

THE DULL LENTEN SEASON.

But Few Social Events of Prominence During the Past Week.

THE HEBREW MASQUERADE BALL.

The Dedication Ball and Banquet of Goodrich Lodge I. O. O. F.—A Happy Family Reunion—A Noble Wedding—Chit Chat.

The past week in society was an exceedingly dull one. There were no private receptions and but two important parties. Many prominent social lights of Omaha are visiting out of the city and those remaining seem to feel the restraining power of Lent. A word of the week's doings will be found below.

The Young Men's Hebrew association gave a grand mask ball at Exposition hall last Monday evening. It was a social event of the first magnitude and was attended by over two hundred guests. The hall was decorated in magnificent style. The costumes of the ladies were especially handsome and created much comment from the spectators who filled the hall. The music was furnished by the Musical Union orchestra.

The Grand Banquet and ball of Goodrich Lodge No. 44, I. O. O. F. was held Tuesday evening in their new hall, corner of Saunders and Hamilton streets. It was a splendid success and was largely attended by members of the various Omaha lodges. The program of the evening was given to a musical entertainment in the handsomely furnished ball room on the third floor, where some excellent vocal and instrumental selections were rendered, after which the ray throng repaired to the large and commodious ball room on the second floor. The program of sixteen numbers was danced to the music of the Musical Union orchestra. At 11 o'clock an elegant supper was served in the ball room. The building itself is a splendid structure, very well arranged and costing in the neighborhood of \$30,000. It is formally dedicated to the use of the various lodges in the city and is a great credit to the I. O. O. F. of the state.

A NOTABLE WEDDING occurred Saturday evening, February 11, at the residence of Mr. and Mrs. John F. C. Mennecke, parents of the bride, 306 Central avenue, Jersey City Heights, N. J. The contracting parties were Mr. Henry L. Boese, of Omaha, Neb., and Miss Emma Mennecke, Mr. Charles Metz, of Omaha, was Christian and one of the groomsmen. The company was very large and many valuable and useful gifts, including a beautiful upright piano, were presented to the bride. Many handsome presents were also received from friends in Omaha. Numerous telegrams of congratulations from Omaha and cablegrams from Germany were received during the evening. After the wedding reception the happy young couple started, amid a shower of rice and good wishes, upon an extended southern trip, expecting to reach Omaha early in March.

THE PUPILS of the Academy of the Sacred Heart at Park Center, Wis., held their annual Lenten program of literary and musical exercises at the residence of Mrs. J. W. Griffith, at Pleasant Hill-top, far from being exhausted, and the "evening with the Italian artists" was a most enjoyable one. Without entering upon the controversy about the right of art criticism, these young ladies struck a true note in showing that good pictures need neither explanation nor defense, and that to enjoy a fine picture one need not be able to paint it than to enjoy a good dinner one must be able to cook it. The appended programme gives the details of the evening. The music, vocal and instrumental, was in excellent taste.

POSTMASTER AND MRS. GALLAGHER gave a family reunion on Friday evening to celebrate the sixty-sixth birthday of the latter's father—the Hon. James Gallagher. The affair was a delightful affair, and thoroughly enjoyed by all those present. Mr. and Mrs. James Creighton, Postmaster, Constantine Y. Gallagher, wife and children, Mr. John Y. Gallagher, wife and one child, and seven other sons and daughters of Mr. and Mrs. Creighton.

THE IMPERIAL CLUB'S reception on Friday evening was one of the pleasantest given by that organization this season. The seventeen numbers of the orchestra were unique and new. The second infantry band furnished delightful music. The next ball to be given by the Imperial club occurs on March 30.

THE "SARS CHRONICLE," a new social club was formed last week. George Holmes was elected president, Ed Simpson was chosen treasurer and A. F. Brewer was selected as the society's secretary. The members who assisted in the organization of the society are as follows: J. L. Craig, J. Hopewell, N. E. Dillrance, J. Burnester, J. H. Handel, W. H. Handell, William Hoppen, Herman Drexel, J. P. Finley, Benjamin Marti, R. B. Storma, Mr. Smith, Dr. J. H. McManis, Louis Boehme.

