The Cowboys Captured.

When the Omaha team made its southern trip a few weeks ago Manager Philbin wrote home that Dooms, who was then pitching for Leavenworth, was the only man in the southern circuit whose delivery was too much for the Omaha gladiators. Dooms is now with the Kansas City club, and occupied the box in that team's contest with the Omahas at Association park yesterday afternoon, and the manner in which he was sluggered would indicate that the gladiators have made a remarkable improvement in their batting. Such is the case. They found Dooms for nineteen hits, with a total of twenty-eight bases, and the hitting of the home team was only one feature of the game. Their work in every respect was superior to anything before done by them in this season. Healey occupied the box on the grounds of the latter and was an easy victim for the home team. The game was well played on the part of both clubs and characterized by terrific batting by the home club. Rowe lifted the sphere over the fence in an adjoining yard and scored a home run. Hart and Hoover were on the Lincoln battery, and Conway and Givens were on the visitors. The score by innings was:
