An Republicans to be Found.

WASHINGTON, Sept. 28.—(Special Telegram to the Bee.)—It is said that Public Printer Benedict is having a good deal of trouble in finding republicans in his office to dismiss. He finds the majority of the employes to be democrats, his immediate predecessor having, it is alleged, packed the office with men from the predominant party, although in opposition was kept in office. The other day Mr. Benedict asked one of his foremen in his office for the purpose of ascertaining the names of employes who could be spared. One hundred and twenty-five names were submitted by the foreman, and the public printer then instituted an investigation as to their political proclivities. To his surprise he found that 118 of the number were democrats, and the remainder, including the foreman, were Blaine republicans. "This will never do," said Benedict. "I did not come here to dismiss democrats from office; still I think I can dispense with that foreman and his friends, and get some other men to do their work."

MAY MARRY AND MAKE UP

A rehearing of the case of Charles Griebel vs. Ann M. Pike from the Grand Island (Neb.) land district, has been granted by the secretary of the interior. It affects the south half of the northeast quarter and southwest quarter of the northeast quarter of the northwest quarter of the southeast quarter, section 20, township 33, north range 20 west. Three or four years ago this land was homesteaded, but it was some time ago contested by Griebel on the ground of insufficient residence and improvements, but at last a cancellation was ordered by the general land office. A request for a rehearing was granted by the secretary of the interior, and the contestee joined in the prayer for it, a remarkable occurrence.

PRESBYTERY AND SYNOD.

They Are Now in Session at the Presbyterian Church.

MANY MUNICIPAL MATTERS.

The New Y. M. C. A. Building—A Brutal Assault—A Damage Suit—Of For Lincoln—City News in General.

United Presbyterians.

The Presbytery of the United Presbyterian church met yesterday morning at the First church on Eighteenth street, when a petition was received, signed by several members of the above church, asking that the presbytery investigate the affairs of the hotel. Objection was made and the request was discussed, but no action was taken upon it at the time of adjournment.

A Motion was also made that the pastor, Rev. E. B. Graham, be advised to resign.

The question was discussed, the objection to it being the motion represented only a small fraction of the congregation, and furthermore, that the matter in dispute should only be undertaken by the pastor or congregation. No action was taken at the time of adjournment.

Last night the members of the three Presbyteries of Omaha, Pawnee and Colorado, which form the New United Presbyterian synod of Nebraska, met at the hotel Madison last evening at 7:30.

Marion Morrison, D. D., by appointment of the general assembly, opened the synod with a sermon on text 16:9—"Come over in Macedonia and help us." The reverend doctor considered, first, the nature of this call and the aid required, and secondly, the singular call to us to-day. After an interesting and brief sermon, the synod was duly constituted. Dr. Morrison was elected moderator and Rev. Rufus Johnson clerk.

The following members were in attendance: Dr. Morrison, Mission Creek; Rev. R. J. McCreedy, Pawnee; Thos. S. D. Moore, Liberty; Rev. M. Duff, Minn.; Rev. J. H. Montgomery, Pawnee; Rev. David Inches and Rev. Dr. Blair, North Bend; Rev. G. R. Murray, Murray; E. H. Falkner, Lincoln; Rev. J. P. Proudfit, Orchard; Rev. J. Whitman, Norfolk; Rev. J. D. Rankin, Denver; Rev. Wm. Ritchie, Burchard; Rev. Rufus Johnson and Rev. E. B. Graham, Omaha; Prof. A. K. Gowdy, Pawnee; L. R. Cannon, Omaha.

The presbytery will meet at 9 o'clock and the synod at 10 o'clock to-day. In the afternoon there will be a conference on home missions at 3 o'clock, and evening several papers and addresses will be presented on the various phases of consecration, as follows:

- 1. Consecration of Heart—Rev. S. M. Moore.
- 2. Consecration of Life—Rev. H. F. Wallace.
- 3. Consecration of Property—Rev. William M. Right.
- 4. Who Would Thus Consecrate?—Rev. R. J. McCreedy.
- 5. Why Thus Consecrate?—Rev. David Innes.

