show a decrease of $1,700,000. The official report made them $1,719,979, and for the three months ending March 31 of $2,635,722. The road this year has not earned the 1 per cent dividend declared Wednesday, and it will have to be paid out of previous earnings. The price dropped down from 117⅜ to 116¾, with fair trading. Missouri, Kansas & Texas was firm and bonds were reported higher. It is said that Gould and the investigating committee have reached an agreement, and everything will be satisfactorily arranged. The committee have received proxies for 60,000 shares and now hold $30,000,000, which gives them control, and proxies are still coming in. After midday the market became tame and declined fractionally. The poor showing of the government crop had a depressing effect on the market during the last hour, and prices continued on their downward course and closed weak at about inside prices and recorded declines of ¼@1⅜, except on Manhattan, which was supported by insiders, and closed ⅜ higher. Net losses were 1⅜ on Texas Pacific, 1⅜ on Reading, 1¼ on Canada Southern, 1⅝ on Burlington, ⅝ on St. Paul, 1⅜ on New England, 1⅛ on Western Union and ⅜ on Richmond Terminal. Total sales were 294,000 shares.

GOVERNMENTS.—Government bonds were dull and rather heavy.

OMAHA LIVE STOCK.

Cattle.

Thursday, May 10, 1888.

Ninety-nine fresh loads of cattle were reported on sale to-day. The market, under the influence of the heavy receipts and the decline in other markets, was 10c lower. While the market was not as active as yesterday a good many cattle changed hands. One good load of 1433-lb cattle reached $4.40, which was the top for the day.

Hogs.

The market opened this morning with 113 loads of hogs on sale. The receipts from the other markets were lower and the market here was about 10c lower, although some sales were made at not over 5c decline, while in other cases salesmen had to take off more than 10c. There was a very fair demand at the decline and all the hogs were sold before the close.

Sheep.

There were no sheep here to make a market.
