

ANARCHISTS IN SUSPENSE.

No Decision Yet Reached by the Illinois State Supreme Court.

BECOMING VERY ANXIOUS.

Great Curiosity Manifested as to Whether a New Trial Will Be Granted—Nina, the Crank, Visits Spies.

awaiting the verdict.

OTTAWA, Ill., Sept. 6.—(Special Telegram to the Bee.)—No decision will be given in the anarchist case today at least. The court met this afternoon and at once adjourned until to-morrow, when it is expected that all the judges will be present.

Only three Chicago lawyers are here, the only one of whom has had any connection with the anarchists case being Leonard Swett. But he is out of it and is only interested in the decision as a matter of professional curiosity.

It is believed that in this case it will be left to the jury to decide whether the opinion of the attorneys as to the law in the case is that there is sufficient evidence to warrant the verdict that was returned by the jury. On the point upon which the matter is supposed to hinge, however, namely, whether a man making incendiary speeches which incite to murder is responsible for the murder resulting from such cause, there is a difference of opinion among good lawyers, and doubt still exists as to how this point will be viewed by the court.

Chicago, Sept. 6.—(Special Telegram to the Bee.)—Commenting on the Associated press dispatch, which gave this rumor, the Journal says to-night: "A portentous report is brought to-day from Ottawa and it is apparently verified by such particularity of detail that there is reason to apprehend that it may not be without the elements of exactness."

It is said that the jury will be asked to affirm the judgment and the sentence against the condemned anarchists, the announcement would be brief and would be oral as was the case in the trial. It is a new trial it is added that the jury will be asked to affirm the judgment and the sentence against the condemned anarchists, the announcement would be brief and would be oral as was the case in the trial.

Chicago, Sept. 6.—(Special Telegram to the Bee.)—At the county jail Nina Van Zandt came early and for once at least did not stay until the prisoners were locked in their cells.

She wore a neat dress of changeable blue silk, her face looked careworn and an expression of anxiety was apparent in her eyes. As soon as she had departed Spies joined Schwab, and linking his arm through that of the tall anarchist, the two hunted up Fielden, who was rapidly pacing the northern corridor. There were animated and argumentative discussions between the men and Schwab's ashen face looked very much like that of a man afflicted with nervous fever.

Chicago, Sept. 6.—(Special Telegram to the Bee.)—The trial of the anarchists is expected to continue for several days.

THE FLOOD AT FULLERTON.

It is Now Estimated that the Damage Will Reach \$25,000.

WAHOO BUILDING WATERWORKS

In Spite of the Injunction of the Mosbachers the Work Goes Bravely On—The News in Nebraska.

A Destructive Cloud Burst.

FULLERTON, Neb., Sept. 6.—(Special to the Bee.)—The terrific rainfall and flood of last Thursday was unprecedented in Nauco county. On Friday morning the four rivers overflowed, sweeping everything before it, including two miles of the Union Pacific railroad track and a Cedar river wagon bridge.

On Friday night the torrent began washing out the embankment of the mill race and the water began to take its course to the race, in which case the mills and elevators would have been carried away, but on Saturday morning the water rapidly receding, leaving about two feet of embankment to hold it in its bounds.

Washington County Republicans.

BRAN, Neb., Sept. 6.—(Special to the Bee.)—The republican convention of this county has just closed its labors. The following ticket for county officers was nominated: For treasurer, E. C. Jackson; for clerk, W. J. Cook; for sheriff, H. D. Schneider; for judge, E. E. Munford; for coroner, J. P. Petersen; for superintendent of public schools, J. Henderson; for surveyor, H. Hill.

This is a victory so far for what is termed the "Osborne, Boggs and Taylor" faction. A. H. Cannon, J. M. Cannon, T. W. Osborne, W. Gannon, L. C. Weber and J. Frahm were selected as delegates to the state convention. The following ticket for county officers was nominated: For treasurer, E. C. Jackson; for clerk, W. J. Cook; for sheriff, H. D. Schneider; for judge, E. E. Munford; for coroner, J. P. Petersen; for superintendent of public schools, J. Henderson; for surveyor, H. Hill.

Items From Wahoo.

