Leaders on Curtis.

New York, August 4.—[Special Telegram to the BEE.]—In concluding his editorial on the address of Mr. George William Curtis before the National Civil Service League, the Times says: "When all allowance has been made for the president on account of the difficulties of his task and the tremendous pressure of political activity and party inertia, it would be well if he could be induced to reflect upon the sources of his strength. When, considering his present position, was not yielding to party pressure, but resting it; not seeking to advance his own interest, the expedients of practical politicians, but relying confidentially for support on an honest, courageous and faithful performance of public duty. This made him stronger than his party and advanced him far beyond it. So far as he has continued to display the same qualities, he has maintained and increased his strength with the people, and wherever he has lapsed from firmness and energetic self-assertion, he has suffered a loss in that popular esteem which makes him necessary to his party and to the country."

DAMAGE BY STORM.

Hail and Wind Play Havoc at St. Edwards. ST. EDWARDS, Neb., August 4.—[Special Telegram to the BEE.]—About 6 o'clock this afternoon the clouds gathered in the west in that peculiar way that denotes the approach of a cyclone or some other equally disastrous freak of nature, and in a few minutes the rain began to fall in all its fury in a deluge. But little damage was done by the hail, hardly a house being without more or less broken windows. The storm seems to have spent most of its violence in the country west and south of here, several houses being razed flat to the ground, while the corn and other grain in the fields is totally ruined. At this time it is impossible to give a true report of the damage done, but it is known that several persons were badly injured, and the doctors have been sent for in haste to attend them.

Catholic Abstainers.

They Adopt Some Interesting Resolutions at Philadelphia. PHILADELPHIA, August 4.—A solemn requiem mass for the repose of the souls of deceased members of the Catholic Total Abstinence Union of America was celebrated this morning in the cathedral. At a subsequent meeting of the association, a number of resolutions were adopted, and a committee was appointed to prepare a plan for celebrating the jubilee of Pope Leo XIII. The most important business of the day was the reading and adoption of the report of the committee on resolutions, which is quite lengthy and contains mostly pledges of further exertion to the cause of temperance. It is believed that they would have less ground now for disappointment.

THE KENTUCKY ELECTION.

It Results Very Disastrously For the Unregenerate Bourbons.

HEAVY DEMOCRATIC LOSSES.

The Worst Set-Back the Party Ever Received in the State—Texas Prohibitionists Snowed Under—Virginia Democrats.

Kentucky Democrats Scored.

LOUISVILLE, Ky., August 4.—[Special Telegram to the BEE.]—The election in Kentucky was a disaster for the Unregenerate Bourbons. Bradley, republican candidate for governor, has gained 36,000 in seventy counties heard from, out of 119 in the state. The republicans claim the state. If Beckner is elected it will take a microscope to find his majority.

The Kentucky Election.

WASHINGTON, August 4.—[Special Telegram to the BEE.]—A private dispatch received here this morning from Kentucky states that while the election is still in debate there is not the least doubt that it is the worst set-back the party ever received in the state. It is said that the surprise in the results are due to the fact that Beckner, the democratic candidate, was about the poorest general election candidate that could have been selected by the dominant party. The republicans, on the other hand, nominated a man who was Beckner's superior in every respect, and as a consequence party lines were in total obliteration.

Drawing to a Close.

CHICAGO, August 4.—[Special Telegram to the BEE.]—It was intended that Chicago's great boodie case should go to the jury this afternoon, and with that end in view Judge Jamieson opened to-day's proceedings at 8 o'clock. But scarcely had Mr. Hardy got fairly launched into his smooth and plausible two-hour argument for the defense when the prospect of the extra work became too much for the jury. Shortly before 10 o'clock Judge Mervin sent in an appeal to Judge Jamieson asking that a recess be taken at the close of Mr. Hardy's argument until 1 o'clock this afternoon. The jury feared that they would be talked to death by the four lawyers. Several jurymen were feeling indisposed and did not wish to be hurried to the court. They wanted another day of it. After due deliberation Judge Jamieson granted the request. Mr. Alexander Sullivan who was to speak this afternoon was also feeling unwell and he joined the request for an easy session to-day. At 10:30 o'clock when Mr. Hardy had finished the court took a recess till 1 p. m.