MUNICIPAL MATTERS.

The Business of Last Night's Session of the City Solons.

Councilmen Goodman and Cheney were absent at the regular weekly session of the city council held last night. The mayor's communication approving the ordinance and contracts passed upon at the last meeting of the council was placed on file.

City Treasurer Buck reported upon the bids for the paving and sewer bonds, published elsewhere in the Bee. The treasurer was instructed to sell the bonds to the highest responsible bidder.

The mayor's communication approving the contract of A. R. Hoel for curbing and gutting Chicago street, and that of Murphy, Creighton & Co. for paving and curbing Twenty-fourth street, was placed on file.

The estimates of the board of public works in favor of contractors for work on the various public improvements were approved.

W. J. Kennedy, W. M. Kennard and St. A. D. Barcomb were appointed to appraise the damage to owners by appropriating private property for an extension of Twenty-ninth avenue. N. A. Kuhn, C. E. Squires and Benjamin Gallagher were appointed to appraise the damage to owners by the change of grade of Dodge street from Twenty-fifth street to Twenty-sixth street. William Fitch, J. B. Furay and E. Thomas were appointed to assess damage to private property by the change of grade of Dodge street from Twenty-fifth street to Twenty-sixth street.

A petition for the opening of Thirty-third street from Leavenworth to Faraday was referred to the committee on grades and grading.

A petition asking for the change of grade of Jones street between Fifteenth and Sixteenth streets was granted.

A petition asking for the change of grade on Jones street between Twenty-fourth and Thirty-fourth streets was granted.

A petition of the Toboggan club asking for the right to build a slide on Leavenworth avenue was referred to the committee on police.

John C. Murphy was appointed inspector of the west and south branch of the North Omaha sewer.

A portion of the property owners of South Tenth street was received, complaining of the wholesale manner in which the streets are being graded, and the Cable Traction company, making it dangerous to travel thereon, and asking that the council take some steps to remedy the evil. On motion of Alderman Behrder the petition was referred and referred to the board of public works with instructions to require the cable company to keep one side of the street in a safe and passable condition.

RESOLUTIONS.

The following resolution was presented and unanimously adopted:

Whereas, During the past four years the city of Omaha has made extensive improvements aggregating upward of \$1,000,000;

And whereas, We view with pleasure and pride our twenty miles of pavement, our extensive sewers and grading, and our improvements through the courtesy of the officials of the cities of Denver, Cheyenne and Leadville, we obtained during our recent visits to those points, valuable information regarding the public improvements in said cities; therefore,

Resolved, That as members of a city council of the city of Omaha we hereby acknowledge the many courtesies so received, and we hereby extend to the board of supervisors, aldermen and other city officials of the cities of Denver, Cheyenne and Leadville, a cordial invitation to visit Omaha and inspect our public improvements, and in such event, the mayor concurring, we pledge the freedom of our city and will do all in our power to make such a visit enjoyable to our visitors and profitable to the municipalities they represent; and it is further resolved, That the city clerk mail to the said city officials copies of this resolution.

By Lowry—Instructing the city streets to enforce the ordinance prohibiting the excessive sprinkling of the streets. Adopted.

By Dailey—Instructing the auditor to purchase and place in the council Chamber a desk for the use of the city attorney. Adopted.

By Kasper—Authorizing the marshal to purchase a safe for the keeping of the prisoners effect of the jail, the cost not to exceed \$100. Public property and improvements.

By Dailey—That the council meet as a board of equalization at the office of the city clerk on October 6, from 9 a. m. to 12 m., and from 2 p. m. to 3 p. m. for the purpose of assessing and recording special benefit the cost of opening, widening and extending streets and alleys, and making other changes and improvements. Adopted.

FROM CREIGHTON.

All the News From the Capital of Knox County.

