Contents of the Sunday Bee. Page 1. New York Herald Cablegrams...

FROM all appearances the proud bird of freedom will be justified in screaming loudly to-morrow.

The difference in this and Buffalo Bill is that the latter shows every day.

The emperors of China is soon to be married. His intention is to blow in \$5,000,000 in appropriately celebrating the event...

CHICAGO is going still deeper into the corruption clustering round about it.

MINNEAPOLIS is in a state of great excitement just now. The new high license law, passed by the Minnesota legislature...

American Colonies in Europe. Americans do not colonize in Europe as numerously as Europeans come to this country to make homes...

A Good Appointment. Governor Thayer has made another very creditable appointment. Mr. John Jenkins, whom the governor has commissioned as secretary of the state labor bureau...

Kalaka'ua's Peril. The troubles and difficulties which have beset King Kalaka'ua of the Hawaiian islands, for a year or more past, seem to have become at last very serious...

Education of the Colored People South. At the late commencement exercises at Hampton college, Virginia, an institution devoted to the education of colored students...

THE most tragic incident of recent record resulting from railroad personnel is that of the suicide of E. L. Logwood, a settler on land in California that had been withdrawn from the Atlantic & Pacific railroad...

Baseball on the Sabbath. To the Editor of the Bee: Will you permit one who has carefully read Rev. Savidge's sermon on "Baseball playing on Sunday," as reported in your issue of June 27...

When a Girl Looks Pretty. A girl looks prettier in a nice lawn dress than she does rigged out like a show window of a millinery establishment.

The Best Known. The best and most potent anti-poverty society that we know anything about is the one formed by the close alliance of health, industry and temperance.

Christ arose was called the first day of the week and the disciples of Christ went to meet him on that day...

THE SCIENCE OF DISHONESTY. The System of Stealing Fares Explained by a Veteran Conductor.

HOW HONESTY IS ENFORCED. Failing a Spotter—What Dishonest Conductors Should Know—Dishonest Conductors the Exception.

THE PRODUCTION OF BEEF. Mixed Herds Give Way to the Breeder, Fattener and Finisher.

THE SCIENCE OF DISHONESTY. It is essential to successful knocking down that the conductor should study the science of the business.

THE SCIENCE OF DISHONESTY. The four lines of elevated roads operate 660 cars, one-third of them being idle during the night...

HOW TO TAKE CARE OF YOUR EYES. Keep a shade on your lamp or gas burner never read by twilight, moonlight or on cloudy days.

THE SCIENCE OF DISHONESTY. But he was short on the number the previous trip if he took two through and three through tickets, besides a cash fare.

THE most essential requirements are cleanliness, plenty of fresh air in the cool of the morning and early evening, and a plain, wholesome diet.

THE SCIENCE OF DISHONESTY. Detroit Letter to New York Herald: "In the opinion of some railroad conductors the worst feature about this interstate commerce law is that it prevents them from 'knocking down' as much as they did."

THE SCIENCE OF DISHONESTY. "The public will be interested in knowing how the law prevents 'knocking down,'" said the Herald reporter.

THE SCIENCE OF DISHONESTY. "I dare say, and so will the railroad conductor," replied the conductor.

THE SCIENCE OF DISHONESTY. "The best way will be interested in knowing how the law prevents 'knocking down,'" said the Herald reporter.
