ACCOMPLISHED

Ever since our opening here we have labored under great disadvantage on account of our store being too crowded. We were heretofore not able to get such a large place as we desired, and not only were we prevented from keeping the stock we intended, but we could not even properly display the assortment we do carry.

We have at last succeeded in securing additional room and have leased the two floors above as also the rear part adjoining our store on 14th street. This, in addition to our present salesroom, will make us the largest clothing house in the west.

The necessary alterations will crowd us fearfully, and this as well as the desire to open the enlarged quarters with entirely fresh goods prompts us in making a SPECIAL SALE, at which we will offer extraordinary bargains.

We are Now Marking down our Stock throughout at such prices that it will make a stir in the clothing trade, and will move our goods quickly.

All goods marked in plain figures and at one price.
