

THE CITY.

The internal revenue collect ions yesterday amounted to \$13,926.98. The remains of Mrs. D. Lillie were forwarded yesterday by Drexel & Maul to Union City, Pa. The committee of arrangements for the labor demonstration on next Monday night state the cost of the same will not be more than \$125, which is considerably less than has heretofore been published. The differences between the Cable Tramway company and the Gas company, relative to the shifting of gas mains along Twentieth street to make room for the underground work, have been amicably settled. The general education held a special meeting yesterday afternoon to consider the bid of S. A. Keene & Co., of Chicago, who wish to buy \$100,000 of the school bonds, offering therefor 101 per cent and \$500 bonus. The bid was accepted. Phil McCarthy observed his twenty-first birthday at the residence of his sister, Mrs. M. J. Burke, corner Seventeenth and Jackson streets last Monday night. A number of lady and gentlemen acquaintances were in attendance in honor of the event, and a really enjoyable time was had. Personal Paragraphs. Governor Thayer was in the city yesterday. He is expected to return to the Paxton. Mr. H. W. Newman, of Schuyler, is at the Paxton. James D. Hopkins and family, of Cheyenne, are at the Paxton. Frank Wilson, of Kansas City, is in the city and is retained at the Paxton. Thomas H. Benton, deputy auditor of state, Lincoln, was in the city yesterday. E. L. Reed and wife, of Weeping Water, arrived in the city yesterday and are at the Paxton. Senator Lafayette Young, of Atlantic, Ia., was in the city and made a pleasant call at the Bee office Monday. Mr. Young is editor of the Daily and Weekly Telegraph of that place. Mrs. S. B. Jones, of Chicago, for many years a resident of Omaha, is in the city visiting relatives and friends. Mr. Jones is now connected with the Chicago & Northwestern railway in Chicago. Mrs. Minnie Swan, wife of one of the well known cattle merchants of Big Piney, Wyo., has just arrived in Omaha where she expects to spend the summer visiting with her parents, Mr. and Mrs. William H. Kirkeendall. Mr. L. G. Hanna, business manager for George W. Wood, who will present his new dramatization of Stevenson's great novel, "Dr. Jekyll and Mr. Hyde," at the Grand, next week, is in the city working up business for his attraction. At the Hotel Barker, J. Davidson, Burlington, E. M. Porter, Napa, Cal.; H. Burke, Gloucester, Cal.; E. F. Willis, Mansfield, O.; George W. Bristol and wife, Chicago; S. J. Wood, St. Louis; J. C. Robbins, Shelton; J. W. Reinhardt, David City. Musical Entertainment. The ladies aid society of the Westminster Presbyterian church was a musical and literary entertainment at the church parlors last evening, corner of Georgia avenue and Mason street. Benefit Concert. The Young People's society of the Saratoga Congregational church will give a grand concert Thursday evening for the benefit of the church. Some of the best local talent in the city will take part in the performance, and there is every assurance that the entertainment will be a success. Financial Embarrassment. C. Losier, of Grand Island, dealer in groceries and drugs, has been closed up by his creditors on a chattel mortgage. The same fate is reported by Bradstreet's of J. L. and G. N. Ferguson, general store men, Carson, Ia., there being a number of unsecured claims. Odd Fellows, Attention. All persons desiring to join the I. O. O. F. anniversary excursion to Fremont on Thursday, April 26, can procure tickets from the committee either at Odd Fellows hall, Fourteenth and Dodge, or at the Union Pacific depot. Train leaves Union Pacific depot at 9 a. m. sharp. J. A. JOHNSON, Chairman. A Disreputable Gang. A crowd of disreputable men and boys have been in the habit of congregating in front of the Swedish mission church, corner of Davenport and Twenty-third streets, every Sunday and Tuesday evening, and disturbing the services by their boisterous conduct. On the next offense a fine of \$100 will be run in and given a dose of police court justice. The "Bleeder Goes." Mr. Fanning, of the street sweeping firm of Fanning & Slaven was asked yesterday about the charge that his foreman had been "bleeding" Italian laborers at the rate of fifty cents per month on the promise of steady labor. He said that, of late, he had suspected that the foreman was engaged in that kind of business, and because he was positive of it only when the laborers and the foreman fell out and then the former informed him of the enforced tribute. Mr. Fanning said that he proposed to discontinue with the services of the foreman on Saturday. The "Old Sexton." George Medlock the "old sexton" of Prospect Hill, who is now leading a life of ease as a consequence of the reward of having laid so many hundreds away to rest, leaves in a few days on a three months' trip to England, which he left over thirty years ago. Mr. Medlock is an ardent admirer of Parnell and Gladstone, as indeed are all the members of his family across the ocean, one of his brothers being an ardent liberalist. Many friends in Omaha will