WAHOO, Neb., Sept. 6.—(Special to the Bee.)—The G. A. R. post of this place, en masse, attended by the Wahoo band and a large delegation of citizens, left for the Omaha fair and G. A. R. reunion this morning.

Several car loads of mains for the waterworks arrived today and work on the trenches will be begun this week. The work of testing for water supply was done last week, and the pumps and pump house will be located at the foot of Maple street very near Wahoo creek. The work is being pushed rapidly, regardless of the pending injunction suit.

Fire at Schuyler.

SCHUYLER, Neb., Sept. 6.—(Special Telegram to the Bee.)—Last night fire broke out in Broelette's marble shop. When discovered the fire was all in the roof. As the building was not connected with others, the flames were extinguished before spreading. Pieces of partially burnt paper were found in the corner of the building, suggesting the fire to have been the work of an incendiary.

Died on the Train.

WEST POINT, Neb., Sept. 6.—(Special Telegram to the Bee.)—Ludley K. Brewer, of Atchison, died on the train going east at West Point, Neb., Sept. 6. He was taken to the hospital and then forwarded to his home in St. Louis.

Brilliant Silver Wedding.

PORTA, Neb., Sept. 6.—(Special to the Bee.)—One of the most brilliant affairs ever took place in this county (Sargy) was the celebration last Saturday of the twenty-fifth anniversary of Mr. and Mrs. Andrew Sargy's marriage.

THE ROCK ISLAND RAMPANT.

It Makes a Big Passenger Cut Between Chicago and Kansas City.

KANSAS CITY, Sept. 6.—(Special Telegram to the Bee.)—The Chicago, Rock Island & Pacific has created considerable stir in railroad circles by making a \$5 Chicago rate, which represents an open cut of \$6.50. The vicious manner in which the knife was played indicates that the Rock Island people are in no pleasant mood and it will be interesting to watch the extent to which the war will be carried. It is possible that it will stop right where it is, as to cut the rate still lower would prove a costly move on the part of the railroad company, a financial sacrifice too great for them to stand merely to carry out a programme mapped out in a spirit of revenge.

THE HADDOCK CASE.

The Case Against Fred Munchrath to Be Commenced To-day.

ST. LOUIS, Mo., Sept. 6.—(Special Telegram to the Bee.)—The trial of Fred Munchrath, one of the famous Haddock conspirators, is set to commence to-morrow morning at 11 o'clock. Juozef Wakefield will preside in this case. The title of the case is the State vs. John A. Aresdorff et al. Fred Munchrath is a co-defendant and is charged with the murder of the prominent lawyer, Rev. George C. Haddock, on the night of August 3, 1887. The Aresdorff trial was perhaps the most noted trial occurring in the criminal courts of America for many years. After a long and hard-worn trial the jury stood eleven for acquittal and one for conviction. Now the case is again in court. The man who is to be placed on the trial to-morrow is a son of Fred Munchrath, a man from the Second ward, and an old citizen. The defendant is an ex-saloon keeper and has since early childhood been identified with the liquor traffic. Hon. T. P. Murphy, United States district attorney, will be one of the witnesses against Munchrath. During the trial of John A. Aresdorff, Mr. Murphy swore that on the night of the murder he arrived home from the east on the 10 o'clock Illinois Central train. While passing Pearl street on Fourth his hack stopped. Fred Munchrath opened the door and putting his head into the hack, asked "Where is the other car?"

Iowa State Fair.

DES MOINES, Ia., Sept. 6.—The state fair to-day had beautiful weather and the attendance was estimated at 15,000. The special feature of the day was the reunion of old soldiers, about 3,000 being on the grounds. Speeches were made by General Tuttle, ex-Speaker Reed and others. The steps were taken to arrange for a permanent organization of old soldiers to meet during fair week annually.

A Section Man Killed.

PENNY, Ia., Sept. 6.—(Special to the Bee.)—Train No. 3, Chicago, Milwaukee & St. Paul road struck a section man this morning named Paul Berge, at Atkins, a small place east of here, killing him instantly. He had crossed the track to get a shovel and started to return, when the train struck him, mangling him in a most horrible way.

Jack has been a terror to this community for years, but his operations have been so cunningly planned and executed as to avoid detection.
