

THE DAILY BEE. COUNCIL BLUFFS OFFICE, NO. 12, PEARL STREET. Delivered by carrier to any part of the city at twenty cents per week.

VERDICT OF THE VISITORS. They Declare the Council Bluffs Fire Alarm System a Failure. PAYING FOR A DEAD HORSE.

MINOR MENTION. N. Y. Plumbing Co. Reiter, tailor. Fall goods cheap. The city council meet this evening.

The Hazard Suit Against the City—The U. P. Preparing to Push Up Tenth Avenue—Morse Jury Disagrees. The Visiting Aldermen.

The grand jury were yesterday examining witnesses with a view of indicting those who run gambling houses. Judge Deemer is to lecture on Pythianism before St. Albans' lodge No. 17 and invited guests in a short time.

The undersigned, at the suggestion and wishes of the members of the council, visited Omaha, Council Bluffs and Chicago for the purpose of getting at the facts and otherwise determining the merits of the proposed fire alarm telegraph—the Gamewell and Richmond—would be the proper ones for the city.

The city marshal has been notifying those who continue putting up buildings that they must take out the necessary permits. Martin Lawler, an old resident, who has been long sick, died yesterday morning at his home in this city.

The proposition by the Gamewell company was to put in a complete system, five miles of wire and ten boxes, bell striker, gongs and battery for \$2,000, adding five more boxes at the same time for \$500.

Charles Fisher and Ed. Denning were last night arrested as vagrants. They were put off the dummy train near the packing house and dunned all night in the county jail. J. Suit, a drunk, was arrested last night and taken to the county jail, as his stench in the county jail is so strong that the police were afraid he'd be dead before this morning.

In the report of the fire committee of the Janesville council it was stated that the committee had some time ago written to the chief engineer of the fire department of Council Bluffs about the Richmond system and received the reply that "it was no good, and advising the city not to try it."

The clistern on Willow avenue that cost the city \$2,500 is being filled previous to building the sewer. This is the way progress is being made by the city, it having no further use for cisterns for fire purposes. Those are things of the past.

The two visiting aldermen from Wisconsin were shown around the city by Mr. Lacy, and also by the mayor. They received concerning the workings of the Richmond they got largely from him. Mayor Groneweg was with them also in a circuit of the city.

George and Thomas Green were Tuesday thrown from a buggy, the horse becoming frightened in some way. George escaped with a few bruises but his brother was more seriously hurt. He was resting more comfortably yesterday, with good prospects of a full and speedy recovery.

The difficulties attending the captivity of the guards have been in part removed by the resignation of Captain Messimer, who has moved to Omaha. There was some little friction and some dissatisfaction, although for the most part the company seemed to be well content with him at the head.

Personal Paragraphs. Charles L. Haas has gone to Chicago for a few days. Mrs. I. M. Hay is reported as greatly improved in health.

The two aldermen who visited this city seemed to have raised a storm all around. On reaching home they presented a bill of \$190 for their expenses. The bill was allowed by the council, but the citizens of that charming little place are very cautious and economical.

Dr. J. T. Van Ness, physician and surgeon, office room 3, Opera House block, will attend professional calls day or night. Residence, corner Eighth avenue and Fifteenth street.

The Union Pacific and the Bluffs. The visit of the Union Pacific officials to this side of the river was attended with the usual amount of mystery, but the purposes are now definitely announced.

They have decided to begin work on the Tenth avenue route as soon as they can secure the necessary lots, most of which have already been purchased. The ordinance under which they secure the right of way provides that they must have the track down and the depot built by the 31st of December.

There are many inquiries as to how the new bridge is to be operated. The railway managers themselves are undecided. They will have to experiment somewhat before making permanent arrangements. It is reported that when the bridge is completed the company will throw open the wagon and foot ways for free use by the public for thirty days, so as to determine, if possible, to what extent probable traffic will be.

The double track will be ready for operation by the 1st of October. The wagon ways and approaches will be completed by the middle of October. As soon as possible after the completion of the double tracks there will be several more ferry trains put on, so as to better accommodate the rush of teams, and the better to test the question as to whether drivers prefer to cross the river by the ferry train, or by the wagon way.

Resolved, That this lodge has learned of the death of our deceased brother, and regret and its members, one and all, desire to bear testimony to their love for him while living and their sorrow at his departure from among us in the vigor of life while in the faithful discharge of his duties alike as a member of this lodge, of his family and the community in which he lived.

The ordinance referred to the committee of the whole council, have not been acted upon yet in committee, and in consequence cannot come up at tonight's meeting of the council. It is possible that another ordinance may be presented for reference, while it is very probable that one of the ordinances already in committee will be reported to the east side of Harrison street, Glen avenue from High School avenue to the water works reservoir.

Wants Pay For a Dead Horse. In the district court yesterday the case of Hazard against the city was on trial. In this case the plaintiff endeavors to recover damages for the loss of a valuable horse. The horse was coming down Park avenue, and just as he turned into Pierce street slipped and broke his leg, so that he had to be shot. The horse was valued at \$2,000, and the plaintiff claims that the bad condition of the street was the cause of the accident.

Watches, clocks, jewelry, etc., the best in the city. C. V. Coker, No. 419 Broadway. Repairs a specialty. Close Call For Horse. The jury in the case of William Morse, after being out twenty-four hours, reported in court yesterday morning that it was impossible for them to agree, and they were accordingly discharged.

Death of Mark Walters. Mark L. Walters died about 5 o'clock Wednesday evening of consumption. He was in his twenty-fifth year. The funeral will be held at 3 o'clock this afternoon. He was the youngest child of Mr. and Mrs. E. J. Walters, and this is the first time they have been called upon to mourn the loss of one of their own children.
