OF THE SICK

# FREE of CHARGE

ing, May 10th.

Dr. Smith, the celebrated magnetic physician, of New York, has engaged Music Hall, at the corner of 16th and Farnam streets, and will publicly heal the sick, free of charge, every morning from 10 to 11 o'clock, commencing Thursday morning May 16th Dr. Smith is the only thoroughly educated physician and surgeon in the United States who is endowed with the magnetic gift of healing to that degree which enables him to go upon the stage and publicly heal the sick, by simply applying his hand to the affected parts. One year ago this month, Dr. Smith appeared at the Tremont Temple, in the city of Hoston, and publicly healed over one thousand sick people. During the fall and winter the doctor has been engaged in healing the sick in San Francisco, Cal., and at Denver, where he met with the same success that he has so long enjoyed in the east. It is almost impossible to describe the strange and mysterious magnetic power which he possesses. People go upon the stage who have been helpless invalids for years, suffering from the most excenuciating pain, and after, fectiving three or four magnetic treatments are entirely releved and permanently cured. Men go upon the stage on crutches, so stiff and lame that they can hardly stand alone and in five minutes after the Doctor makes a few passes over them they throw away their crutches and walk as mimble as boys. It will astonish the most skeptical to see how quickly the doctor cures disease. Rheumatism, schatica, neuralgia and in fact all painful diseases are almost always and instantly cured. All that the Doctor does is to lay his hands on the affected parts for a few moments, then make a few gentle passes over the patient, when a cure is effected. Everybody should go to Meyer's Hall, and witness Dr. Smith's wonderful cures. His lectures are exceedingly interesting as well as instructing. Dr. Smith has opened an office in Gruenig Block, on 13th st. adjoining the Miliard House, where those who are able and willing to pay, may go from 9 a, m, till 5 p. m. daily, ex
