THE CITY.

In yesterday's BEE in a mention of the coming butterfly ball, the name of Mrs. Magrane, Prof. Martine's assistant, read Mrs. Morann. This correction is most cheerfully made.

Theodore, the six-months-old child of Thomas and Lucy Rossiter, residing at 1302 California street, died last evening of pneumonia. The funeral services of the little one will be held Tuesday afternoon at 2 o'clock.

The flyer from the west over the Union Pacific was over six hours late yesterday, having been delayed by western connections. The Kansas City train on the Burlington, due daily at 7:15 p. m., did not report until nearly 10 o'clock. On the latter road no cause for the delay was obtainable.

When the people in Trinity cathedral came out from morning service yesterday, they found a drunken man stretched out at full length in the entry way, almost blocking the passage. The worshipers had to pick their way very gingerly to avoid stepping on him. The dean sent for the patrol wagon, and the inebriate was taken in hand and transferred from the sanctuary to a cell. He gave the name of E. J. Tillotson.

Cost Him His Leg.

C. J. Nolan, a man employed on a farm below Albright, met with a terrible accident at an early hour yesterday morning that loses for him his left leg and may cost him his life. He wished to come up to Omaha and left the farm very early. At 4:40 a. m. he was on the east track of the Union Pacific railroad about midway between South Omaha and Albright when he saw a train coming from the north on the same track on which he was walking. He stepped over on the other track, but did not notice that a train was coming from the south. The first intimation Nolan had of the approaching danger was when he was struck. The engine threw him several feet, but as he was in the center of the track at the time, it cast him straight ahead instead of to one side and he fell with his left leg across the track. The collision and fall stunned him so that he could not help himself and the entire freight train passed over his leg. He was taken to St. Joseph's hospital and Dr. Galbraith, the Union Pacific physician, amputated the limb. It is feared, however, that Nolan has suffered some internal injury that may prove fatal.

A Close Call For Death.

T. F. McMahan, a switchman on the B. & M., narrowly escaped death yesterday morning, and the missing finger on his right hand will ever be a reminder to him in the future of the terrible fate he escaped. He was coupling cars at the time, and it happened that the last connection to be made was on the trestle work northeast of the Union Pacific depot. Coupling in such a place was a very hazardous undertaking, but he thought he could make it all right by extra care. He picked his way in front of the cars to about the center of the trestle, where the coupling was to be made, and as he lifted the link his attention for a moment was drawn away, causing him to make a misstep and fall between the timbers. As he fell his right hand caught between the drawhead and deadwood, crushing it. In a flash he recognized the danger, and with rare presence of mind he threw his left arm over the bumper and allowed the train to drag him over the trestle to the solid road-bed. On reaching terra firma he scrambled to his feet and darted from between the cars. When he found himself safe again, saw his crushed hand and realized his narrow escape from a terrible fate, he sank in a fainting fit. He was taken to the office of Dr. Lee, the company's surgeon, and it was found that the bones of one of his fingers were so badly splintered that amputation was necessary. However, McMahan considers himself a lucky man.

Smoke Lone Jack cigarettes, pure tobacco, no opium, holders and fancy pictures.

Chautauqua Assembly at Crete.

Rev. J. E. Ensign, the state secretary of the Crete Chautauqua assembly, says that everything indicates a deeper and broader interest in the great "summer university" than ever before. Many who have never visited Crete are planning to attend the assembly commencing June 28. Mr. Ensign also says that during the past week he has been spending some time assisting the Baptist preacher of that city to raise $1,000 toward erecting a building on the grounds to be known as the Baptist headquarters for that denomination in the state. Rev. Mr. Randall of Beatrice, and Rev. Mr. Dye of Wilber, were here during the week laboring among their Baptist brethren in the same direction.

On Thursday evening of next week the reception to Hon. F. I. Foss, the president of the Crete Chautauqua assembly occurs at the Y. M. C. A. rooms. Hon. J. M. Thurston, Hon. J. M. Woolworth, General J. C. Cowin, Rev. W. J. Harsha, Rev. Willard Scott and Rev. A. F. Sherrill will be present and make short speeches. Everybody who wants to know more of this great institution is invited to be present. New circles are being formed in this city and South Omaha, Blair, Grand Island and smaller towns in the state and all are going to attend the coming assembly in June.

