The Magnetic Physician

Has removed his office from Gruenig Block to Rooms 314 and 315 Parton Block.

In order to secure better accommodations for his many patrons, Dr. Smith has moved his effice to rooms 313 and 315, Paxtoh block, over Max Meyer & Bros' jewelry store. Dr. Smith comes among us bearing testimonials from some of the leading physicians of this country, and his success in curing chronic diseases is unparalelled in the healing art. His patrons are among the prominent citizens of Omaha and surrounding country, and they all speak in the highest terms of his professional still and the kind and gentlemanity manner in which they are treated. It is becoming generally known that Dr. Smith gives an honest opinion in every instance and hundred of people suffering from incurable diseases are advised to keep their money and not spend it upon doctors who can do them no good. There is no denying the fact that Dr. Smith cures more cases of chronic and long lingering diseases, through his wonderful magnetic power, than by any other known method of treatment. Writing of the qualifications of Dr. Smith an eminet professor says. "He is the best prescriber of medicine upon the human system than any physician we ever had in the state, and I am certain will successfully carry out any medical enterprise in which he is engaged. I regret that he ever left the state, as we can ill afford to lose such men."

Another old professor in one of the leading colleges in St. Louis, says: "I have been personally and professionally acquainted with Dr. Smith for upwards of sixteen years during which time I never heard a word spoken against either. My own knowledge of Dr. Smith is that of a professional gentleman, of the finest character and reputation. He is unquestionably the peer of any practitioner in America. I take great pleasure in recommending him to all our friends and confrees."

Dr. Smith will continue to heel the sick free of charge every morning from 19to 11 o'clock all of this week, at Max Meyer & Bros' Music Hall. His office is on the floor directly above Music Hall, and will be open to the public from 9 a.m. till 5 p.m.,
