A GREAT MISTAKE.

Some men think because they pay high prices for clothing, they get a better article than we sell for half the money. This is a mistake. To many customers who visit our store for the first time, it is a revelation that they can buy just as fine goods of us and just as well made as any custom tailor will turn out.

In spring suits we are opening every day new lots. All the latest styles are represented in our stock. The new Prince Albert suit in fine corkscrew and cassimere of different and beautiful shades and at prices almost one half what other establishments offer.

The most astonishing value ever given in a spring suit is offered this week is our new \$7 cheviot sack suit. This is made of a splendid all wool cheviot, an elegant color, lined with fine serge, good trimmings and well made.

Our Spring Overcoats are on the wane; of the finest grades are but a few left, and we have worked them down to close them out. Of our \$5 overcoats we still have a fair assortment. This is the biggest thing ever shown in the way of an overcoat and everybody who has bought one acknowledges that it is as good a garment as shown anywhere for \$12.

In our hat department we offer this week 25 dozen fine light colored derbys, satin lined, silk band and binding, goat sweat leather at \$1. If you are asked \$2 or \$2.50 for the same hat you would not hesitate to pay it.