The Presbyterians are moving along the same line of our Baptist brethren. The following is an appeal showing how the Presbyterians feel about it and what they are doing:

To the pastors and people of the Presbyterian church:

DEAR BRETHREN—The Sunday School association at Crete, Neb., donated to the Presbyterian church of the state one lot for the purpose of erecting a presbyterian "headquarters" for the use of the church. A legal organization was effected and competent to receive lease for said lot, and to own and control any and all property belonging to said organization. At a meeting held on the assembly grounds last July trustees were duly elected, empowered and instructed to erect a commodious and substantial building for the use of the Presbyterian denomination of the state. The Congregationalists, the lawyers, the editors and the W. C. T. U. organizations already have good "headquarters" buildings. The societies who have these buildings have found them to be of great advantage and comfort. It provides a place for the meeting of the clergy of the state, a place for reunions, a place to make comfortable the sick, a place you may feel at liberty to invite your friends.

The Presbyterian Publishing society will always be present with choice books and stationery.

Your trustees desire to follow instructions and erect a building that shall not only be commodious, but an ornament to the grounds and a credit to the church we represent. Such a building should cost not less than $1,500. We have about two hundred churches in the state. Many of them are new and struggling to maintain an existence. Such we should not call upon to contribute. This amount we think can easily be raised by the older and able churches, and cheerfully forwarded to your trustees, who desire to make this contribution soon, as they wish to be prepared to contract for lumber and work at an opportune time. This enterprise was laid before the state synodical body at Lincoln in October last, and there received endorsement in the adoption of the following resolution:

Resolved, That we look with favor upon the erection of a good and substantial "headquarters" building on the assembly grounds at Crete, for the use and benefit of the Presbyterian church of the state, and will present the matter of aid to our respective churches, and make suitable efforts to raise each our proportion of the expense necessary for the erection of such a building.

C. W. LYMAN, Lincoln.
S. P. DAVIDSON, Tecumseh. } Trustees.
E. M. HILL, Beatrice.

TO RECEIVE M'GUIRE.

Laboring Men and Artisans Will Welcome an Orator.

Fourteen men representing the various workingmen's organizations, met at the council chambers yesterday afternoon, and were presided over by Mr. Blake, president of the carpenters' union. Dr. Tanner was elected secretary, and Mr. Blake announced the object of the meeting, which was to make arrangements for the reception of P. J. McGuire, of Philadelphia, secretary of the American Federation of Labor and joint secretary of the brotherhood of carpenters and joiners, who will address the labor element of the city on the 30th of April.

As the majority of delegates present were without credentials, a delegate arose and asked them if they had come fully empowered to act for their respective organizations. The president stated that this was an important question, one of finances which would be required if a demonstration was determined upon. All of the delegates replied in the affirmative to the question, and on motion members of other labor organizations spied among the audience were invited to take chairs with the delegates.

A delegate reported that Carpenter's Union No. 58 had secured the Grand opera house for the use of the lecturer, and Dr. Tanner moved that the trades represented be called and that the representatives express themselves as to whether they favored a street demonstration or not. A representative asked what the expense would be, and was told that hall hire, printing and carriage for the speaker would cost $90. If two bands of music were hired it would cost an additional $200. Nearly every delegate as he was called out was in favor of a parade, but the typographical union and painters opposed one, the latter dwelling on the expense and loss of time to the men. However, if the parade was after 6 o'clock they might turn out. The stonecutters did not favor a parade either, owing to a scarcity of finances, and the iron moulders thought a parade would not be proper at this time. The representative of the plasterer's union thought every workingman should turn out, and another delegate intimated that it would not be a success for the reason it is not to occur on a legal holiday.

Finally a vote was taken upon the holding of a parade, and it was decided by a vote of 6 to 2 to have one. Upon motion the hour of 6:30 p. m. was selected for the forming in line, and the start to be made at 7 o'clock.

The following committee were elected to make arrangements: Thomas Patton, bricklayers union, and Messrs. McIlhaney of the plasterers, Browning of the carpenters, Lewis of the typographical, and Scott of the carpenters. The president appointed Messrs. Parker, Welnick and Mercer a committee on finance.

