

THE CITY.

The internal revenue collections yesterday amounted to \$7,994.70. Charles Hill, the young man who was accidentally shot while in a boat in Cut-Off Lake, it is thought has now improved as to be out of danger. A bill of sale was filed in the office of the county clerk yesterday by which, in consideration of \$340, W. D. Sampson gives to Foley & Darst the fixtures and furnishings of the second and third floors of 1412 Douglas street. Brigadier General Brooke has ordered company K, Twenty-first infantry, to proceed with companies F and G to Fort McKim, Wyoming, where these companies will be stationed until further orders. Upon their arrival at that destination company C, Seventh infantry, is relieved from duty at that fort and is directed to proceed to Fort Laramie.

Personal Paragraphs. J. B. Weston, of Beatrice, is at the Paxton. R. O. Phillips, of Lincoln, is a guest at the Paxton. A. H. Brown, of Hastings, is registered at the Paxton. C. J. Phelps, of Schuyler, is registered at the Millard. H. D. Kilpatrick, of Beatrice, was at the Paxton last night. Mr. and Mrs. J. H. Goodrich, of Indianola, are at the Millard. E. K. Valentine, of West Point, is registered at the Millard. The Second infantry band, of Fort Omaha, will tender a serenade to Brigadier General Brooke at the Paxton this evening.

A New Mining Company. The Doyle Placer Mining company filed their articles of incorporation yesterday. The officers and directors of the company are C. F. Goodman, A. D. Clarke, W. N. Naason, S. B. Hayden and Oscar P. Goodman. The capital stock of the company is \$15,000. Their principal business will be in Omaha.

A Concert. A literary, vocal and instrumental concert will be given in Exposition hall Tuesday evening, May 24, under the auspices of Omaha Lodge No. 224, Grand United Order of Odd Fellows. Hon. John M. Thurston and P. G. M. A. D. Jones, will speak on the "Origin of Odd Fellows." Great preparations are being made for the occasion.

The Hack Went Over. Yesterday afternoon, one of the Dodge street cabsmen ran into and overturned one of Stephenson's hacks as it was entering the stable on Tenth street. The driver jumped and escaped injury. The horses stood still while the hack was being shoved off the track and were uninjured. The vehicle was badly scratched.

A Distinguished Party. The secretary of the board of trade yesterday received a telegram from J. W. Ryckman of Kansas City, stating that Lieutenant Governor Davidson of Georgia, and a party of eighteen, will arrive in the city to-day. They have been entertained by the board of trade at Memphis and Knoxville, and the Omaha board will do likewise and serve a banquet this evening at the Millard.

"Hard Trials." Mrs. Anna McGraw, who resides on Howard street, between Twelfth and Thirteenth, has a hard time of it. She has three children and a worthless, drunken, idle husband to support, and the terrible strain upon her is rapidly breaking her down. She was at the police court yesterday together with her little ones, and a pitiful story of her trials and tribulations, and concluded her visit by filing information against her liege lord for non-support and extreme cruelty to his family. An officer was in quest of the Hon. Mr. McGraw, and he will doubtless get a wholesome dose of "over the hill."

Acquitted of Forgery. The trial of James A. Brown in the police court yesterday afternoon on the charge of forgery resulted in a complete exoneration of the gentleman accused. It appears from the testimony that some time last December Mr. Brown bought out the business of the Omaha Publishing company. By contract with Mr. Harsha, who constituted the firm bought out, Brown was empowered to make collections due the old firm. Brown did so and collected about \$15, signing in the receipt the name of the Omaha Publishing company per J. A. Brown, and placed the money in the credit of Mr. Harsha, as he had an account with him. Brown did not turn the money over to Harsha as that gentleman's indebtedness at that time was some \$10 in excess of the receipts of Brown for him. On motion of Mr. Hurley, the prosecuting attorney, the case was dismissed.

SCHOOL ELECTION. Republicans Preparing to Nominate Their Candidates. A called meeting of the republican city central committee was held yesterday afternoon at the city hall to make preparations for the coming school election at which eight new members are to be elected on the board of education. The president, D. H. Moore, was in the chair, and B. F. Rodman held the secretary's pencil. The date for the primaries was set for Friday, June 1, from 12 noon, until 7 p. m., at which seven delegates are to be chosen from each ward. The convention will be held at the city hall, on Saturday, June 2, at 3 p. m. The election is to be held June 4.

The following committee on general arrangements was appointed: Morris Morrison, W. A. Kelley, H. T. Leavitt, C. J. Johnson, B. F. Rodman. The following places for holding the primaries were chosen: First ward, Tenth and Pacific; Second ward, Williams and Sixteenth; Third ward, Fourth and Dodge; Fourth ward, court house; Fifth ward, engine house, Sixteenth and Leard; Sixth ward, Twenty-seventh and Lake; Seventh ward, Park avenue street stable; Eighth ward, 3402 Cummer; Ninth ward, 2842 Cummer.

On motion of Mr. Morrison it was decided to assess the candidates the amount necessary to defray the expenses of the primary election. It was also decided that the members of the central committee have the power to appoint their own judges and clerks at the primary election.

