Centennial of the Constitution.

The details of the general programme for the celebration of the centennial of the adoption of the constitution...

The occasion is to be taken advantage of to open new commercial relations with these sister countries and to devise ways and means to extend the trade of the United States with the other countries...

The constitutional centennial, to which Central and South America have been invited as special guests, will, it is hoped, have a far-reaching influence...

An Englishman on America. The individual who cannot be told of his defects and shortcomings without getting angry is not likely to improve as he grows older.

Manual Training in the Schools. The Industrial Educational Association of New York city has been making inquiries into the methods of manual training as conducted in the public schools of various cities.

George Francis Train on Omaha. Omaha, April 12.—To the Editor of the Bee: The public interest in the subject of manual training has been growing...

Boars Killed by the Cold. Ranchman J. C. Schiles will probably never forget an experience he had at his ranch near Piedra Parada during the cold spell in January...

A QUANT OLD CITY.

The Beauties and Prospects of a Dull Town. MOBILE, Ala., April 8.—[Correspondence of the BEE.]—I write you from the old quaint city of Mobile...

The nine-day dead-lock which the house has just experienced calls to mind the filibustering scenes which have taken place in congress...

But we can afford to cheerfully forgive Mr. Arnold for all he says unfavorable to our civilization, our social life, our newspapers, and our sense of self-importance...

Punish the Bribers. For unscrupulous boldness the case of vote buying reported from Providence almost compares with the performances of the Ohio democracy...