be glad to welcome Mr. Medlock back after a very pleasant journey. Parnell vs. Union. J. Woods Smith, the leading light of Callaway, in this state, came into town last night, and speaks in the most recent form of disapprobation of the illiberality of the recent convention at Broken Bow, Custer county, which was called to divide that county into several divisions, each with a name of its own. One of these divisions was called Gladstone, and Mr. Smith, together with his Callaway brethren were desirous of having their section of the county called Parnell. But the desire was not gratified, and after a contest, the name of Union was substituted. Mr. Smith will remain here until the meeting of the democratic convention, which will assemble here on the 24th of next month. Got Himself Into Trouble. On last Saturday Mike O'Brien swore out a warrant against William Bulander, who he claimed had made an assault upon him with a deadly weapon with murderous intent. The case came up for trial in the police court yesterday and the testimony produced failed to substantiate the charge. All that was proved was that O'Brien and Bulander had been engaged in a fight, the latter knocked Bulander down, and as the latter fell he picked the revolver up and handed it to his wife without making any offensive or threatening gesture with it. The case was dismissed and both plaintiff and defendant arrested on the charge of disturbing the peace. As both plead not guilty, they will be given trials tomorrow in the police court. State National Bank Notes. President Whaley of the State National bank, as also of the Sherman county bank of Loup City, returned home last evening to set at rest some of the fears entertained by people out there as to his future movements. He is expected to return in a couple of days. Last evening a telegram was received from Cashier McPherson, who was then in Washington, conferring with the comptroller. Some words in the dispatch were unintelligible, and these were followed by the announcement that Mr. McPherson would leave for home yesterday. The receiver, A. S. Tibbets, appointed a week ago, has not yet put in an appearance

at the bank, and this morning E. L. Lyon, late president of the institution, went to that place, it is supposed to see him. Bank Examiner Griffiths is still in charge of the bank awaiting the receiver's arrival. Bogus Butter. OMAHA, April 23.—To the Editor of the Bee: As it would be interesting reading and impart valuable information to the readers of your paper throughout the state, the question is asked: What is the recent discussion of the United States supreme court regarding the manufacture of imitation butter commonly known as "oleomargarine" or "butterine" of the Pennsylvania prohibition law? As most of the states in the union will form similar measures it will be well to urge our legislature to not be a whit behind other states in protecting her farmers. Yours truly, C. E. BATTLE. The Pennsylvania legislature passed an act by which the manufacture of all brands of artificial butter was prohibited within the state. The bogus butter men carried the case to the United States supreme court, maintaining that the act was unconstitutional. The court in its decision asserted that "any state had the right to prohibit the manufacture of imitation butter as a part of its police powers," or, in other words, that if it was well to prohibit the manufacture of such a considered a legitimate article of food, its manufacture could by each state be prohibited by an act of its legislature. Had to be Amputated. Nine years ago Harry Dawson, an employe in the Union Pacific shops, fell down a well and among the many injuries incurred broke a leg below the knee. The bones were badly fractured and when he had recovered it was found that the injured member was at least four inches shorter than the other. A shoe with a three inch sole was used, and up to about three weeks ago worked admirably. An accidental turn of the ankle, however, caused the leg to be twisted, and the leg, the knee and Dawson was taken to St. Joseph's hospital where amputation was decided upon by the attending physicians and the operation successfully performed, the leg being cut off two inches below the knee. Since the amputation he has improved rapidly and next week will go to Dodge City, Kan., where he intends to make his home in the future. Nebraska Sunday School Association. The twenty-first annual convention of the Nebraska Sunday School association will be held in the city of York commencing Tuesday afternoon, May 22, 1888, at 9 o'clock, and continuing Wednesday and Thursday, May 23 and 24. Ralph Wells, esq., of New York, assisted by Mrs. Mattie M. Bailey, of Iowa, has been secured as general conductor. The outline of the programme, as arranged by the committee, will be "The Home, the Sunday School, the Church," and these themes it is hoped all the thoughts and talks of meetings will be grouped. Each Sunday school and Sunday school association in the state is invited to send three delegates. Pastors and superintendents are ex-officio members. The local committee