result in severe heavy losses to the roads. The total sales of stock were 169,820 shares. The strength in Manhattan was a surprise, and the advance was attributed to inside support, as the quarterly statement was unfavorable, showing a net decrease in earnings of $112,430 and in the surplus of $114,724. The outside figure was maintained until the close. There was strong buying of Oregon Transcontinental by parties who want to control the next election, and at one time it showed an advance of 1½, but at the finish a net gain of ⅛ point only was secured. Richmond Terminal held its own till the close and showed a gain of 1½. The last hour developed an irregular market and stocks came out quite freely, particularly grangers, and at the close declines were recorded of ¼ on Missouri Pacific preferred, Erie, St. Paul, Northwestern and Missouri Pacific. Money was easy at 1 per cent. Bar silver, 92c.

OMAHA LIVE STOCK.

Cattle.

Monday, May 14, 1888.

The receipts of cattle were not very heavy, only about fifty fresh loads being on sale. The reported decline in other markets had a weakening effect upon the market here, which was 5@10c lower. In some cases handy cattle which happened to strike the buyer's fancy sold at nearly steady prices. While the market was not very active the bulk of the cattle changed hands.

Hogs.

The receipts of hogs were light, even for Monday. The market was about steady, although it was reported lower in Chicago. One load of 280-lb hogs sold at $5.45. There was a good demand and the hogs were all sold out early.

Sheep.

There were no sheep on the market. Four loads were received and shipped out yesterday.