The committee of arrangements met last evening and decided on the following details: The procession will form on Fourteenth street, north of Douglas. A brass band will be in the lead, followed by a carriage containing Mayor Broatch, P. J. McGuire, the president of the central labor union and the president of the carpenters' and joiners' union, followed by other carriages and labor organizations as follows: The carpenters, bricklayers, plasterers, typographical, stonecutters, cigarmakers, plumbers, painters, iron molders, horseshoers, brick molders, tailors, lathers, bakers, and bricklayers and and plasterers tenders unions. All labor organizations are invited and any not having yet taken any interest in the proposed demonstration are requested to elect a vice president for the meeting at the Grand opera house and also to make arrangements to turn out. A special invitation is extended to all Knights of Labor assemblies. The line of march will be cast on Douglas to Ninth, south on Ninth to Farnam, west on Farnam to Sixteenth, north on Sixteenth to Webster, east on Webster to Fifteenth, south on Fifteenth to the Grand opera house.

Lone Jack cigarettes are pure, a holder for each cigarette, no opium.

HE MOUNTED THE CHAIR

And Piloted the Proceedings of the County Commissioners.

Acting Chairman Mount piloted the proceedings of the county commissioners Saturday afternoon. A communication from Frank E. Moores relative to the claim of Buffalo county for the insane proceedings in the case of Theodore Kuverzer was referred to Commissioner Corrigan, and the judiciary committee was directed to examine the claim of Dr. Kirkpatrick for professional services. The bond of Schwamb & Camp, the furnishers of bread for the poor farm, was approved and R. Stander's bid for furnishing supplies for the rip rap on the river north of Cut Off lake was sent to the committee on roads, as was Charles Griffin's and John H. Taylor's bid for the same.

The following claims were allowed: Hiram Avery, $15; A. H. Widney, $187.02; C. A. Tuttle, $7; B. Hinrichs, $13; Eli Johnson, on account, $350; A. H. Widney, $22.50; Oliver Haney, $39.05; P. H. Green, $4; William Kincaid, $33, and Hiram Avery, $40.

The county treasurer was directed to cancel the taxes on the Danish Evangelical Lutheran Congregational church, and Mr. De Land was refunded $4.07 for erroneous taxation. The county judge was given permission to purchase a Remington type writer for his office, and F. W. Lessentin, assessor of the Sixth ward, was instructed to assess all gas and water mains and street railway tracks. The same order holds good with the other assessors in the city. The official bond of P. H. Horan, constable for the Eighth ward, was approved, and Margaret Lewis' protest against excessive taxation was referred to the judiciary committee. H. G. Clark wants $10 deposited by him for straightening Georgia avenue, and his request was referred to the committee on judiciary.

Register of Deeds Megeath sent in a corrected report of the business done in his office during the quarter ending March 31. The receipts were $5,079.35, and the expenditures $3,712.20. In handing in his report Mr. Megeath says: "I do not make this report in obedience to any resolution of your honorable board, or to meet the requirements of the law as laid down by the county attorney, but simply out of a desire to preserve in a convenient form the matters it contains. By making this report it is not my intention to waive any rights or exemptions I may have under the law, as I insist there is no provision of law which requires me to make such report as is contemplated in your resolution, a copy of which I have received."

By resolutions the county clerk was directed to buy five copies of the Omaha city directory and advertise for the removal of 2,950 yards of dirt from Missouri avenue, South Omaha. An additional $200 was appropriated for grading Georgia avenue from Martha street south, and the register of deeds was instructed to report to the board as to the correctness of the numerical indexes re-written and corrected by ex-County Clerk Needham.

Continental Clothing House

Special Sale of Riverside Worsted Suits, Price $12.
Special Sale of Sawyer Woolen Co's. Cassimere Suits, Price $12.
Special Sale of Dolan Cassimere Suits, Price $8.

Every Visitor to Omaha Talks About the Continental Clothing House

The sale of the Sawyer Woolen Co.'s fine Cassimere Suits, which is continued this week has been unprecedented but of equal importance, however, and of even greater interest in our great sale of fine worsted dress Suits, cloth made by the RIVERSIDE MILLS, in medium weight fabric, suitable for wear all the year round. We offer this week 200 of these fine Worsted Dress Suits which for dress purposes are strictly correct in every respect, and the most popular and durable goods sold in this country.

RIVERSIDE WORSTED SUITS.

