To expect when an enterprising firm bends all its energies toward furnishing a select stock of choice clothing for men and boys, at lower prices, that they must secure the highest possible success. Such a firm is the NEBRASKA CLOTHING CO., of Omaha.

Some of the people who call upon them daily may imagine, because they are selling at such low figures, that the goods are inferior quality. Such is not the case, as they are actually selling the same quality, in preferable styles, from \$3 to \$10 less on each suit than is asked by other dealers. If you do not wish to buy just now, call, look around and see the enormous assortment of clothing and other fixings for Men, Boys and Children. Their courteous salesmen will politely show you through and also convince you that all goods are sold at strictly one price by

IDEAL BROILING.

Broiling can be done in the oven of the Charter Oak Range or Stove with the Wire Grate Oven Door, more perfectly than over the live coals.

Lay the steak, chops, ham or fish on a wire broiler or meat rack, placing it in an ordinary bake pan to catch the drippings.

Allow it to remain in the oven with the door closed 15 or 20 minutes. No turning is required. At the end of this time it will be found nicely cooked ready to serve.

THIS IS THE IDEAL WAY TO BROIL MEATS. There is no taste of coals or smoke, and the meats are more tender and better in flavor than those broiled over the coals.

The convenience of broiling in the oven will be appreciated by every house-keeper, and adds another to the many reasons why the Charter Oak Range or Stove with the Wire Grate Oven Door should be preferred to all other stoves in the market.
