**BLE PRESENTS** 

Recognizing the special inquiry which is always made at this season of the year for Boys' Suits and Overcoats suitable for Christmas and New Year's Gifts, we have decided to meet this want in a manner which must be highly gratifying to economical parents by offering special inducements in our Boys' and Childrens' Department. The large and pleasant room devoted to this department and the excellent light makes selection easy. We have an unusually attractive assortment and our prices will leave all competition out of sight. We offer for this week

Childrens' Good Overcoats, sizes 4 to 10, at \$1.35, for which other dealers ask \$2.50,

Very nice Childrens' Ulsters, brown plaid, neatly made, sizes 4 to 10, at \$2.25.

A splendid Cassimere Overcoat, with adjustable cape of same material, at \$2.50.

Another good Overcoat, similar to the above, is with Astrachan cape and cuffs, a very stylish looking garment, also, at \$2.50. It would be excellent value for \$5.00.

In finer grades we have a few small lots of very choice styles which we offer at marvelously low prices. The brief season left for the disposal of hese goods compels us to mark them at less than one-half their actual value.

One lot of little Ulsters made of fine Chinchills and beautifully trimmed with braid, sizes 4 to 10, at \$5.75.

One lot of very fine Astrachans, with satin lined cape, a beautiful garment, for \$7,50.

Another very fine little Kersey Coat, with beautiful fur trimming, for \$7.25.

No more and appropriate and useful Holiday present for Boys can be suggested than one of these garments, and we guarantee that these styles could not be duplicated in any first-class establishment for less than double the price.

A large variety of Boys' Overcoats and Ulster sizes, from 12 to 18, at equally low prices.

In Boys' and Childrens' suits we have an immense variety of styles and qualities from \$1.60 up. Some of the finer grades we have reduced consider able. The figures were seeming low enough before, but we want to sell them out before the season closes.

There are also some splendid suggestions for presents in other departments in our large establishment. We carry the most complete Stock of Mens' Eurnishing Goods and at lowest prices. An inspection will prove more forcibly than ever before that we are the leading Mens' Furnishers of Omaha, and we guarantee our prices lower than asked in any other house for like qualities. Among the many articles which we carry and which would make

useful presents for gentlemen, we enumerate a few

for the act, and it was not shown that Morris

rooms. White, who came to the room with

Morris, noticed nothing wrong and went to bed and asleep leaving Morris disrobing.

About 12:30 W. E. Foreman, who also roomed there, came to the door and *inding* that it opened hard pushed his way in. The light was burning low, and hanging against the door, with a rope over the transom, was the warm body of Morris, who in hanging himself had been obliged to draw up his knees in order to accomplish strangulation. He has a brother, James Morris, who runs a restau-rant, and a sister, wife of A. N. Wykoff, who is engaged in real estate. None of the rela-tives are able to ascribe any cause for Mor-ris' act, to whom the shock came like a thunderbolt. The verdict of the jury was that Morris came to his death from his own hand for reasons unknown to the jury.

There is a lively prospect of a railroad case of an entirely new character to awaken the echoes in a few days and it will be brought direct to the courts without taking it to the board of transportation to be be piggled with through compromise set up by the railroad secretaries on the board. Since the farce os compromise the board of transportation have a duty to perform before many results can be looked for, and that is to put secretaries in power who have some idea beyond a compro-mise dictated direct by corporations.

Strong said that he called on Dunn, Friday, for his money, but, instead of paying him, Dunn grabbed the rung of a broken chair, and hitting him in the face knocked him down. Dunn denied this, He said he struck Strong in, self-defense; that Strong had hit him first and was advanc-ing upon him menancingly a seconditime, when he used the club. The court was rather in-clined to credit the story of Strong, and Dunn was assessed a fine of \$16 and costs, and ad-vised to pay the complainant what he owed him. Instead of doing this, however, he had his lawyer appeal the case to the district court, and furnishing bonds departed. Strong will now bring civil suit for the collection of his wages. his wages.
