The Home Team Wins.

Nearly 4,000 people crowded Athletic park yesterday afternoon to witness the second game between the Des Moines and Omaha teams—one of the most interesting games ever played in the city. The Des Moines men were confident of success on the strength of their walk-away on Saturday and the Des Moines visitors, about 100 in number, were ready to back their sluggers for any amount. They had reckoned without their host, however, and were defeated almost as badly as the home team was on Saturday.

FIRST INNING.

Omaha—Bader, Walsh and Dwyer were retired at first. Des Moines—La Roque made first on Messitt's error. Sutcliffe flew out to Bader. Alwood made a two-bagger, sending La Roque home. Whiteley took first on balls and came home with Alford on Fantz's single. Brosman reached a two-bagger and sent Fantz home. Bryan went out on a tip to Dwyer and Van Dyke retired on a foul to Rourke.

SECOND INNING.

Omaha—Brimblecom hit for a single and made second by an accident, the first baseman being struck on the head by a ball from the pitcher. Krehmeyer flew out to right. Messitt got first on balls and came home with Brimblecom on Rourke's hit. Rourke went to second on Genis's single, and was forced out on Bader's single. O'Leary made first on a single, leaving the bases full. Walsh rapped the sphere for a daisy cutter to left and had two runs assured when O'Leary was called out for interfering with the batted ball, leaving the bases full.

THIRD INNING.

Omaha—Dwyer made first on Brosman's fumble and second on Krehmeyer's three-bagger. Brimblecom retiring at first on a sacrifice. Krehmeyer was caught at home and Messitt retired at first by Alford. Des Moines—Whiteley made first on balls. Fantz hit to Walsh who made a double with Genis and Dwyer retiring Whiteley and Fantz. Bryan went out on a tip to Dwyer.

FOURTH INNING.

Omaha—Genis made first on balls and stole his way home. O'Leary made a single but was caught napping at first. Bader hit and was assisted home by Walsh who in turn scored with Dwyer on Brimblecom's hit. Krehmeyer fouled out and Messitt was caught at first. Des Moines—Van Dyke sent a foul to left which was corralled by Bader, while O'Leary got in his work and fanned Bitel and La Roque out.

FIFTH INNING.

Omaha—Rourke retired at first by Alford's assist. Genis went out on a fly to Alford. O'Leary hit and was advanced by Bader and came home with him on Walsh's three-bagger. Dwyer flew out to Brosman. Des Moines—Sutcliffe went out at first on Walsh's assist. Alford made first on Walsh's error and went out with Whiteley on a double play by Walsh and Rourke.

SIXTH INNING.

Omaha—Brimblecom drove the sphere into the shed in the northwest corner of the park and made third and scored on Krehmeyer's single. Krehmeyer was caught at first. Messitt was retired at first by Brosman's assist. Rourke struck out.

Des Moines—Fantz hit for a two-bagger, sneaked third and came home on a passed ball. Brosman got first on balls. Bryan took first on dead ball. Van Dyke went out at first, advancing Bryan and Brosman, who scored on Bitel's hit. Sutcliffe was thrown out at first and Bitel was caught at third by a splendid throw by Genis.

SEVENTH INNING.

Omaha—Genis made first on tip, stole second and third and scored on O'Leary's hit. Bader hit and made second on center's error, advancing O'Leary to third. Walsh made a single and O'Leary was caught at home. Dwyer's hit brought Bader and Walsh home and he followed on a passed ball. Brimblecom went out at first on Alford's assist and Krehmeyer followed his example.

Des Moines—Alford and Whiteley struck out. Fantz made a double bagger and scored on Brosman's hit. Bryan went out at first on Rourke's assist. This closed the game, as the Des Moines team had to take the evening train for home. The detailed score is as follows:

DIAMOND DUST. O'Leary is a daisy. Manager Bandle is happy. Who says the Omaha boys can't play ball?

The Omaha team will go to Des Moines on Wednesday evening for three games. Manager Bandle has released Veach, one of the men engaged as a pitcher. He will go to Atchison.

The street car company had a half-dozen extra cars on the green line and saved for the attendance reasonably well. The audience was the largest that ever witnessed a ball game in Omaha and the

A Busy Scene—A Man Who More Than Keeps His Promise.

The busiest scene about Omaha is probably out the Military Boulevard, where over one hundred men are at work building the motor line to Benson. So little has been said about this and so rapidly and quietly the work has progressed that it deserves special notice.

McLaughlin's Arrival.

Colonel J. H. McLaughlin, the wrestler, arrived in the city yesterday with his son Fred, and is stopping at the Paxton. The colonel has recovered from his recent severe illness and will be in good trim for his match with Moth on Thursday night.

Good Bye, John.

The police have shut down on prize fighting and robbed Johnny Clow of his vocation. Clow leaves to-day for Minneapolis, where he will join Killen in a sparring exhibition tour under Bat Masterson's management.

EASTER SERVICES.

The Day Appropriately Observed. In all of the churches of the city yesterday special services were held, the programmes as published in these columns yesterday being very generally carried out. The magnificent musical programme arranged for Trinity cathedral was carried out to perfection. The organ, altar, chancel and baptismal font were all beautifully decorated with flowers of the purest white and sweetest perfume.

At St. Philomena Cathedral pontifical high mass was celebrated at 10:30 a. m. Rt. Rev. Bishop O'Connor was the celebrant, with Rev. Fr. McCarthy as deacon, Rev. Fr. Boyle as sub-deacon, Rev. Fr. Kelly as assistant priest and Rev. Fr. Calaneri as master of ceremonies. The music was most carefully arranged and the services were throughout very impressive and pleasing.