CREIGHTON, Neb., Sept. 28.—(Correspondence of the Bee.)—The Knox county fair closed on Friday and was a financial success. A large attendance was had Wednesday, Thursday and Friday. Several trotting and running races were had during the fair for purses ranging from \$50 to \$300 each.

We have had no frost as yet, and corn is fully ripe and will be a fair crop, in many places better, and other places poorer than last year. Most of the farmers are well satisfied with the yield of both corn and small grain.

Mr. Cheney's brick bank is nearly completed, and is an ornament to our town, it being the first brick building in the town. Quite a number of new houses are being built, and our town continues to grow steadily.

The Union Pacific railroad engineers are surveying a line of road from Albion to Boone county to Niobrara, this country. The line runs about twelve miles west of Creighton down the Verdigris creek, but no one knows when it will be built. Rumor says the Northwestern has interested them, and are grading on the Union Pacific's surveyed line between Albion and Neligh.

Omaha needs a direct line into northern Nebraska as most of our produce and stock is shipped from Omaha to Chicago, and the Northwestern giving better rates than to Omaha.

We need more railroads in this part of the state, not for competition, and are compelled to pay the enormous rates of the Northwestern. It is hoped the next legislature will do something in regard to railroad rates, if the roads don't buy the legislature.

"The Mighty Dollar."

The mighty dollar has enjoyed a considerably longer lease of life than is usually vouchsafed to creations of a like superficiality of construction. It is the offspring of one Wolfe, of Boston, and fostered by Mr. and Mrs. Florence. It has lived its own life through twenty years of theatrical uncertainty, time only serving to tighten its grip on the popular fancy.

Outside of its lack of plot the play is clever enough as a satire on well known vices of American eccentricities of the vulgar sort. The two leading characters are drawn with boldness and strength by the playwright to perfection. They have all encountered such types and recognize their likeness with a hope that their counterfeit representatives may render a lesson to the world.

Mr. Florence was intelligent and thorough, as he is in everything. His characterization of the Hon. Stone is a delightful piece of art in itself and mastery of his craft is evident in his baggy, Puritan looking best clothes and Uncle Sam collar to the uplifting of his eyebrows or the good humored trickery of his glance, he is every inch the part.

Mr. Stone is a man of letters, whose European tour seems to have been too much for her shallow brain. The balance of the company were capable in their respective parts. The love scenes of the play were simple and the gushing "Libbe Dear" being made amusing by Earle Stirling and Laura Clairon. Florence Noble sustained her part well and Hattie Russell was equally acceptable.

Mrs. Florence was attired with her usual taste and magnificence. In the first act she wore a pretty out-door costume of deep colored and light shades of blue and white. Her garden hat is lined with pink and trimmed with shaded tips. She carries a white satin parasol. A costume of white and pink, with a shawl of velvet trim with steel passmenteries. Another handsome dress was a garnet satin on train, the bodice glistening with white beads. A most graceful gown was a new suit in brocade, and from her sides having the effect of being powdered with diamond dust from cut beads.

This evening "The Flirt," a very amusing play, will be presented, and Mrs. Florence will introduce a song relating to Omaha belles.

The People's Theater.

The second performance of the Simon Comedy company took place last night at the People's theater. The play was "Caste," Robertson's famous and beautiful comedy. It was strongly cast and was admirably produced, and gave the board of supervisors and the people beginning to see considerable excellence in many of the members of this company. Mr. Simon has some fine characters and he will doubtless appear in several of them before the close of his engagement.

Travis Sued for Damages.

The case against Abner Travis, charged with an assault with intent to kill a fellow colored man, John Alexander, in a row, on August 18, resulted in Travis being fined \$100 on Monday last night at the People's theater. The play was "Caste," Robertson's famous and beautiful comedy. It was strongly cast and was admirably produced, and gave the board of supervisors and the people beginning to see considerable excellence in many of the members of this company. Mr. Simon has some fine characters and he will doubtless appear in several of them before the close of his engagement.
