GOULD'S LETTER.

Reply of the Security Holders of the M. & T.

NEW YORK, 24.—A committee of the security holders of the Missouri, Kansas & Texas road have drawn up a lengthy answer to Jay Gould's letter. Since the sharp decline of the Missouri, Kansas & Texas securities, while no corresponding decline occurred in Missouri Pacific bonds and the inference is drawn that Gould has not managed the affairs of the former as well as those of the latter road. While the expenditure of \$2,000,000 for steel rails laid, referred to by Gould, should have reduced the cost of main tenance and operation, it increased from \$5 per cent in 1881 to 72 per cent in 1887.

ARRANGEMENTS FOR AN AMICABLE SETTLEMENT OF A CONTROVERSIAL CASE.

ASPEX, Colo., April 24.—[Special Telegram to the Bee.]—The report that a compromise was about to be effected in the famous Side-Line-Apex litigation was to-day confirmed. The final settlement and signing of papers will not take place till Thursday, when Hon. I. M. Patterson will arrive here from Chicago. About all the preliminaries are arranged for a compromise. Overtures have been pending ever since J. B. Wheeler of Cincinnati, came into the compromise company last October. The full particulars and terms agreed upon cannot be made public till the papers are sealed. It has not been ascertained as yet whether the credit is due for this peaceful measure, but Senator Teller for the Apex and ex-Congressman Belford Line for the Side-Line, the championing of Butler and Brown each have owned one-third of the Side Line. J. B. Wheeler owned one-third, which he put into the compromise company. Wheeler owning one-half of the stock. DUBUQUE DEMOCRATS DIVIDED

Two Sets of Delegates to the State Convention.

FIGHTING AGAINST A FUSION.

The Andrew Jackson Wing of the Party Objects to a Tie-Up With the Republicans—Iowa Items.

A Serious Split.

DUBUQUE, Ia., April 24.—[Special Telegram to the Bee.]—This is the banner democratic county of Iowa, but it looks as if the banner wouldn't hang on the outer wall much longer. The local democrats split wide open to-day and a very bitter feeling prevails. The trouble began with the city election, when the republicans and democrats united on a citizens' ticket so as to defeat the Knights of Labor ticket. Some of the mossback democrats objected to joining hands with the republicans on any plan and so ran a straight or Andrew Jackson ticket. The fusion ticket won and the other democrats were very mad.

Each faction controlled a democratic daily paper, and they have been abusing each other ever since.

Today the county convention was held to elect delegates to the state convention. Each faction was present with a set of delegates claiming to represent the democrats of Dubuque. It was decided to leave the decision to outside parties, and after three hours' session they decided to admit half each delegation.

The Old Hickory democrats wouldn't agree to that and withdrew and held a convention of their own. Dulliver and a full delegation to the state convention. The regular democrats, headed by Postmaster Ham, did the same, and now both delegations will demand admittance at the state convention next week.

Feeling runs very high to-night, and if an election were held to-morrow the probability is that Dubuque, with its 2,000 democratic majority ordinarily, would go republican.

Preparing for the Convention.

DES MOINES, Ia., April 24.—[Special Telegram to the Bee.]—The Grand club of this city to-night elected a delegation and took steps toward receiving the state convention of republicans clubs which meets here next Wednesday, May 2. New clubs are being rapidly formed and the indications are for the largest convention in the history of the state. Some clubs in remote parts of the state have already elected delegates who will come hundreds of miles to attend the convention. The interest shown is surpassing all expectations. Hon. O. E. Walcott, of Denver, and Hon. J. D. Dooliver and Colonel W. P. Hupburn, of Iowa, will be the orators.

A Peculiar Fatality.

CHESTON, Ia., April 24.—[Special Telegram to the Bee.]—A twelve-year-old son of Grosvenor Bell, an old resident of Adams county, was killed this morning here by a runaway team attached to a stirring plow. The point of the plow was driven in the lad's side and he was thus dragged about a half a mile.

Hungry.

Barnum said "The American People like to be humbugged." This may be true in the line of entertainment, but not where life is at stake. A man with consumption, or any lingering disease, looking death in the face and seeking to evade his awful grasp, does not like to be trifled with. So with confidence we place before our readers Nature's great remedy, Dr. Pierce's Great Medical Discovery, a sure relief for that long train of diseases resulting from impure blood, such as Consumption, Chronic Nasal Catarrh, Liver Complaint, Kidney Disorder, Dyspepsia, Sick Headache, Scrofula and General Debility. Time-tried and thoroughly tested, it stands without an equal! Any druggist.

They Left the City.

Hamilton and Murray, the two confidence men, were arraigned before Judge Herka yesterday on the charge of vagrancy. They plead guilty and were each fined \$25 and costs and given sixty days in the county jail. On paying their fine, the judge offered to commute their sentence of imprisonment provided they would leave town. This proposition they gladly acceded to, and they left by the first train.

There are many accidents and diseases which affect stock and cause serious inconvenience and loss to the farmer in his work, which may be quickly remedied by the use of Dr. J. H. McLean's Volcanic Oil Liniment.