A Sad Death. Saturday afternoon an aged lady named Mrs. Hill met with an accident which in a short time unfortunately resulted in her death. She was moving into Mr. Burham's house on North Seventeenth street, one-half a block above Clark. She approached the front door of the residence, which is at the top of several steps without a landing. She had two bundles in her arms, and had opened the storm door, when a gust of wind from the north blew the door back against her, striking her with great force on the temple.

An Undisputed Test of Merit. A medicine that has been a household remedy for over fifty years and used in that time by more than 100,000,000 persons must have great merit. Such a medicine is found in BRANDRETH'S PILLS. This fact illustrates the value of these pills better than any statement of the proprietors. It will be observed that the dose required to cure is small. One or two pills taken every night for ten or twenty days will cure dyspepsia, costiveness, rheumatism, liver complaint, all female complaints and weaknesses.

The late police record this morning was as follows: James Barry and Frank Bess, of the Halliday Comedy company, fighting. Frank Davis, suspicious character, arrested while nosing around St. Philomena's Cathedral. J. Mactemmel, assault and battery.

A tailor named Kirseher was influential held up by a man who presented a revolver at his head on Thirtieth street ten yards from Farnam, at 2 o'clock this morning. Two men came around the corner and the highwaymen ran.

Prices of real estate in Omaha have steadily advanced for years in all parts of the city. There is no exception to this. Prices are still much below other towns of less pretensions, and have never been on a boom, but I want to say to my friends, get in now, for the boom will be on us in less than forty days. The profit on an investment made now in Briggs Place, South Omaha, or Benson will, I think, surprise you. C. E. MAYNE.

A Coal Shaft to be Sunk. Mr. P. E. Her on Saturday last closed a contract for the building of a shaft which is soon to be started to work the coal deposit which, though not yet ascertained, lies beneath this city. In behalf of his associates he purchased a large quantity of the iron of the old Union Pacific bridge, which will be made use of in the construction of the bridge. It is not yet announced where the shaft will be located.

To Skeptics. I want to give a free ride to those skeptical gentlemen who thought that the Benson street car line would not be built and see what they think about it now. Come up gentlemen, we have other improvements out there to show you. C. E. MAYNE.

Died From the Gas. August Schroeder, who blew out the gas at the Goos hotel when he retired on Friday night last, died yesterday morning. He is from Minnola, Ia. His relatives have been telegraphed.

Dr. Sage's Catarrh Remedy surpasses all. Hastings. The Mo. Pacific and Northwestern have submitted propositions for bonds which will be voted sure. J. D. Charged With Crooked Dealing. William Soderstrom, of the gambling firm of Brucker, Soderstrom & Donnelly has been arrested on complaint of Jack Morrison charged with using a crooked box at his faro table. The case will come up in police court to-day.

Hon. N. W. Hazen, aged eighty-seven, died recently at his home in Andover, Mass., of paralysis. He was born at Bridport, Me., and received his education at the Bridport academy. He read law in the office of Hon. Levert Saltonstall at Salem, and was admitted to the bar in 1839. He served one term in the Massachusetts senate in 1836 as a whig, but after the dissolution of the

whig party he had no political affiliations. He was a man of marked literary taste, a great reader, and performed innumerable acts of benevolence only known by the recipient. Deceased was a loyal friend and a good neighbor.

MIS-USING THE MAILS. A Nebraska Man Arrested On a Serious Charge. W. Y. Reesor is the name of a man who has for several years resided with his family at Fairmont, Neb. Some months ago he went to Chicago, where he commenced using the mails for the purpose of advertising a highly immoral instrument, which he had patented and placed on the market. The postal authorities were apprised of the disgusting affair and immediately determined to arrest Reesor. By the time the case was sufficiently worked up, however, their bird had flown. Reesor was nowhere to be found. Finally his trail was struck. It led into the state of Nebraska. The case was placed in the hands of Deputy United States Marshal Allen, of this city, who found that Reesor resided at Fairmont, Neb., where he had but a short time before been visiting his family. The culprit was there pursued last and the news has just been received that he has been arrested near Chicago. He has been brought before the authorities and held under heavy bonds to answer to the serious charge of using the mails for immoral purposes. Reesor is said to be a man of health and well thought of in Fairmont.

EARLY SACRIFICE.

A large eastern manufacturer, in order to close out a line of nearly 1,000 Spring Overcoats, made us an offer at a figure so low as to scarcely cover cost of the material in the garments. We bought the entire lot in addition to our enormous regular stock of these goods on hand. We had grave doubts as to whether we could dispose of such a quantity of Spring Overcoats in time to accommodate our Summer Goods. In order to dispose of them, immediately, we marked down the price of every spring Overcoat in the house, to such unheard of prices as to force sales. The sweeping reductions on these from our former prices are as follows:

A line of Hancock Cassimere Overcoats, from \$7.50 to \$4.90 with silk facing, - - - - - from \$11.00 to \$8.50

A line of all wool Meltons, from - - - - - \$13.00 to \$9.75

A line of English Homespun cloth, a nobby style, with satin sleeve-linings, from - - - \$13.75 to \$10.50

We have also reduced our finest imported Meltons. This Over coat is silk lined all through and the sleeves with satin, from former price which was exceedingly low at \$14.75 to \$12.75

In making the above announcement, we beg to say that every garment is made up from the latest styled fabrics and manufactured for this spring season exclusively.

All goods are marked in plain figures and at strictly one price at the
