

South Omaha "Rallies."

The Citizens Meet and Nominate Another Ticket.

"Rally" was the head line of a handbill distributed in South Omaha yesterday, calling on the citizens to meet at a public meeting last night. And they rallied—that is, some of them did. Some rallied as early as 7 o'clock, and waded through the snow that surrounds the Knights of Labor hall, but most of them didn't rally until nearly 8 o'clock. "Black Jack" stood at the foot of the stairway and told them "You're welcome here," and they accepted the greeting and passed on, until upwards of 800 were in the hall, and it was said that the supports of the floor cracked. No one knew it at the time, however, and no one left. At 8:30 John Ennis took the platform and stated that at a previous meeting a number of citizens of all shades had determined to place a ticket in the field that would be all republican in tendency, and the city, and that last night's meeting had been called to perfect the organization. The first thing in order was to appoint some one as president of that organization.

South Omaha News.

The concert at the M. E. church was pronounced a success by those that were there. The cases for the new lock-up will reach town this week, and the boys that will go in them are in town to-day. S. G. Wright, of Wright & Baldwin, has returned from California. His family came with him. The M. & M. ran in thirty-four cars of stock yesterday. Only one B. & M. "empty" was handled at the yards yesterday, and the boys all say it was by mistake. Neither Justice Wells or Justice Levy had a case before them yesterday, and Judge Reuther was listening to the evidence in a petty larceny case all day. The base ball club is making all preparations for their first game on the new grounds, which will be in as soon as the frost is out of the ground. A carriage containing four ladies came to a sudden stop in the main street, the corner of N and Twenty-fifth streets yesterday morning. While frantically endeavoring to do its duty, the horse pulled itself free from the harness and struck for the nearest livey stable, while the ladies were assisted out, and a carriage smith notified to make repairs. Exchange hotel guests yesterday were Thomas Cullerton; S. A. Hanna and A. W. Rising, of Kansas; A. C. McCorkle, Superior; E. C. Goodell, Western; W. E. Hishon, Pierce; T. J. Reynolds and W. Cravat, Bonfield.

The Methodist Union.

Yesterday night the Omaha Methodist union met at the Hanson Park M. E. church. President Allen Reeder presided. Rev. J. M. Phelps, preaching elder of this district, preached his farewell address to the union, taking for his subject "Methodism." The discourse was interesting throughout and obtained the closest attention. Judge Faucett made a few interesting remarks and Rev. C. H. Savage, Rev. Low, President Reeder and others made brief talks. The programme was interspersed with musical selections and the event of the evening will be long remembered by all present. MATRESSES worth \$3 only \$1.98. OUR NEW STOCK.

Of boys' and children's clothing for the spring, is the largest ever shown outside of New York city. Almost our entire second floor is now given up to this department, and it is without exception the best lighted and best appointed salesroom in the city. We display hundreds of styles of boy's suits, made up in the most beautiful and artistic manner and the extremely low prices we quote on them will be a surprise to everybody. A partial list of the bargains we start the season with are the following: 200 strictly all wool good cassimere suits, for boys 4 to 13 years old, at \$2.50. They are pleated, neat and well made; we recommend the material as strong and durable, being every fiber wool, and it is beyond a doubt the cheapest all wool suit ever shown. 200 elegant all wool fancy chevviots suits, in Norfolk style, at \$2.90. These are positively worth \$5.00. As an extra bargain for this week we offer: 300 suits of a neat dark mixture, good weight and adapted to this time of the year, nicely pleated and well made, at the extremely low price of \$1.25 per suit. Nothing like it was ever shown for less than \$2.50.

Want to Locate in Omaha. An eastern manufacturer yesterday wrote to Secretary Nattinger, of the board of trade, that if he could secure for him a building in the outskirts of the city 75x100 feet in dimension with steam power and side and storage tracks combined, that a representative would at once come to Omaha and make preparations for locating their plant here. Mr. Nattinger is, accordingly, anxious to hear from parties having such a site for rent.

H. O. Wood, a chronic offender, was gathered in by the police last evening for mercilessly beating his wife. He most strenuously refused to go with the officers, insisting that his wife was his own property and he had a right to bring her to terms if she refused to obey him. The officer, however, left to deal with him on that point and politely escorted him to the patrol wagon.

Stole a Ham. Petty larcenies of groceries are getting to be a daily occurrence. One of the clerks observed him slipping a ham under his coat before Roth could be stopped he had disappeared through the door.

Light Loaves of Bread. Edward A. Brown, who keeps a bakery on Sixteenth street near Webster, was arrested yesterday afternoon on the charge of selling loaves of bread weighing less than sixteen ounces, the weight required by the ordinance. The action is brought by the bakers' union. The eight different loaves bought from him and which are used in the testimony, average from nine to ten ounces each. But Brown has been selling two of these loaves for five cents, and claims thereby that he has been giving from two to four ounces more than is required by law. The case will be argued before Judge Berkus this morning.

Struck by the Dummy. John Haniff, a barber residing at Sheely, is another lucky man. While leaving his south bound dummy that place last night, he was struck by a car that was coming up to the city, and hurled from the track. Examination proved that his injuries, though painful, were not of a serious nature, and after having been dressed he was taken to his home.

Personal Paragraphs. Mr. Banker Paine, special agent of the Standard Oil company, is in the city a guest at the Arcade. E. D. Benson, editor of the Valentine Republican, a prominent young attorney of northeastern Nebraska, is in the city as a delegate to the state convention of republican clubs.

The Omaha guards have received their new guns and are very proud of them. The pieces are the latest pattern of the Springfield rifle, the present regulation weapon in the United States infantry service. They are very handsome. Next Monday night the boys commence drilling with them.

People should read the forty-second annual statement of the Connecticut Mutual Life, printed elsewhere in our columns, with a little interest. It is one of the few companies which has never been in financial straits, and its methods, but sticks to simple life insurance. It shows net assets, \$55,125,598, and a surplus of \$5,486,430. The prosperity seems to increase each year, and the figures grow bigger. Great economy in administration and conservatism in method make this company well passed for trustworthiness and stability.

Dividend Declared. The St. Paul & Northern Pacific R.R. Co. has declared a dividend of 2 1/2 per cent.

A Great Strike Now Ended. Down with the monopolies. \$74 parlor suits only \$25. \$50 male top side coats only \$19. \$3.00 mattresses only \$1.95. And everything else in proportion. A call will cost nothing. We can interest you. NEW YORK STORAGE CO., Capitol ave. and 15th st.

An Insurance Case Decided. In the case of Christiansen vs. the Nebraska and Iowa Insurance company in the district court yesterday, the jury returned a verdict for the defendant, the court holding that the occupancy of the premises insured for unlawful purposes and other than mentioned in the policy without notice to the company, voided the insurance.
