They Are to be Given Back the Stock Withheld From Them. At the headquarters of the Department of the Platte, the following despatches were received addressed to General Crook. They are coupled with an order to General Crook from the secretary of war...

SOUTH OMAHA NEWS.

The B. & M. moved 165 cars of stock out of the yards the past week. Some evil minded persons put a large drain box on the track Tuesday night, possibly with the intention of derailing the train. One of the night watchmen heard them moving the timbers and went to see what was up when the fellows skipped. The land company will place their West Side property on the market in a few days. J. P. Hayes, who was on a visit to his family in Chicago, has returned to the city. Two car loads of cannon from the west passed through South Omaha for the soldiers' reunion at Omaha. A birthday party will be given on Saturday at the residence of Mrs. Trunker. About a dozen old soldiers held a meeting Wednesday night in the Benson house to make arrangements to attend the reunion at Omaha. They will meet again on Sunday afternoon and make final arrangements. There are about forty old soldiers in this neighborhood, and all that can will attend the reunion. In about ten days the city will begin to grade N street within four feet of grade from the railroad east to 30th street. Half the distance will be full width and the rest but half. The county commissioners and land company will grade Twentieth street and Missouri avenue to Thirtieth in the city. The authorities are working hard to get the streets in good order before winter. Track laying was begun on the Motor line yesterday. Mr. and Mrs. Humphrey Sullivan, who for a long time conducted a private boarding house on the West Side, have discontinued their hotel on account of both being very ill. Chris Melcher has put in a partition and some new improvements in his drug store. Judge Reuther had an uninterrupted day of rest yesterday, as there were no cases before him. Gigantic strides are made every day toward the completion of Swift's packing house. This house is almost ready for the addition of the third story and frame work for other parts is in course of erection. On and after Aug. 28, the Missouri Pacific railway will run two trains daily to Nebraska City, leaving Omaha at 10:45 a. m. and 9:10 p. m. from their depot at 15th and Webster sts. arriving at Nebraska City at 1:37 p. m. and 11:55 p. m. THE NEW YORK FIREMEN.

Making Arrangements for Their Reception Next Week. The joint committee of the board of trade, council and veteran firemen met in Chief Galligan's office. It was reported that the work of raising subscription for the reception of the New York firemen was progressing satisfactorily. Messrs. Kennedy, Simpson and Baumer were appointed a committee to provide hacks to accommodate the ladies of the party. It was announced that the hospitality of the Millard hotel had been extended to the veterans by the proprietors of that house and that the same had been accepted. The use of the Belt Line for excursions was also tendered gratuitously. Three dozen badges of one kind and fourteen dozen of another style were reported on by Joe Tenhoun, at a cost of \$4. They were accepted. It was decided to appoint a committee of Omaha ladies to meet and extend hospitality to the ladies of the visiting party. This committee will be appointed by the committee on carriages. Both the Union Pacific and Ancient Order of Hibernians bands will be engaged for the reception. The visitors will visit the running by the gunboats of the West and Vicksburg batteries on Thursday night. The programme agreed upon is as follows: From the train at 4 o'clock Thursday to the chamber of commerce, where a reception will be held; thence to the Millard for supper; thence in the evening to Cut-off lake. Friday morning the parade will be held; in the afternoon a visit to the fair grounds has been decided upon, and in the evening the entertainment will ensue at the exposition. The local volunteer firemen will wear cream colored coats and black felt hats.