in behalf of the people is extended hospitality to pastors, officers and delegates. The executive committee earnestly recommend that Sunday, May 30, be observed as a day of conference and prayer in behalf of the Sunday school cause; that pastors throughout the state present their claims to their congregations, and that christian people unite in prayer for the divine blessing upon the approaching convention, and upon the Sunday school work in all parts of the state. County secretaries, pastors and superintendents are requested to give timely notice and endeavor to secure the attendance of delegates. The peculiar purifying and building up powers of Hood's Sarsaparilla make it the very best medicine to take at this season. COURT PROCEEDINGS. District Court. Judges Groff and Hopewell were the only two judges holding court yesterday, Judges Doane and Wakeley having left for Papillion and Tekamah. BEFORE JUDGE GROFF. Billy Dowd pleaded guilty to the charge of grand larceny some time ago, was led into court yesterday for sentence, which was imposed by his honor with that sang froid for which he is so justly celebrated. "Two years in the penitentiary. Court is adjourned until 2 p. m." Abraham Friedlander yesterday appeared in the district court, and stated that he is the owner of lot 4, block 51, in the city of South Omaha, which he purchased of Moses Horwich for \$8,000, and received a deed which is duly recorded. That defendants, Duder & Glick, recorded judgment against Henry S. Hewett, and that an execution was issued against the two-story building situated on the above described premises as the property of said Hewett when in reality it is the property of said plaintiff. Another judgment similar to the one mentioned above has also been rendered in favor of Saxe Bros., for which an execution has been issued against the property. Plaintiff prayed that an injunction restraining defendants from selling said property be issued. After hearing the testimony of Groff and Duder & Glick, a restraining order and bond of plaintiff in the sum of \$200 until the case shall have finally been decided. BEFORE JUDGE HOPWELL. David Van Etten appeared before Judge Hopewell yesterday and made a motion to be admitted to bail pending an appeal. The judge decided to admit Van Etten to bail in the sum of \$1,500, and when the court adjourned the prisoner was still frantically hounding up bondsman. COMPLAINT SERVED. Deputy Sheriff Grebo yesterday served complaints on the following, whose cases will be called at the next term of court: Lewis Dalbey, burglary; Minnie Fairchild, selling liquor without a license; Peter Burgo, alias Peter Vargo, stabbing with attempt to kill; A. D. Petty, grand larceny; John A. King, keeping gambling fixtures; Henry Shomer, illegal voting. VETERAN WANTS DAMAGES. Jean Peterson, in his suit filed yesterday against the Union Pacific railway, represents that he received personal injuries to the amount of \$1,000 by a train of cars running over one of his legs in September last, and he prays for a judgment in that sum. VOLUNTARY ASSIGNMENT. A. T. Atwater & Co., hardware dealers, yesterday made a voluntary assignment to various creditors, they taking this step from their own choice. The strike among the building trades has not yet been settled, the firm to such an extent that they could not meet their obligations when they fell due. County Court. A WILL PROBATED. The will of Sarah Crofford, deceased, was admitted to probate by Judge Shields yesterday. VERDICT FOR THE DEFENDANT. The jury brought in a verdict for the defendant in the case of Clark vs. Babcock tried yesterday. WANTS THEIR MONEY. The Omaha carpet company says that the New York Storage and Loan company owes them \$304.57 with interest, and they yesterday applied to the court for a judgment in that sum. Seidenberg's Figaro. The talk of the town, a 10c cigar for 5c. Max Meyer & Co., wholesale depot. SO YOUNG AND SO ROBBED. A Leaf From Isaac Burbank's Life's History. Isaac Burbank is a very vernal looking youth and evidently just as green as he looks. He was before the police court yesterday charged with disorderly conduct. Monday evening he came in from Tekamah. On the train he met a suave young man, who although they may extend a few of their branches. The Fremont, Elkhorn & Missouri Valley is about the only road that is engaged in work of any consequence, and your readers are too familiar with their extension to require any further description. RATE CLERKS' MEETING. A few days ago vice-president Daniels, of the Central Traffic association, called a meeting of clerks and rate clerks of the various roads for the purpose of making rates to the various summer resorts the coming season. The meeting is now in session and will probably last some three or four days, as the rate sheet covers over three hundred different resorts. LINKS AND PINS. The Denver & Rio Grande management have issued a circular handsomely illustrated describing the scenery along their line, which is a very handsome little work. A new time card will be issued next Sunday by the Union Pacific. The only change
