Wreck on the Milwaukee. NEW HAMPTON, Ia., April 5.—[Special Telegram to the Bee.]—One of the worst accidents that has ever happened on the Iowa & Dakota division of the Chicago, Milwaukee & St. Paul railroad occurred at 3 o'clock this morning about three miles west of this city.

Those of the train crew and passengers who escaped death or injury were immediately called into service to relieve the other passengers. It was with great difficulty that they could be reached owing to the rushing of the water through the car windows.

SIX DEAD BODIES have been taken out from the wreck and three more are known to be underneath the debris. In addition to the passengers known to have been killed from fifteen to twenty have been rescued that are more or less seriously injured.
