CHICAGO LIVE STOCK.

CHICAGO, April 5.—[Special Telegram to the BEE.]—CATTLE.—The market was a peculiar one, with such light receipts—4,300. Salesmen of course asked considerably higher prices. The light receipts were accounted for partly by the bad markets of last week, partly by the new commerce law going into effect, and largely on account of the elections. The general demand was good enough, but buyers seemed to think it would not do for them to take hold very brashly or prices would get away from them. It was not a regular shipping day and all of the buyers held back, taking just as few cattle as they could. There was quite a large volume of business done at prices 20c higher than last Friday, though the market after 9 o'clock to-day did not show any life. Shipping steers, 1350 to 1500 lbs, $4.75@5.40; 1200 to 1350 lbs, $4.25@4.70; 950 to 1200 lbs, $3.90@4.30; stockers and feeders, $2.75@4.25; cows, bulls and mixed, $2.50@3.90; bulk, $2.90@3.15; slop fed steers, $4.50@4.90; corn fed Texas cattle, $3.90@4.25.

HOGS—Although the receipts—9,000—were barely sufficient to make a market, trade ruled slow from first to last, but there was no particular change in prices as compared with yesterday. Common, light and even fair to good, light light and Yorkers were again almost unsaleable, and the few sold show an extremely low figure, common going as low as $4.60; light light, $4.75@5.15, and Yorkers, $5.25w5.50, with a few fancy at $5.60. Best heavy sold at $5.75@5.80 and packing sorts at $5.60@5.65, with common $5.25@5.50.

There were only 350 head of cattle left unsold in the yards.

OMAHA WHOLESALE MARKETS

Tuesday, April 5.

General Produce.

The following prices are for round lots of produce, as sold on the market to-day.

BUTTER—The receipts of good butter are very light and the market is cleared. There is a good demand for choice, sweet table butter, but there is very little coming that can be graded as such, and buyers have been compelled to take the poorer grades. On account of the scarcity of the choice grades poor butter has sold more readily than usual and at better prices. Dealers, however, must not expect to receive fancy prices for common stock. Choice country, 18@20c; fair to good, 14@16c; common, 8@10c.

EGGS—At the present time the market may be said to be devoid of any new features. The receipts continue heavy. There is a good city demand while the shippers are taking all the surplus stock. The prevailing price is 10c. A good many dealers are anticipating lower prices when the interstate commerce law goes into effect. The new law will raise the rates between this point and the Pacific coast from $1.05 to $3.00. This will tend to lower the market here unless there should chance to be an advance in the California markets, as shippers will require wider margins on which to ship.

DRESSED POULTRY—The weather this week has been cooler and there has been a very good demand for dressed poultry. The receipts, however, have been very light and good prices have been obtained. Choice fat chickens have been selling readily at 11c, and fair to good at 10c. Turkeys, although not in very good demand, are selling at 10@11c on account of the scarcity of chickens. Large fat ducks are in good demand at 10@11c but small, poor stock is slow at 8@9c.

LIVE POULTRY—The receipts of live poultry have also been light and the demand good. Good large fowls are selling readily at $3.25@3.50 and smaller ones at $3.00@3.25. There have been a few turkeys in but they were slow sale at 7c. Large ducks are selling at $3.00 and smaller ones at $2.50@2.75.

GAME—Game continues to arrive in liberal quantities and meets with very fair sale. Mallard ducks, per dozen, $2.00@2.25; teal, per dozen, $1.50@1.75; mixed, per dozen, $1.50; geese, per dozen, $3.00@3.50; brants, per dozen, $2.00.

POTATOES—The receipts have not been quite as heavy during the past few days. Local farmers are not bringing in as many and the outlook is a little more encouraging. The retail dealers are mostly stocked up for the time being, but stocks are not heavy. In some cases dealers are trying to get a little better prices for home grown than those quoted below. The trade is confined almost entirely to the sale of small lots from the store and it would be a difficult matter to close out car lots to a single buyer. An occasional small lot brings a little more than is justified as a quotation. New potatoes, from the south, have put in an appearance this week, but are not moving very freely as yet. The stock is not very large and is held at a high price. Home grown, 45@50c; Colorado rose, per bu, $1.10@1.15; Colorado snowflake, per bu, $1.10@1.15; Salt Lake, $1.00; sweet, per lb, 3c; new potatoes, southern, per bbl., $7.00; new potatoes, southern, per lb., 4c.

CABBAGE—Stocks are moving freely and choice stock is in good demand. The market is fairly well supplied. California cabbage, choice, per lb, 3½c.

CHEESE—Full cream cheddars, single, 13½@14c; full cream flats, twins, 14c; Young Americas, 14½c; fancy Swiss, 16@17c; Swiss imported, 25c; Limburger, 14c; brick, 15@16c.

BEANS—Inferior stock, 75c@$1.00; good clean country, $1.00@1.25; medium, hand picked, $1.40@1.50; hand picked, navy, $1.50@1.60.

PROVISIONS—Ham, 12½@13c; breakfast bacon, rib, 9¾c; breakfast bacon, plain, 10½c; dry salt sides, 8¾@8¾c; dried beef, regular, 11c; dried beef, ham pieces, 14c; lard, 50-lb cans, 7¾c; 20-lb cans, Fairbanks, 7¾c; 10-lb cans, Fairbanks, 7¾c; 5-lb cans, Fairbanks, 8c; 3-lb cans, Fairbanks, 8¼c.

CAULIFLOWER—There is not very much on the market. The demand is fair for good stock. Cauliflower, per dozen $1.75@2.00.

APPLES—The market is well supplied with apples, but choice and fancy apples are not so plenty. Romanites, willow twig and Genetons are in the best demand and sell for about $4.50, while Ben Davis are selling at $4.00. Fancy eastern stock, $4.50@5.00; choice Missouri stock, $4.00@4.50; common Missouri stock, $3.50@4.00.

OLD VEGETABLES—The demand is light for most kinds of old vegetables and stocks are moving slowly and mostly in a small way. Onions are not bringing quite as much as they were. Onions, choice stock, per bbl, $3.50@3.75. Beets, carrots, turnips, etc., per bbl, $1.75@2.00.

NEW VEGETABLES—The weather has been colder this week than for some time back and accordingly the demand has not been so heavy for green vegetables. Kalamazoo celery is beginning to come in, but it is still scarce and is green. Spinach, per bbl., $1.75; top onions, per dozen bunches, 35@45c; California celery, per dozen, $1.00; radishes, per dozen bunches, 35@40c; lettuce, 40c; pie plant, per lb, 12c; California beets, per lb, 1½c; California carrots, per lb, 1½c; California turnips, per lb, 1½; California aspagus, per lb, 20c; cucumbers, per dozen, $1.00.

OYSTERS—Mediums, 20c; standard, 26c; selects, 28c; extra selects, 33; N. Y counts, 38c.

LEMONS—There has been no material change in the market. Prices continue firm. Messina, choice, per box, $5.00; do, fancy, per box, $5.00@5.50.

ORANGES—There is not a very heavy supply on the market. A consignment of Messina stock has arrived. California, Riverside, per box, $4.00@4.25; California, Los Angeles, per box, $3.00@3.25; Mediterranean sweets, $4.00@4.25; Messina imperial, fancy, $5.00@5.50.

STRAWBERRIES—A very few continue to arrive and meet with ready sale. Choice stock is selling at 45c. Reports from Missouri indicate a light berry crop for the season, in all kinds of berries.

BANANAS—Large bunches, per bunch, $2.00@3.00.
