GRATEFUL --- COMFORTING Epps's Cocoa

BILLEVIE.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by careful application of the fine properties of well-selected Cocsa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many leavy doctor's bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