There are eight vacancies to be filled—five expired and three unexpired terms as follows: Expired—Hugh C. Clark, William A. Kelley, Frank W. Gray, William A. Kelly and Henry Lively; unexpired—L. S. Auchincloss, in place of J. McLaughlin, resigned; F. R. Connell, vice Davis and Augustus Pratt vice T. N. Blackburn.

THE CITY'S HEALTH RECORD. The City Physician's Annual Report to the Council. The city physician has prepared his annual report and submitted the same to the city council last night. It is a lengthy document and contains a full account of the general health and healthiness of the city. The sewerage system, with its improvements and the purities of the Missouri river water,

are each spoken of at length, and the need of a city hospital is clearly set forth. The following interesting statistics are found in the paper: The number of city cases sent to St. Joseph's hospital from September 1, 1887, to December 31, 1887, was 45, number of days' treatment, 694, deaths 7. Death rate, population 100,000, for the year 11.87. The birth report for the year was as follows: White, 1,197; colored, 19; females, 618; males, 618; total, 1,216.

REPUBLICANS. "THE OVERLAND ROUTE." Will sell through tickets at rate of one fare for the round trip, from points in Nebraska and Kansas, to parties desiring to attend the National Republican Convention to be held in Chicago, June 19th. Tickets good going June 16th to 19th, and returning June 20th to 25th inclusive, with continuous passage only in each direction.

Johannah Foley, who resides with her parents at No. 910 South 9th st., this city, aged ten years, has been a great sufferer from chorea or St. Vitus dance, accompanied by paralysis of the entire left side since last fall. Nothing seemed to do her any good until her mother took her to Dr. Smith, the magnetic physician, who commenced the treatment of her case one week ago. She is now convalescent. See Dr. Smith's adv. in another column of this paper.

The Racine Wagon & Carriage Co., of Racine, Wis., are making themselves felt very largely in Nebraska through the agencies of the West-Shugart Co. of Council Bluffs, Parlin, Orendorff & Martin of this city and the Burks Implement Co. of Lincoln.

They are the largest makers in the country of buggies, spring and express wagons, and the large stock recently imported with Parlin, Orendorff & Martin for city business wagons is a credit both to the makers and to the agency. It gives our business firms splendid opportunity to get the most stylish kinds of wagons; which opportunity has been made good use of in some instances, as is seen by some of our choice wagons that have recently come upon the street.

We learn that this company has the largest retail ware rooms to be found in New York, Chicago and Philadelphia, in each of which cities it leads the trade.

Wanting an Organ. The appearance of Frank Hatton, editor of the New York Press, in this city has been variously considered, some holding that it has been occasioned by a desire to work up a little state boom for Sherman and others to purchase the Republican of this city with the same end in view. As might be expected, Mr. Hatton is non-committal on both subjects. But it is fair to presume that one of the alternatives is the reason for his presence here. The Shermanites want an organ here, and it is known that overtures from them have already been made to the proprietors of the paper mentioned. It is also known that an organ here, and for some time past, especially during the strike, the Republican has seemed to satisfy that requirement. Parline, of the Chicago, Burlington & Quincy, has always backed Hatton when the latter was in Burlington and New York, and it is inferred that the same support is now behind him in endeavoring to land a mouthpiece in this city. Mr. Hatton will remain here a couple of days.

KNIGHTS OF PYTHIAS. Union Pacific. "THE OVERLAND ROUTE." Will sell through tickets at one fare for the round trip, from points in Nebraska and Kansas to parties desiring to attend the meeting of the Supreme Lodge, Knights of Pythias, to be held in Cincinnati, Ohio, June 12th to 16th inclusive. A MIDNIGHT RIOT. But Who Are the Unhappy Participants? About 2 o'clock yesterday morning Dr. Miller who resides on South Tenth street near the Union Pacific tracks, was aroused from his peaceful slumber by a heavy knock upon his door. Upon responding to the summons he found a small man standing on the stairs in his shirt sleeves who piped out "Your God's sake doctor get your instruments and come with me quick." The disciple of Esculapius snatched his case of knives, saws, needles, wax, nippers, etc., and flew down stairs where a cab was in waiting and sprang in. The little man said something to the driver and away they went down in the southern part of the city toward Gibson. Driving up the cross street the cab stopped at a little house where upon entering three men were discovered, one of whom had a cut in the breast about six inches in length, the other had a frightful gash in the arm and side, while the third was lying unconscious from a bad thump on the back of the head, evidently made by a coupling pin. The doctor dressed all the wounds as rapidly as possible and restored the latter to consciousness. After completing his task he inquired what had been the cause of the riot, but the only reply was, "How much is your bill, doctor?" The physician designated the amount, which was paid, and repeated his inquiry, "What is the cause of the riot?" The small man, "ask no questions, the cabman will take you back," and ushering the doctor out, he closed the door. He tried to locate the small man at the darkness was too great and he could not determine where he was. The cabman set him down at his own door. Who the parties are is unknown, but it is supposed that they are striking workmen who had scraped up a row with some scabs and were worsted. The Pinkneys know nothing of this trouble, yesterday, at least they said they did not, and so the matter rests.

TO SALT LAKE AND RETURN. The Overland Pacific. "THE OVERLAND ROUTE."
