WHEAT ON THE DOWN TURN.

Everything Conspires to Pull Down the Price in Chicago.

CORN STAYS ACTIVE BUT LOWER.

Provisions Take a Shoot Upward and Show Activity and Strength-Both Cattle and Hogs Bring Higher Prices.

CHICAGO PRODUCE MARKET.

CHICAGO, Feb. 9.- | Special Telegram to the BEE. |- Wheat was weak and drooping notwithstanding the large decrease in ocean passage. Cables were weak, the local crowd bearish, and margins in many instances thin, while war news was scarce. Fears of danger by the disappearance of snow have vanished, and with predictions of snow and warmer weather big operators hammered the market. A large business was transacted but the liberal offerings crushed prices and the closings show a shrinkage of 36c on those current at the adjournment yesterday. May stood at 82 ge at the opening, but dropped to 813ge and the finish was 823ge. June sold at

84%e, down to 83%e, and closed at 83%e. July closed at 85%c and sold at 85%c down to 85c. September sold at 87% e down to 80%c. and December from 9134c to 9034c. February closed at 76c, March at 764c and April at 763ce. Corn was fairly active, but sympathized with wheat and prices ranged lower. Large and small longs became demoralized and sold freely. Shorts bought liberally but prices declined 36c. A further break was prevented by a sharp advance in provisions and predictions of lighter receipts to-morrow. Prices railied Mc, but closed Mc below yesterday, May opened at 40% @40%c, sold at 40%c, declined to 40%c reacted to 40%c, and closed at 40% 040%c. July closed at 40%c. Provisions were active, stronger and hisher. The receipts of hogs were light and prices higher. Holders of the product were backward about selling. The were light and prices higher. Holders of the product were backward about soiling. The shorts who sold at yesterday's break were scared and wanted to get out, and in their endeavor to extricate themselves forced prices higher. Strong local parties who have been on the long side for some time past were also buying, and at the 1 o'clock close prices were at outside figures and showed an advance of 32½c on mess pork, 7½c on lard, and 15c on short ribs. Mess pork for May opened at \$13.45, advanced to \$13.55, receded to \$13.47½c, became stronger and sold to \$13.75, and closed at \$13.72½c. Lard for May sold at \$6.77½c@6.85, and closed at \$6.82½c@6.85, Short ribs received more attention, and May advanced from \$6.87½ to \$7.02½c. and

6.85. Short ribs received more attention, and May advanced from \$6.87% to \$7.02%, and closed at the latter figure.

2:30 p. m—On the afternoon board the grain markets were weaker and lower. Wheat broke \$4c, corn \$4.604c. Provisions were stronger. CHICAGO LIVE STOCK.

CHICAGO, Feb. 9 .- | Special Telegram to the BEE.]-CATTLE-The supply to-day was comparatively moderate and salesmen asked higher prices. Buyers contended that the light receipts were owing to washouts on several of the railroads, and that ample supplies would only be delayed a few hours. However, the demand was fully equal to the supply, and the choice and fat cattle of medium weights stood higher, such stock being 15@ 25c higher than last Friday. This was the first day of the week when there was a display of fancy heavy cattle. There were car lots of cattle sold at \$5.00, \$5.05, \$5.15, \$5.25 and \$5.50. Some 1,182 lb. meal fed Wyomings sold at \$4.50, with 976 lb meal fed Texans at \$4.25, against \$4.12 on Monday. Shipping steers, 1,350 to 1,500 lbs., \$4,60@5.00; 1,2 0 to 1,350 lbs., \$4,10@4.60; 950 to 1,300 lbs., \$3,70@4.40. Stockers and feeders, \$2.60; cows. bulls and mixed, \$2.00@3.80; bulk, \$2.60@3.20.

110.08—The non-arrival of stock trains had the effect of reducing stock to about the number shippers wanted, hence there was a lively scramble on the part of buyers for shipment, and during the scramble pices went "wild." In some instances, especially on light and good medium, the advance was 15@20c when compared with the lowest of yesterday, and in a general way values ruled fully 10c higher than at the close last night, ranging right up to Monday quotations. A few fancy heavy sold at \$5.40.25.45, with packers at \$5.00@5.30, and common at \$4.80@5.26; Yorkers, \$5.00@5.10.

STOCKS.—The stock market showed mor STOCKS.—The stock market showed more animation on a more pronounced buil feeling than has been seen for some time, the principal causes of which were the semi-official announcement of the extraordinarily good showing of St. Paul for the year 1886, and a general belief that the strikes are nearly at an end, the amicable settlement with the Reading employes being specially favorable to that company and Jersey Central. The opening was stron; advances over last evening's final prices ranging up to ½ per cent in Richmond & West Point. The general list was dull. The entire market with the exception of Richmond & West Point, which shaded off a fraction, was strong throughout the first hour. Later the market decreased in the amount of business done, which was accompanied by a slight yielding in prices which continued until well in the afternoon. After 1 p. m., however, the agtivity and advance were resumed. There was some hesitation in the last hour, but the market closed strong, in many instances at the best figures of the day.
