Postponed Races. The fears entertained by many that the four days' races would be interrupted by rain were not groundless, as the neavy rain fall of yesterday morning, together with the spasmodic drizzling of the remainder of the day, prevented even so much as an attempt to carry out the third day's programme.

An Opportunity.

The Chicago, Burlington & Quincy will sell tickets to St. Louis June 2, 4, and 5, which will be good for return passage until June II, at one fare (\$11.25) for the round trip, thus affording an opportunity for all who desire to attend the Derby races, the national convention and have a good time.

The trip via the "Burlington" is a delightful one. Its equipments is superior and its road bed unequalled. Dont fail to take it. Ample sleeping car accommodations can be secured in advance by leaving your name with CAPTAIN O. M. BROWN, Ticket Agent, Corner Pearl and Broadway.

An Artistic Musicale.

One of the most artistic and thoroughly enjoyed musical recitals given in the city was that of last evening at Mueller's music hall. The programme was rendered entirely by the pupils of Mr. Charles Baetens, residing in both Council Bluffs and Omaha. The following persons appeared: Mr. Frank Brown, Mrs. Blanche Morton, Miss Hattie Palmer, Miss Matie Palmer, Mr. C. H. Judson, Mr. Paul Tulleys, Mr. John Brown, Mr. Herbert Rogers, assisted by the Stryk en Blaaslust club, accompaniments by Miss Pearl Chamberlain, Mr. Ruifrok and Miss

One of the numbers was a soprano obligato, with orchestral accompaniment, by Mr. Bactens, in which he showed himself to be a compared of ability. The outline me be a composer of ability. The entire pro-gramme was finely rendered. These recitals are a most practical evidence of Mr. Baetens' ability as a teacher, in which reputation he stands second to none.

We would be pleased to know of a man or woman who has never had headache or been subject to constipation. As these seem to be universal troubles a little advice may seem in order. Why should persons cram their stomachs with nauseating purgative pills, etc., which sick-en and debilitate when such a pleasant and sterling remedy as Prickly Ash Bitters will act mildly and effectively on the liver, kidney- stomach and bowels, and at the same time tone up and strengthen the whole system; causing headache, constipation and all such distressing evils to quickly disappear.

Petty Police Doings.

Marshall, general agent.

Business in police court was very light yesterday morning. The case of Mr. Lotze. for disturbing the peace in the eastern part of the city, was tried, and the defendant dis missed with a reprimand, as the court said he did not wish to take money that wa needed by a poor family. The case involved a neighborhood row, caused by malicons children, and the mother was warned against continuing to uphold them in their mischief. The larceny case of Casper Beam was then

The larceny case of Casper Beam was then called. He is charged with stealing a watch from Kitty. Witnesses for the state were examined, among them several reporters, whom Marshal Guanella rung in, in an at-tempt to get even for the bother caused him by the persistent pencil-shovers. Attorney Snyder appeared for the defense. The testi-mony was very damaging to the prisoner, whose little piece of fun will probably be expensive. The case was continued until this morning to secure the attendance of wit-nesses for the defense.

A Heavy Cattle Deal. In the district court yesterday the trial of the Citizens State bank vs. J. C, Abbott and others was commenced. The controversy is over a large amount of cattle A. J. Greenameyer of this city, who claimed to be one of the owners of the cattle, mortgaged them to the bank to secure \$10,000. J. C. Abbott, a heavy cattle dealer, claims that Greenameyer was simply buying and handling cattle for ham on a commission. It is the same herd of cattle over which there was such an exciting time last full, one party seizing them and getting nearly all of them across the river into Nebraska, when the other party came up and took them back to the lowa pasturage on this side. It will be a hard, bitter fight, the amount involved being large.
