under the new  
law, and it did not prove to be nearly so  
heavy a day's work as was anticipated. It  
was supposed that it would be impossible  
to properly complete the registration in  
any of the wards without dividing them  
into polling precincts, but the registers  
in the Fourth ward, the most populous of  
any in the city, say that if the whole  
1200 voters in the ward had presented  
themselves in one day and were able to  
answer the necessary questions as were  
those who did present themselves, they  
could have registered every man.

As it was there were registered:  
First ward.....128  
Second ward.....212  
Third ward.....105  
Fourth ward.....275  
Total.....720

The registration is for the election of a  
mayor in October.  
It will be necessary to register again  
before the regular November election.  
The board of registration will not be  
in session until the first of October.  
There are yet four more days in which  
to register.

Wang!  
Ring the bell.  
To-day is, by reason of custom, the day  
on which all straw hats should be "called  
in." Straw hats are usually worn until  
September 15th, and light felt hats until  
October 1st before they are "called in,"  
but it is more than likely that a few straw  
hats will continue to be worn for some  
weeks yet in the city.

Attention Odd Fellows.  
On Saturday evening next the members  
of the different lodges of Odd Fellows in  
this city will make a friendly visit to  
Neola. They will leave on the 6:50  
o'clock train and return by a special  
train the same night. Those desiring  
attending should notify the committee of  
their lodge, so that accommodations for  
all can be secured and special rates ob-  
tained.

United at the Ogden.  
William Kelly and Miss Fannie F.  
Ford, of Missouri Valley, were yesterday  
united in marriage in the parlors of the  
Ogden house. The ceremony was wit-  
nessed by Mrs. H. F. Blythe and Miss  
Lillie Blythe, also of Missouri Valley.

A School House in Trouble.  
The Missouri Valley school board is in  
trouble. Some time ago it let a contract  
for the erection of a new school building  
to H. Hellman, for the contract price of  
\$8,500. Hellman is a resident of the  
place, but is not over wealthy, so the  
board advanced him \$3,500 on the con-  
tract, after which he bought a lot of lum-

ber and put it on the ground. But before  
work was actually commenced a dis-  
agreement arose between the contractor  
and the board about some of the speci-  
fications which Hellman claims were not  
explained to him. He got mad and re-  
moved the lumber from the ground, and  
refuses to refund the money, but pro-  
poses to use it instead in lighting the  
board in the courts. There are those  
who intimate that the board is to blame  
for advancing public money before it  
was earned.

Herr Schmidt, an accomplished Ger-  
man horticulturist, who was some  
time ago sent to East Africa to intro-  
duce the cultivation of European kitchen  
garden vegetables and corn, reported  
that after repeated trials the experiment  
has completely failed.

burned to the ground. Loss, \$4,000.

A most astonishing phenomenon of the  
Japanese earthquake was the splitting of  
the Papandayan mountain. In a flash  
of time it was split into seven parts.

feet high.

**MURDER!!**  
Diphtheria is again making its annual visita-  
tion. Ten years' trial of DR. THOS. JEFFERS' REMEDY  
has proved that it is infallible as a preventive  
and cure. If you permit your children to  
die with diphtheria, "their blood be upon your  
head." For sale only at the office, No. 58 South  
third street, Council Bluffs, Ia., or sent by express  
on receipt of price, \$2.

J. H. Blackie, of No. 140 Campbell street,  
Omaha, who recently lost a beautiful and in-  
teresting daughter, aged about 15 years, by  
diphtheria under the treatment of one of the  
best physicians in Omaha, writes to Dr. Jeffers,  
of this city: "Your remedy for diphtheria came  
just in time. My daughter was taken with the  
disease, and was dying. I was told that she  
was saved. I am satisfied that her life could  
have been saved. Another one of our children  
who had the diphtheria, her throat was filled  
up with the purulent ulceration, we used your  
remedy and in twelve hours the disease was  
completely subdued. In the future we will  
keep your medicine at all times in our house.  
We feel that it saved the life of one of our  
children. We are very thankful to you, and  
only regret that we did not call on you sooner."  
From the Council Bluffs Daily Globe.

Mrs. E. McPhee, wife of Engineer Gerard,  
of the Union Pacific, writes this city, has been a  
sufferer for many years, with what was sup-  
posed to be cancer of the throat. It was so bad  
that she was threatened with gravitation. Her  
general health was completely broken down.  
She could only swallow liquid food, and even  
that her stomach could not digest or assimilate.  
Physicians of Council Bluffs and Omaha  
attended her for three years and gave no  
relief. Dr. Jeffers, of this city, was called. In  
four weeks time he cured her throat, and com-  
pletely restored her general health. Had Mrs.  
Gerard not obtained relief soon she would have  
died from blood poisoning, the condition that  
destroyed the life of Gen. Grant.

From the Council Bluffs Daily Globe.  
Mrs. A. C. McKee, mother of the Cambridge (Kenne-  
bunk, Pa.) Freeman, has been the personal  
friend of the editor of the Globe for more than  
twenty years, and is known wherever he is  
known as one of the best men living. He is also  
an intimate friend of Mr. Clark of the Non-  
pareil. He has been unfortunate in the fact  
that his family was ravaged with diphtheria,  
and greatly distressed. Mr. Clark's friend-  
ship of his family sent him some of Dr. Jeffers'  
Diphtheria Cure. It was used with the best  
of results. The disease was cured, and the  
lives of the rest of his children saved. Letters  
from Mr. McKee are unbounded in their ex-  
pression of gratitude for finding some means  
of averting the loss of his whole group of little  
and tender ones. Five of Mr. McKee's children  
out of eight died of diphtheria before he had  
an opportunity of using Dr. Jeffers' remedy.

Dyspepsia, why live in misery and die in dis-  
pair with cancer of the stomach? Dr. Thomas  
Jeffers cures every case of indigestion and  
constipation in a very short time. Best of refer-  
ences given. Dyspepsia is a true cause of  
nervous prostration and all diseased conditions.  
Price \$5 for two weeks treatment.

Dr. Jeffers' diphtheria medicine is infallible  
for all kinds of sore throats. Indispensable in  
public schools, in malignant scarlet fever,  
changing it in 15 hours to the simple form. Infalli-  
ble cure for all inflammatory, ulcerative, pul-  
sant, cancerous ulceration of the mouth and all  
catarrhal conditions.

cine sent with each box. No doctor required.