THE LADIES of the Windsor Dancing club returned their compliments to the gentlemen members by giving them a leap year party last Friday evening. Those present were Mrs. M. C. Clancy, Mr. and Mrs. W. Shropshire, the Misses Annie and Abbie Holmes, Clara and Hattie Crowe, Harry, Shropshire, Thomas, and Mrs. M. C. Clancy, Sophie and Agnes Hume, Wright, Sellers, Missor, Swobe, Talmage and Roberts; Messrs. Porter, Holmes, Omohondro, Conrad, Clayton, Jones, Tunkela, W. Fisher, Woodburn, J. C. Fisher, Stacy, Muffatt, Talmage, J. Misner, W. Misner, Gratton and Roberts.

THE HAWTHORNE CHAUNTRA CIRCLE gave an entertainment Tuesday evening at the Belmont Hill Club. The program consisted of very enjoyable recitations of a historical character, those giving the impersonations being in costume, comprised the different numbers of the club, and Mrs. M. C. Clancy, Mrs. Thompson, Mrs. Free, Miss McPartland, Mr. Stuart, Dr. McKean, Mr. Palmer and Mr. Zarbaugh.

THE RECEPTION tendered to Mr. and Mrs. S. W. Rindkopf on their return from their bridal trip, at the rooms of the Metropolitan club on Saturday evening, was largely attended by their numerous friends and was a great success. The bride received a fine floral offering, presented in the name of the groom, and the bridegroom was presented with a watch. The reception was held at 10 o'clock in the dining parlors of the club, after which dancing was resumed. Among those present were noticeable, Mrs. and Mrs. Max Meyer, Mr. and Mrs. Morris Meyer, Mr. and Mrs. Adolph Meyer, Mr. and Mrs. H. Hollman, Mr. and Mrs. E. Adams, Mr. and Mrs. T. S. Sloman, Mr. and Mrs. M. Sloman, Mr. and Mrs. D. Kaufmann, Mr. and Mrs. J. Goldsmith, Mr. and Mrs. J. New, Mr. and Mrs. C. G. Smith, Mr. and Mrs. T. Sonnell, C. H. Schlemmer, C. Rindkopf, T. Newman, H. Wiss, M. Rosenfeld, C. Schlemmer, the Messrs. Julius Meyer, Simon Fisher, D.

THE UNION CLUB.

A Constitution Adopted and Temporary Officers Made Permanent. Thirty representative business men of Omaha met at the chamber of commerce last night to perfect the organization of the Union club. Dr. Miller presided. Considerable time was spent in discussing the best methods for completing the organization of the association. Mr. C. J. Green strongly advocated a strictly legal method of procedure. He insisted on the re-adoption of the articles of incorporation and the publication of thirty days' notice in the newspapers of the incorporation of the club. This he thought necessary to make amends for the seeming haste of the first meeting. This brought out considerable discussion as to whether such procedure was necessary. The threatened interminable debate was suddenly checked by Mr. Thomas Kilpatrick arising and suggesting that as the club was a social one it might be well to commence by being pleasant and avoiding unnecessary discussion. Mr. Frank Colpeter then moved the adoption of the articles of the club, and that this action was a reconsideration of all previous action. This motion was carried and the articles were unanimously adopted. The temporary officers were re-elected for the permanent organization for the coming year. The constitution and by-laws were then adopted. A business committee was adopted consisting of Messrs. Frank Colpeter, John A. McShane, Fred Gray, J. T. Burroughs, S. M. G. Clark, H. H. Handel, Euclid Martin, Herman Kontze, H. T. Clarke, Thomas Kilpatrick, John S. Collins, J. E. Kitchin, Thomas Sylvester, W. A. Fox, Tom, C. H. Rustin and T. C. Bruner. The members of this committee are to have considerable latitude, but their main work is to look after the interests of the club, and any person contemplating moving or establishing enterprises here receive a proper hearing.

The Mayor and Licenses.

Mayor Brouthard said yesterday that there are but five saloonkeepers in the city whose licenses bear his signature and consequently all other proprietors of saloons are selling liquor illegally. On the first of April he said it is his intention to notify the chief of police and license inspector officially of this breach of the law and have all offenders brought to justice.

ECHOES FROM THE ANTE-ROOM

Items of Interest to the Members of the Secret Orders. A THRUST AT GENERAL CARNAHAN. The order of the Iron Hall has a total membership of 20,000, and since its organization at its last session decided to raise the net membership gain for January was 1,211.

