## LAST CUT.

The unusually warm weather forces us to place our light weight goods on our counters much sooner than we intended, and does not give us as much time as we expected to have in which to close out the balance of our winter stock. We have a few heavy weight suits left, and to make an entire sweep with them, have made another and last
cut on several already marked down lots and will offer them for this week at prices that will make it interesting for any one to look at them. The attention of mechanics, machinists and working men is particularly called to two lots of good cassimere suits,marked down to $\$ 5.90$ and $\$ 6.75$. These are splendid bargains as the suits are positively worth double the money. They are strong and honestly made and will wear well.
A lot of elegant 4-button cutaway frock suits, of finest quality cassimere and equal to any custom made suits, has been marked down to \$11.50. This suit cannot be procured at any other house for less than $\$ 20$.
In our Boy's department we will also offer this week enormous bargains to close out a few styles of heavy weight suits, and we urgently invite ladies to takeimmediate advantage of this remarkable opporunity, as such bargains will not be offered again.
Having closed out all our last year's fancy shirts, we have now opened and placed on sale, a fresh, new line. Without excention we show the largest and handsomest assortment of French Percale shirts in town. Beautiful and choice patterns, some of them very fancy, but the prices will not be found at all tancy.

## All goods marked in plain figures and at strictly one price.