LOT NO. 1.—We offer 200 of the above named goods made by the RIVERSIDE MILLS CO., made up in a 4 button cut-a-way Frock suit, and in the most thorough manner, suitable for dress suits. They are goods which we have sold regularly for $18, but we offer them this week to close at the extremely low price of $12 per suit. The color is plain black, edges bound, and every suit would be worth in the regular way $18; as the lot is not large they will be closed this week. Send in your order at once if you want one.

LOT NO. 2.—Stock No. 4048, 4049 and 4050. Imported Whipcord Suits made in a 4 button cut-a-way style only, in regular sizes from 35 to 42. This suit was made in our own machine room during last sixty days, and the cut and make of this suit is as correct for dress purposes as it is possible to have them, and as the present month is the month of all the year when people are thinking about dress suits, we claim that this lot of worsted suits is absolutely the most desirable that it has ever been our privilege to offer the public. This garment was made up to sell in our stock for $22, but as one of the leading bargains for this week it is offered at the ridiculously low price of $15. We unhesitatingly claim that the average retail price of this suit is never less than $22.

Of these two lots, which are small, particularly lot No. 2, which was advertised as lot No. 1, in our advertisement of last week, we can send no samples of either lot, but as long as they last. Sample suits will be sent by express C. O. D. with the privilege of examination. Be sure in ordering to mention the date of the advertisement, as the lot numbers in our different advertisements represent different goods. In ordering mention the No. of the lot and the date of the advertisement.

Continuation of the Sale of the Sawyer Woolen Co.'s Fabrics.

There are only two colorings left on these celebrated suitings, and we offer them until they are entirely closed out at the same unapproachable low price of $12 per suit. No more desirable material can be offered for a business suit than these goods are, being purely all wool fabrics, and goods that have stood the test for years.

LOT NO. 3.—In this lot we have about 100 suits left in Single Breasted Sack Coats, in sizes 35 to 44. The very best Sawyer Woolen Co.'s Double and Twist Spring Suitings, new light grey and brown mixture, just made up in our very best manner, and never during the twelve years that we have been selling this suit has it been placed on our counters at less than $18.

The celebrated Sawyer Woolen Co., of Dover, N. H., needs no commendation from us, but we unhesitatingly pronounce them the best manufacturers of fine all Wool Suitings in New England. No shoddy flocks or cotton used in any of their fabrics. Do not forget the price only $12.

LOT NO. 4.—We offer 100 of the well known Velour Cloth Finish Sawyer Woolen Co.'s Suits in a very dark Oxford Mixture, a small neat check pattern, one of the most popular styles the mill has ever made, suitable for either dress or business purposes. Single Breasted Sacks, regular sizes in Spring weight at the same extremely low price of $12.

DOLAN
Cassimere Suits

We commence the sale this week of about 1000 Suits of the celebrated Dolan Cassimeres, in regular sizes 34 to 44, comprising four different [illegible] and mixtures at the extraordinary [illegible] price of $8 per suit. These are [illegible] all wool goods, free from shoddy, durable and right in every respect. No suit in this lot ever to be retailed for less than $12, but we offer this as an attractive bargain in Men's low priced business suits.

Send for samples of these goods before ordering them, we will gladly send sample of cloth to any address, or we would much prefer to send a sample suit, so that the manner of making and trimming can be seen. We would recommend, however, that self measurement blanks be sent for first, so that a sample suit may be sent fitted to the party who has ordered, and in this way saves the trouble of returning suit to exchange it.

Remember, there are four styles of these goods. Remember, the price is only $8.00.

EXPRESS ORDERS. We will send packages containing suits of clothing, furnishing goods, cloths and woolens of all kinds kept in our establishment, to any address in Nebraska, Iowa, Kansas, Dakota, Colorado, or Wyoming, C. O. D., giving buyers the privilege of examining goods before paying for them. By this arrangement people living in distant towns can obtain every advantage of seeing any article of merchandise in our stock at their own towns, examining the same before paying for them, and if not perfectly satisfactory, returning goods to us at our expense. Money for all amounts exceeding $10 may be returned at our expense.

TRY THIS ARRANGEMENT. For years we have sent goods all over the United States in this manner by express with the most satisfactory results. You take no risks. Examine the goods, and return them at our expense if they do not please you.
