Sworn to and subscribed in my presence this 25th day of November, A. D. 1897.

Notary Public. State of Nebraska, County of Douglas.

Sworn to and subscribed in my presence this 4th day of October, A. D. 1897.

Notary Public. State of Nebraska, County of Douglas.

SENATOR MANDESON is giving the Philadelphia paper great chunks of national and Nebraska politics.

DR. MARY WALKER has at last found the "sphere" which she has so long been seeking.

Now we are to have another railroad. This time it is the Omaha & Mexican Air Line.

The clearance record of Omaha's foot-pads would make an interesting exhibit.

The postmaster-general's report shows that thirteen thousand postoffice appointments were made during the past year.

FRANK SHELDON, a private soldier, has been arrested in New York for publishing some military criticism in one of the metropolitan papers.

RED WING, Minnesota, has some people that can not now be touched with a ten-foot pole.

The Chicago, Milwaukee & St. Paul railroad now beats its rivals running between Chicago and Minneapolis.

The Standard Oil company proposes to lay a grand trunk pipe line from Chicago to New York by way of the Ohio and Pennsylvania oil fields.

The coal barons have no respect for laws if by disregarding them they can add to their ill-gotten gains.

THERE are a few rules which the police commission could profitably add to those already adopted.

GOULD and Sage are charged with criminal management of the Kansas & Pacific. Complaints have been filed in the district attorney's office.

THE Iowa state railroad commissioners have made their annual report and it is an interesting document.

A Demand for Backbone.

Democratic organs are becoming very earnest and urgent in their appeals to the representatives of the party in congress to brace up their spinal columns and assume an aggressive attitude.

It is a perplexing situation, pregnant with danger in whatever way it shall be treated, the question being as to which way is the more dangerous.

Other Lands Than Ours. There are promising indications that the Salisbury ministry may give to pieces on some other issue than its Irish policy.

A Railroad of Their Own. Notice has been served upon the great trunk lines, which control Nebraska railway traffic.

the future the determination of what changes may be necessary to obviate a recurrence of such political upheavals. Under the French constitution the president of the republic is chosen by the national assembly for seven years and is re-eligible.

THE death of M. Katkoff in Russia bids fair to close the career of anything like independent journalism in that country.

STATE AND TERRITORY. Nebraska Jottings. Hastings is on the beet root to prosperity. Lincoln promises in time to become the Waterbury of the west.

The difficulties between Guatemala and Mexico, which at one time promised a grave issue, are in a fair way to be adjusted.

The case of Prince Ferdinand proves that to be everybody's enemy is sometimes as fortunate as to be everybody's friend.

The situation in France is still one of grave uncertainty, with almost any outcome possible.

Another member of the German imperial family, Prince William, son of the crown prince, is reported to have an affliction.

THE Iowa state railroad commissioners have made their annual report and it is an interesting document.

the public schools of the state, an increase of 2,500 over last year. A Pittsburg syndicate proposes to bore for natural gas in Denver.

THE contract to build the state capitol in Denver has been awarded to the contractor, Richardson, an imported Housier.

There are 310 licensed saloons in Denver. They are divided into three grades. Ten rank first grade and pay \$800 a year.

THE Lincoln Jail Birds. The imprisoned city fathers from Lincoln are still in the best of spirits.

THE case of Prince Ferdinand proves that to be everybody's enemy is sometimes as fortunate as to be everybody's friend.

THE situation in France is still one of grave uncertainty, with almost any outcome possible.

Another member of the German imperial family, Prince William, son of the crown prince, is reported to have an affliction.

THE Iowa state railroad commissioners have made their annual report and it is an interesting document.

THANKSGIVING DAY.

Its General Observance in Omaha Last Thursday. Its Origin Purely American—What Omaha People Had to Be Thankful For.

Thanksgiving day has come and gone. In 1620 on the 26th day of December the Pilgrim Fathers landed in America, and immediately set aside a day to be observed in general.

There are 310 licensed saloons in Denver. They are divided into three grades. Ten rank first grade and pay \$800 a year.

MARRIAGE OF MISS SOPHIE COOKE TO MR. A. W. KINSMAN. The marriage ceremony of Miss Sophie Cooke to Mr. A. W. Kinsman, was solemnized at the residence of the bride's mother.

THE city of Holdrege is just breaking the shell of her infancy, and threatens to unfold a tale of future greatness.

THE case of Prince Ferdinand proves that to be everybody's enemy is sometimes as fortunate as to be everybody's friend.

MISS SOPHIE COOKE. Mr. Wiggs resides at the corner of Twenty-eighth and I. He is a well known and respected citizen.

THE following statement regarding Drs. McCoy and Henry is made upon good authority: "The doctor has cured over six thousand cases of catarrh, chronic throat and lung trouble, and these cases are not only cured and pronounced incurable."

CATARRH DESCRIBED.

When Catarrh has existed in the head and the upper part of the throat for any length of time the mucous membrane has become so thickened that it is no longer elastic.

SNEEZING CATARRH.

What it Means, How it Acts, and What it is. You sneeze when you get up in the morning, you try to sneeze your nose off every time you are exposed to the least draft of air.

DOCTOR J. CRESAP M'COY, AND DOCTOR COLUMBUS HENRY. 310-311 RANGE BUILDING, Omaha, Nebraska.

INFANTILE SKIN DISEASES.

Our oldest child, now six years of age, when an infant six months old was attacked with a skin disease which was very obstinate.