THE TREAT OF THE SEASON.

Such Was the Game Yesterday Between the Kansas City and Omaha.

HEALEY'S BRILLIANT WORK.

Fine Playing and Much Enthusiasm All Around—The Cowboys Had to Fight Hard—Sport in Other Fields.

Brilliant.

The audience at the ball yesterday afternoon to see the game between the Omahas and the Kansas City, was only fair in size, but the game was one of the finest, the most brilliant interesting played on the local grounds this season.

Both teams were on their mettle and the struggle abounded with glittering plays from the opening to the close. From the field of play the Omahas were the better team. Healey pitched a great game, using extraordinary judgment, the Kansas City retiring in one inning, the fifth, on the first four balls pitched. They made but four actual hits off of him in the entire game. His line work in the points, however, was marred to a certain extent, to two wild throws to first, both of which were caught by the catcher, Messitt, Dwyer, Walsh, Bandler, Bader, Tusselback and Jantzen also handled themselves in an admirable way, especially Messitt and Jantzen, the former making one of the most phenomenal one-hand catches in the history of the game. The umpiring of Mr. Hengle was exceptionally good, but one decision inciting any of the players to a riot, and that was the ninth, when he proclaimed Healey safe on a fly knocked to left field and scooped up along with a handful of hay by the agile Mr. Jantzen.

As is customary on the home grounds, the Omahas went first to the bat, and despite the fact that Walsh opened up the music by working to center, and Messitt got his base on one of Nichols, they were retired without scoring.

Two innings were presented with goose eggs in the first and second, although they succeeded in getting men on bases in both innings.

In the second the Omahas made two tallies, Fusselback took his seat on a throw of pitch to first, Jantzen hit safe to right, and stole second after the ball had been pitched. The audience, Jantzen reminds one of a giraffe as he unfolds himself between the bases, and the ball was pitched. Healey, safe hit, Jantzen crossing the plate, Walsh stole second in fine style kept right on to third and home on a wild throw of Legg to second, which was caught by center field. Messitt made the third out on a high fly to left.

In the third Dick Dwyer hit the ball for a clean base, but he was followed. The ball was put out from pitch to first. Bader got his base on five balls, and Dwyer was run out on the third and home. Gennis got out on a fly to left.

For the cowboys, Tillie's altitudinous fly was indignantly snuffed by Ginnas. He was forced to walk, but he followed. The ball was a difficult foul was nicely cared for by Fusselback. Sunset Mansell was presented with a clean base on a throw of pitch to first, and a wild throw of Ringos' short infield hit, and McKean reached home. Legg, however, dashed the Missourians' hopes by a clean base on a throw of pitch to first.

In the fourth Fusselback hit safely to center and stole second, but Jantzen and Healey were retired. Dwyer, who had been retired again came in, but to go right out again, for notwithstanding Nichols' safe hit, they were prevented from scoring by the sharp fielding of the Omahas.

In the fifth, sixth, seventh and eighth the local gladiators drew elegant blanks, but the Omahas, in the ninth, added two tallies to their score.

In the fifth McKean fanned out, Hassamner hit clean to center, Mansell followed with a clean base on a throw of pitch to first, and Hassamner in by a line drive to left, Mansell, taking third on the same, and scoring on a throw of pitch to first. The ball was captured by Messitt with one hand after a hard run. This was the feature of the game, and for fifteen minutes the uproar was fairly terrific.

In the seventh McKean drove the ball safely to left, went to third on Healey's ball, and scored. Healey followed. The ball was a difficult foul was nicely cared for by Fusselback. Sunset Mansell was presented with a clean base on a throw of pitch to first, and a wild throw of Ringos' short infield hit, and McKean reached home. Legg, however, dashed the Missourians' hopes by a clean base on a throw of pitch to first.

Legg, however, dashed the Missourians' hopes by a clean base on a throw of pitch to first.