THE INCREASE in the membership of the Knights of the Golden Rule during 1887, was 40 per cent.

THE SUPREME lodge "Legion of Honor of America" at its last session decided to raise the reserve fund of \$30,000 to raise which members will have to pay an additional assessment each year for five years.

THE MEMBERS of the Nebraska City U. R. K. of P. will give a ball Monday, April 2.

MONA DIVISION No. 34, Uniformed Rank, K. of P. at Kearney, Neb., have sent in their annual report, and the showing made by this division is certainly a creditable one. While the membership is not large—twenty-seven—yet it is composed of all young, active men, and they are determined to be in the front rank of the order.

THE OFFICERS of the Omaha Second Regiment Uniformed Rank, K. of P., met at the armory last evening and organized a school of officers. This was a useful organization and will promote a uniformity in all regimental or brigade movements, and give the officers a more correct idea of what is expected of them during the spring. No. 21 will not be behind in drill and sword exercise before June and can compete successfully with any division in the city.

Colonel and Assistant Inspector General J. H. Gibson and Major W. S. Spencer inspected Fremont division No. 21, February 27th evening, and especially commended the drill and sword exercise of the company, and Captain M. J. Mahoney was very highly complimented by the inspector general. They number forty-nine in good standing and are expected to increase during the spring. No. 21 will not be behind in drill and sword exercise before June and can compete successfully with any division in the city.

VIOLA LODGE No. 50, K. of P., has postponed its entertainment on account of work in the several ranks. This lodge has work every week since they moved to the hall of the policeman and especially so since the institution of the "Good Samaritan."

Or all the divisions in Omaha Lily No. 8, U. R. K. of P., is a special favorite to at least its lieutenant, G. R. Rathbun, who has given the division the use of his hall for a year for the past week the Sir Knights rank was conferred on three candidates.

Decorating the Dogs. Owners of dogs are responding quite liberally to the call sent out some days ago to get out the license, and up to yesterday 400 people had plunked down their dollars with the city clerk and were given the little brass tags which saves the canine from the wrath of the policeman and the larrikin of the dog snatcher.

Balloons of the Future. Hartford Times: Dr. Arthur Debaussant, a Frenchman at birth, president of the Transcontinental Aerial Navigation company, has contracted with the firm of Miller, Metcalf & Parkin, of Pittsburgh, for the steel to be used in the manufacture of mammoth air ships. Each of these ships will be 654 feet long, 144 feet in diameter, conical shaped, of steel, and will cost \$150,000 each. The frame work and minor parts of the balloon will be made at Jones & Laughlin's American Iron works. Dr. Debaussant stated that instead of gas a partial vacuum would be employed, making the aerial plane lighter than air if hydrogen gas were used. The steel plates of the ships will be 1-44 of an inch thick. Sample steel plates have been tested and found to stand the great atmospheric pressure. "The weight of the steel," said Dr. Debaussant, "will be eight and one-half pounds to the square yard. The total weight will be 260,000 pounds. This does not include the car and other apparatus. The weight of air within it will be 720,000 pounds, or 460,000 pounds greater than the weight of the vessel. With only one-half the air exhausted from the chamber, the weight removed would be 380,000 pounds, or 11,000 pounds in excess of the weight of the shell, giving, therefore, an accidental force of fifty tons. I intend to let this monster loose in the firmament with a car attachment to it, and that car loaded with passengers, mail and express matter."

An Ohio girl, who tired of hearing the farmers in her section growl about what she saw about it, she rented 51 acres of land, kept strict account of every dollar expended in raising the crop, got an average yield of thirty-five bushels to the acre, and sold it for \$12.50. The cost of production was \$98.12, including \$31.50 for fertilizers, and the gain on the investment was 44 per cent.

A passenger train was delayed for an hour near Morrow, O., for a singular cause. In some way the whistle, valve got open and would not shut, and a constant screeching filled the air. An attempt was made to run the train with the whistle going, but too much steam escaped, and it was found necessary to stop until repairs could be made.

A New K. of P. lodge will be instituted Wednesday night, March 7, in Goodrich hall on Saunders street. It is expected that the grand officers of the state will be present.
